Richard Lillieholm and wife drove up from Denison on Saturday afternoon to visit relatives.

Fourth Assistant Postmaster General McGraw has recommended that the salary of the rural route carriers be raised to \$900 per annum. It depends on congress if this recommendation will win or not, but most likely it will be granted.

Rev. Andrew Modig of Holcomb, Neb., preached at the Mission church on Thursday evening and was greeted by a fair sized audience of many old friends and acquaintances who were pleased to listen to his able sermon and to again meet him.

Charles J. Hunt came up from Deloit on Thursday forenoon to visit I. Goff and family and to shake hands with a number of old customers who used to call on him for committies when he conducted a general store at Deloit years ago.

B. A. Samuelson returned Thursday from a business trip and visit at Jewell Junction and Radcliffe. On Tuesday he attended the F. E. Garrett Duroc Jersey sow sale at Lohrville.

John Cedargren and A. G. Sjogren transacted business at the county seat on Wednesday last. While there John appeared before the court and applied for citizenship.

Erick Brown died at Odebolt Tuesday night at the age of 81 years of pneumonia. He used to be former resident in the near neighborhood and has a number of acquaintances here.

Looking over the poultry show awards made at the show recently held at Odebolt we notice that Alert Peterson from this locality captured several premiums on his S. C. Black Minorcas and Cornish Indian game fowls.

Although the day was most cold and blustery a good crowd gathered at the Julius Bielenburg sale on Tuesday last week and good prices were received for everything sold.

Gust Newberg and Arthur Johnson came down from Bronson, Iowa last week to remain for a couple of weeks visiting relatives and friends in and around Kiron.

Victor Lundgren and family were the victims of another farewell surprise on last Thursday evening when

neighbors and friends to the number of over one hundred dropped in to spend the evening with them.

Minnie Osback from Stormbury, Nebraska arrived on Friday evening from a two week's visit with acquaintances north of town.

C. M. Fenne from Mapleton spent Thursday and Friday in Kiron in view of disposing of his property at Mapleton for Kiron property but which he did not succeed in doing.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Cheney & Co., Toledo, O. Sold by all Druggists 75c. Take Hall's Family Pills for constipation.

BORN WITHOUT TEAR DUCTS

Artificial Tear Ducts Formed by Dr. Weber.

This is a portrait of DANIEL O'BRIEN, a bright boy of Stuart, Ia. Read what his father says:

STUART, IOWA, Nov. 1st.

From the time my son Daniel was born his eyes watered, continually flowing over his cheeks and blurring his sight. When out of doors in the winter, his cheeks would nearly freeze and it was almost impossible for him to attend school or do anything that required much use of the eyes.

I wanted to have his eyes cured long before I did, but think the eye to delicate an organ to trust everybody with treating it. Dr. Weber had so successfully treated so many in my neighborhood, that I decided to have him treat Daniel's eyes.

Dr. Weber examined them and found he had been born without tear ducts and that he would have to form artificial ones. This looked almost impossible to me, but assuring me that he would not injure the sight, I had the Dr. proceed. So successful was he that the trouble is now entirely cured and the tears flow into the new ducts as well as any natural ones and his eye do not water even in the coldest weather.

Yours respectfully, JOHN O'BRIEN.
