HASSANS ARE INDICTED

Grand Jury Holds Them Under Two Indictments.

FOR MURDER AND ROBBERY.

Bonds Fixed at \$40,000—Broken Leg Ends Jury Case—Other Court News.

Two indictments were returned against Josef Hassan and Solomon Hassan, one on the charge of murder and the other on the charge of robbery. The defendants appeared in open court with their attorney P. E. C. Lally and plead not guilty to both indictments. Mr. Lally then filed a motion to quash the indictments on the ground that the grand jury was illegally drawn and empaneled. This motion being overruled, the defendants filed a motion asking that they be allowed to inspect the exhibits used before the grand jury. The court made an order that their attorney might inspect the exhibits when with the county attorney and Clerk of the District Court, the exhibits, however, not to be taken from the custody of the Clerk of the District Court. Their bonds were fixed at \$10,000.00 each on each indictment, making a total of \$20,000 for each defendant on the two indictments, or \$40,000.00 for both. The case was continued to the next term of court, the defendants not being ready for trial at this term. Jacob Sims has been employed to appear with and assist the County Attorney.

Ed. Kastner, one of the jurors in the case of L. P. Rose vs Peter Eggers and M. L. Ayers broke his leg during the intermission between Friday and Monday which stopped proceedings and the case was continued until next term. The evidence had all been introduced in this case and nothing was left but the arguments of counsel and instructions of the court. At the close of the evidence one of the defendants, Ayers, made a motion to direct a verdict in his favor which was sustained. This is an action in replevin for the possession of stallion, growing out of a horse trade between Eggers and Rose. After the jury had been empaneled in the case of Charles Belz against the Estate of R. Klinkfus, a settle-

ment was reached and the jury discharged. The plaintiff claimed pay from the estate for taking care of and nursing Mr. Klinkfus during his last sickness.

The case of Johanna German vs Thomas Heath, et-al. was tried and submitted to the court to be argued and decided in vacation as of the last day of this term. This is an action involving the title to land in Crawford county.

The following cases were dismissed, Lewis Sterrett et-al, Christopher P. Vollersen vs Joseph Losch and Anna Losch, and Kate Jenkins vs Wm Kocjke and Fidelity & Deposit Co, of Md.

In the case of George Neddermeyer, which has twice been tried to a jury was up again on a motion for a change of venue filed by the plaintiff.

The motion was overruled and the case will have to be tried, if at all, in this county.

Dr. J. N. Warren vs Anna C. Sieck; judgment for plaintiff for \$175 interest 6 per cent. /

Mary Lane Portz vs Patrick Lane judgment for plaintiff for \$400.00 interest 8 per cent from Sept 1, 1906 and attorney's fees.

Samuel Kline and H. R. Kearnes vs John Huie and Charles Rannells is a case that was tried in the district court and plaintiffs recovered judgment for the digging of a well on the farm of the defendant Rannells, and on appeal to the Supreme court the judgment was affirmed. The defendants filed a motion to retax costs, which was overruled.

Park & Karschner vs George Reed, et-al; judgment for plaintiff for

C. T. Marshall, trustee, vs L. E. and Martha Goodwin; judgment for plaintiff against Martha Goodwin for \$—, dismissed as to L. E. Goodwin.

L. L. Hockett and Henry John vs A. C. Sieck; judgment for plaintiff for \$101.45 interest 6 per cent, and \$88.25 interest 8 per cent from Jan. 11, 1906, attorneys fees.

L. L. Hockett and Henry John vs Pete Johnson; judgment for plaintiff for \$51.80 interest 6 per cent.

Claus Pepper vs A. C. Sieck; judgment for plaintiff for \$200.00 interest 8 per cent from Dec. 24, 1905.

Decrees of divorce were granted to the plaintiffs in the following cases: Martha Olson vs George Olson; Anna Williams vs Carl Williams; John L.

WILL CLOSE EARLY.

Denison Merchants Agree on Better Hours.

THE MOVE IS A GOOD ONE.

Business Men and Clerks to Have Reasonable Time for Home Life.

Denison is about to make one step in advance, a step that is reasonable, sensible and conducive to good citizenship. Sixteen merchants have agreed upon the following closing hours: on Mondays, Tuesdays, Thursdays and Fridays they will close at 6:30 p. m. On Wednesdays they will close at 8 o'clock and on Saturdays they will stay until Sunday if trade demands it. In this agreement holidays and holiday eves are barred. While the Review believes that each merchant knows his own business best, and does not feel it its duty to criticize, we believe the move is one in the right direction. After the people become accustomed to it there will be no hardship inflicted upon any one and for the first time Denison's merchants and clerks will have an opportunity to have the majority of their evenings to themselves. There is little trading done at any of the stores on any evening except Saturday. For our part we do not see why Wednesday is made an exception to the evening closing. This new rule ought to mean that from seventy-five to one hundred of our people will have greater opportunity for self-improvement, for recreation, for social or civic duties and to get better acquainted with their homes. We believe the people ought to be ready to co-operate with the merchants for we are sure that they are doing it not so much for their own benefit as for the benefit of those they employ. The proprietor can largely control his own actions while the clerk cannot. We believe the move will be popular and it is our further opinion that if it is closely observed, other merchants will gladly fall in line. Our observation has been that the chief objection to signing such agreements has always been the charge that some one else violated his agreement. If the merchants become convinced that this agreement means business, that back doors as well as front ones are to be

closed, we shall soon see all the stores of Denison closed except the sleepless drug stores and restaurants and lunch rooms. Denison is becoming a city. If this agreement shall hold a year we predict that at the end of that time no merchant would dream of going back to the old system. Every person can help make this agreement effective by buying early. Remember the closing hours after February 25th, and show your good will to the clerks in this way.

