

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol for and dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Mr. S. S. Ball of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."

How Diphtheria Is Contracted

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. For sale by L. E. Blosser Co.

LIKE A GREAT RAILWAY.

With its branches running in every direction, are the arteries and veins that convey the blood to every part of the system. A cold, sudden changes and exposure, may cause poisonous acids to clog the circulation and then comes rheumatism. Beware! If you value your life remove the obstruction with Dr. Drummond's Lightning Remedy. Send \$5 to Drummond Medicine Co., New York, and they will send you two large bottles by express, enough for a month's treatment, with full special directions. Agents wanted.

VIOLATING THE SABBATH.

A few Sundays ago a farmer drove over to the county attorneys home and demanded the arrest of a neighbor's threshing crew that was "violating the Sabbath." The county attorney was busy pulling weeds in his garden and suggested that the complainant go before the justice of peace in his own township, but he was informed that the justice was out fixing his windmill. He was then asked to telephone to the sheriff and have him attend to the matter. but he was to busy loading cattle at the stock yards. The farmer was exasperated, and resolved to saddle a horse and go for a constable, but his good wife, who was busy canning fruit, informed him that the boys had driven the horses to the village, where the boys were in a lineup for a ball game and the girls had gone to a picnic. The farmer has been drunk on hard cider ever since, and stoutly refuses to be sobered.—Ellsworth, Kan. Messenger.

Bad Breath.

A well-known physician, who undoubtedly knows, declares that bad breath has broken off more matches than bad temper.

There are ardent lovers who must sometimes wish their sweethearts presented sweeter mouths to be kissed.

Good teeth cannot prevent bad breath when the stomach is disordered.

The best cure for bad breath is a cleansing out of the body by use of
