### Vail

The death of Mrs. Sarah Long was an event which though expected caused the greatest sorrow to relatives and friends who had hoped against hope for many weeks for her recovery. Mrs. Sarah Long was born in West Morland, Pa., July 3rd, 1866 at her home in Vail, died February 26, 1907, at the age of 40 years, 7 months and 23 days. When but a mere child she came with her parents Mr. and Mrs. Michael Hill to Vail, was raised and educated in Crawford county. In the year 1890 she was united in marriage to Mr. James Long of Vail. To this union were born two children Grace and Jimmie. For a number of years they lived in Grand Junction, Ia., where Mr. Long was engaged in the butter and egg business. Just six years ago death deprived her of her husband. Since that time she has made this her home. Mrs. Long was a refined intelligent lady, possessed of good sense, beloved by all who knew her, very popular with her friends at whose homes she was ever and always a welcome visitor. She was kind, generous and affectionate. She won her way to the hearts of all with whom she came in contact. She was ever a practical and consistent Christian and a devout member of the Catholic church and died fortified by the consolations of that religion. She leaves to mourn her loss besides two lovely children Grace and Jimmie, her mother, four sisters, Mrs. B. A. Finerty of Omaha, Mrs. William DeVine El Reno, Okla. Mrs. A. Vernon and Mrs. M. J. Keane of Vail and four brothers, Mike of Lead, S. D., William, Jim and Barney of Vail. The funeral services were held Thursday at 10 o'clock at St. Ann's Church, where Rev. Murphy preached a beautiful and touching sermon. Interment was made in St. Ann's cemetery. The pall bearers were Frank Etzel, Joe Cranny, M. R. McGrath, Geo. Nicholson and M. O'Connor. ### FIFTY YEARS AGO.

This has been the warmest February ever known in Iowa, in fact the entire winter has been one of the mildest on record. Uncle Morris tells us that fifty years ago there was a different report to make. His diary, which he kept from the early 50's to 1870, tells that in December 1856, Crawford was visited by severe snow storms on the 1st, 2nd, 19th, 21st and 27th. On Jan. 2nd there was a bad storm while on the 15th the thermometers went broke at 33 degrees below zero.

Jan. 18th was 39 below, February 6th there was another great snow and Uncle Morris affirms (perhaps this is an April Fool joke) that on April 1st he crossed the Boyer river on a snow drift. Who says the world is not getting better.