HIS WIFE WAS KIDNAPPED.

Bandits Capture Wife of Prominent Citizen But Husband Rescues Her.

On Saturday evening Mrs. T. C. McCarthy was called to the door of her residence. Upon opening the door she was forcibly seized and dragged from her home. Mr. McCarthy at once started in pursuit and caught the marauders before they had proceeded any great distance. Finding himself over-powered by numbers he opened negotiations with the apostles or Pat Grotto and finally succeeded in effecting a ransom. The price paid was five dollars. Mrs. McCarthy is mad and we do not blame her. She says she is worth a whole lot more than five dollars, and she is. Tom tried to make her believe it was a fifty dollar bill but it was no go. Domestic difficulties loom large on the horizon and Mr. McCarthy is reported to have opened negotiations to get his money back.

It all came about because Mr. and Mrs. McCarthy have been married twenty years. Their friends to the number of about thirty planned and executed a pleasant surprise. Tom was down town but was called to the house by the report that his horse was down. He ran all the way home, only to be greeted by cow-bells and a genuine charivari. It was not until later that the kid-napping occurred. The guests all had a splendid time. A handsome rocking chair was left as a souvenir of their unexpected visit.

CLUB IS BOOMING.

Denison Commercial Club Gains Many New Members

WILL NOW PUSH GOOD ROADS

Another Social Session Will be Held This Month, Club Picnic for This Summer.

The Denison Commercial Club is on the boom. Eleven new members were added to the roll at the meeting last night as follows: John Schnoor, Chas. Christensen, Ben Bartcher, C. M. Jensen, P. W. Harding, G. W. Nicholson, Wm. Isenminger, C. E. Lyman, John Rachwitz, G. W. Carpenter, and A. F. Boylan. Besides these five old members were re-instated at their request. These were John Fastje, Frank Faul, George Sprecher, B. Y. Nicholson and J. H. Tamm.

The meeting was well attended and numerous projects for the good of the city were discussed. Communication has been entered into with the Division Superintendent of the Illinois Central and it is believed that road will agree to furnish gravel gratis for the repair of the streets from its station to the city and also for the improvement of the old fair ground road to gravel the approaches to the west Boyer bridge so that that piece of road which is now one of the worst in the county may be made accessible in all kinds of weather.

Rural Carrier Z. T. Hawk informs us that it is his opinion from conversation with farmers that much trade now going to other places could be brought to Denison if this piece of road was properly improved.

Negotiations have also been opened with the Northwestern and that road has agreed to furnish gravel for Main Street if the city will pay the expense of putting it on the road. With such a liberal offer this should be done at once.

Several members of the club expressed their willingness to advance the necessary funds for this purpose and the roads committee was instructed to appear before the city council and urge that some action be taken. Mr. Sears McHenry was added to the roads committee for the purpose of perfecting and carrying out the plan proposed by him or the use

the King drag on the country roads. It was also proposed that the committee confer with the city council as to the employment of some men whose business it should be to work continuously on the roads of Denison. It would be his business to make minor repairs, fill chuck holes and operate the King drag after every rain. The subject of paving for Main Street and Broadway was also discussed. The committee was requested to look up the probable cost and to sound the property owners as to their willingness to pave at this time. It was proposed to pave from the Review corner to the Tabor residence on Maine street and from the Tamm corner to the Gillmor corner on Broadway.

The success of the social session last month was such, another such meeting was ordered, the exact date being left to the committee on arrangements. This committee was also empowered to invite not more than twenty non-members as guests of the club. The purpose is to invite all the business men of Denison from time to time but the club rooms are not large enough to accommodate the members and all others at any one meeting. It was practically decided that a series of these social sessions should be held and a grand Commercial Club picnic was talked of for the summer. From the interest taken we believe that this is to be a banner year in the club's history. The matter of securing a piano for the club room was also considered and a committee appointed to take action.

RETURNS FROM MEXICO.

Sears McHenry returned the first of the week from a delightful tour of Old Mexico. Mr. McHenry went with a special excursion of Northern capitalists and what they did not see of the old Latin nation, was not worth seeing. The vacation has done Sears good and he looks as bright as a new coined dollar. He saw a bull-fight but does not care to see another. He says the weather in Mexico is just like that which we are now having in Crawford, only a little more so.
