The disaffected republicans did not succeed in beating Cummins, but they accomplished something after all. They beat Theobald and Houlihan and Pahl and Carnahan and Thompson and Meisner and Schultz and Johnson and Sweet and Carey and Woolston and Maynard and McMahon. Indeed they have something to show for their pains.

Fourteen rural precincts in Crawford county gave Cummins 704 votes in 1903 and gave Cummins 715 in 1906. It was not the country which beat the ticket, but the towns. The farmers were coming our way. When the vote on the balance of the State ticket is known, we believe it will show a considerable republican gain. This is but another evidence that the time was ripe for a republican victory if the town republicans had remained loyal.

WHEN THE HEART IS AFFECTED or the muscles surrounding that organ by rheumatism, experimenting with simple treatments is like tampering with a live electric wire, for death may come at any moment. If life is worth it, do not hesitate to get the treatment which has stood the test for 20 years—Dr. Drummond's. Write to the Drummond Medicine Co., New York, and they will send you literature free, worth \$25 to a rheumatic. It is not as quick as electricity, but will save your life if you act in time.

The Arion correspondent tells of a fire on Monday which destroyed a barn belonging to Patrick Mullen.

Mrs. Morris McHenry left on Wednesday to visit her grand daughter Mrs. J. A. Williams who has been seriously ill the past week.

Governor Cummins will give us a good clean republican administration. While the Review as no vengeance to wreak on any man it can but rejoice that party loyalty was in the end successful.

McMahon, White, Theobald, Johnson, Houlihan and other old time stand-patters, although all of them were loyal to the ticket, were defeated and Cummins was elected. Had the disaffected republicans worked for the whole ticket with half the zeal they displayed against Cummins the party would have been victorious, even in Crawford.

CARD OF THANKS. We hereby wish to express our thanks to all who assisted us in the illness and burial of our daughter Gladys.

The D. A. R. Chapter had a large meeting on Monday afternoon. Mrs. Cassaday and Miss Marshall read papers and Mrs. Ferguson read a report of her visit to Iowa City. Mrs. John Seivers favored the ladies with a brilliant piano solo, and Mrs. Sibbert sang in her always charming way.

Jos. Hedderman lost two colts last Saturday. This makes five horses he has lost this season. The sickness is mysterious and may be accounted for by some poisonous weed growing in the field. The loss is a severe one for Mr. Hedderman and we trust the cause will soon be found and remedied.

It takes our Denison women to do things up brown. The rummage sale was a winner from start to finish. Mrs. J. B. Romans was at the head of the sale and as always everything prospered under her wise planning. Mrs. Voss had charge of the lunch room and served splendid lunches and did a big business. It is expected that two hundred and fifty dollars will be cleared for the cemetery fund.

Mr. Isaac Gillmor cast his fiftieth straight republican ballot last Tuesday. It is a record of which to be proud. Those fifty ballots have helped write all there is of glory in the history of America during the last half century. It will be noted that the ballot was straight, no treachery, no hesitation, no fault finding on the part of a veteran republican like Mr. Gillmor. We sincerely hope that he may live to cast many more straight republican votes.

"For years I starved, then I bought a 50 cent bottle of Kodol Dyspepsia Cure, and what that bottle benefitted me all the gold in Georgia could not buy. I kept on taking it and in two months I went back to my work as machinist. In three months I was as well and hearty as I ever was. I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper." C. N. Cornell, Roding, Ga., Aug. 27, 1906. ## LOWEST POSSIBLE PRICE

The continuous rapid growth of our business, larger and larger each succeeding season, is the result of strict adherence to a very simple rule—to keep out merchandise of inferior or doubtful quality and to sell merchandise designed to give satisfactory service at the least possible cost to our customers. While the rule itself is simple it requires expert knowledge of merchandise, as well as constant watchfulness to carry it out.

Inferior materials and poor workmanship are easily glossed over and thousands of people are paying too much for their merchandise by buying to many times for the same service. Our first care is the selection of trustworthy reliable well made articles and then the matter of price comes into consideration. Our stock is complete in every department, all up-to-date, each with some distinctive feature, so that every man, woman and child customer will be thoroughly pleased. And, as the months go by, the quality of your purchase here will prove such as will suggest coming to this store for your next purchase.

Truly, a safe place to trade for man woman or child, and as assuredly the most comfortable STORE within your reach. A REST ROOM ON THE BALCONY
