ALL FOR TWO DOLLARS

To Brew the Best Beer

the brewer must first have, make or buy perfect Malt, for malt is the soul of the beer. Four-day malt cannot make perfect beer such as

Pabst Blue Ribbon

because four-day malt is a forced and unnatural process and beer made from four-day malt lacks the nutritious food elements which distinguish Pabst Beer.

Pabst exclusive eight-day malt, the choicest hops, pure water and a process spotlessly clean are the secret of the rich food value and the fine mellow flavor of Pabst Blue Ribbon Beer.
