We want to say a word to any republican who might be thinking of voting for Frank Faul for Clerk. Der Demokrat has been and is the most virulent in its partisanship of any paper in the county. Because it is printed in German many of its statements have gone unchallenged, but the Bulletin in its most bitter moments has never made such violent and wholly unfounded charges against republicanism as has the Demokrat. A vote for Frank Faul is a vote to give aid and comfort to the most prejudiced and most unreasoning opponent republicanism has in this county.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENNEY & CO., Toledo, Ohio.
