

ABLE MANILLA LAWYER

Sketch of W S Moore Who is Now Prominent in South Crawford

Few men of such comparatively short residence in Crawford county have made stronger or more favorable impression upon the people than has W. S. Moore, the popular and eloquent attorney of Manilla.

Mr. Moore came to Manilla in February of 1904, and he at once became a prominent figure, not only in local affairs but throughout the county. He has won his place by weight of his ability, not alone along legal lines, but as an all round citizen and as a good and helpful friend.

W. S. MOORE

in Bolivar, Mo. He was also mustering officer for that order in Missouri.

Mr. Moore obtained his early education in the public schools, and from 1884 to 1887 he attended the Southern Methodist College at Morrisville, Mo. His inclinations were strongly for the law, and after serving four years as deputy recorder of Polk County, Missouri, he entered the law office of Judge John D. Abbe at Bolivar. He was a careful student and in 1892 he was first admitted to the bar in Topeka, Kans.

Mr. Moore's home life is of the most happy. Long a bachelor he has now become a model homemaker, and his wife and seven year old daughter complete a delightful home circle. Socially Mr. Moore is a "good fellow" in the best sense of the term. He is something of a "jiner" and belongs to the Masons, Odd Fellows, Knights of Pythias, Modern Woodmen of America and the Eastern Star.

As a lawyer Mr. Moore has proven his ability in this county and is recognized as one of the coming men in his profession. As an orator, also, he has earned an enviable reputation. He is forceful, concise and convincing. Manilla is to be congratulated in having such a representative in the

bar of the county. Politically Mr. Moore is a republican, a son of a Missouri Union veteran could not well be much else. He has always taken a prominent part in affairs political and he stands high in the councils of his party. We are convinced that his career in this county, begun with so much promise, is destined to be one of which any man might be proud.

SHELDON BOY WINS.

Is Successful in Dramatic Class—Denison Takes Third Place.

Victor Button, winner in the State contest last year was the winner in the district declamatory contest at Ida Grove last Friday in the dramatic class. Miss Schlumberger, Denison's representative did splendidly and all those who heard her were proud of her effort. Button with his long training and experience in former contests however won, although Miss Schlumberger was given first place by one of the judges she failed to defeat her more experienced rival.

Under the circumstances Denison friends have nothing but congratulations to offer. Prof. Fellows, who attended the contest tells us that the dramatic class was easily the best and that had the contest been an open one, the dramatic reciters would undoubtedly have taken the same rank over all that they did in their own class.

The towns represented were, Carroll, Castana, Denison, Emmetsburg, Ida Grove, Jefferson, Lake City, Onawa, Sanborn, Sheldon and Spencer.

There were four speakers in each class, Denison, Ida Grove, Lake City and Sheldon being in the dramatic class. It is probable that hereafter the winner of one state contest will be barred from entering a second contest.

Miss Schlumberger was given third place though in the sum of ranks she tied the winner of second place. She was marked first by one judge and third by two. The Lake City contestant received two seconds and one third, making her total seven also. One of the rules of marking, however, is that when two judges agree their decision shall stand. Those who heard Miss Schlumberger were proud of her and she has no cause for regrets.

R Knaul Receives All Votes Cast at School Election

School election day was one of the quietest ever known in Denison. It is complimentary to Mr. Knaul, that even the customary eleventh hour candidate was not sprung and he received practically all of the votes cast. He has made a careful and conscientious director and there was no opposition because people were perfectly satisfied.

At the school meeting the estimates of the board were accepted without question and \$3500 was voted to pay off bonded indebtedness and \$200 voted for library purposes.

HIGH SCHOOL NOTES.

Gail Carey has started in school again after his trip to California.

Alice Staininger visited the High School Thursday and Friday.

Beatrice Lally was a High School visitor last week.

Russel Lyon was absent Friday visiting friends in Missouri Valley.

Miss Burns says Grace Schlumberger did excellently and one of the judges gave her first place, but the other judges gave her third, so she won the third place in the District contest held at Ida Grove last Friday.

The High School is at work on the opera "Pauline or an Eventful day" by Chas. K. Gabriel author of "The Merry Milk Maid" which was played in the High School two years ago and proved a great success, which Pauline will also be. Miss Nachtmann says she expects to give it some time in April.

All the grades are expecting to give a program a week from next Saturday. Something on the same order as the one given last year.

The girls and boys both proved superior to the college in basket ball. The game began promptly at 8:30 Saturday night. The girls played first. The High School started out making the first basket, but the college, by the fine basket throwing of Retta Van Ness came out of the first half ahead by the score of 16 to 13. The High School girls showed their mettle during the next half and did some fine basket throwing. The girls score was college 21 High School 33. During the second half Ethel Hunter slipped and hit her head against the floor of the stage. She played the game out, but has been laid up since. The boys had their one sided game after the fine game of the girls. Our boys put up a good game.

There's little room in this great world of ours for the "Fat Woman." She's a hindrance to herself in street cars, flats, elevators; but what can she do, poor thing—take Hollister's Rocky Mountain Tea.

DEATH CALLS MANY

(Continued from page one)

she always took great pride. She united with the L. D. S. Church July 9, 1872 and remained a faithful member until death. The funeral was held at the L. D. S. Church in Deloit on Friday afternoon March 8th. Elder C. J. Hunt preaching the discourse. The remains were laid to rest in the Deloit cemetery. Those acting as pall bearers were S. Horr, Thos. Munsey, S. C. Hagen, E. K. Patchin, J. L. Miller and J. A. Halberg. She leaves her aged husband and children to mourn their loss. The family have the sympathy of all in their bereavement.

Mrs Sabina Gould

While the death of Mrs. Gould has for a long time been expected, the news of her demise came none the less as a shock and a great grief to the many old friends who have known her and loved her for those many years. We believe she was prepared to go if any mortal ever was, and that death, in itself, had no sting for her. We believe she is glad to be once more united to the saintly man who was her husband. She has lived to see her children loved and respected and it is our honest belief that when Mr. and Mrs. Gould meet in the Heavenly kingdom they will to-day celebrate the fifty-eight anniversary of their marriage with joy and thanksgiving untold and beyond our poor human comprehension.

Her loved ones have the consolation of her life well lived and the knowledge that they spared no effort to care for her and to make her last days happy ones.

Sabina Margaret Farwell was born in Cattaraugus County, New York, March 3, 1829 and departed this life at 2:35 a. m. March 11, 1907 at Denison, Iowa aged 78 years, 8 days.

While yet quite young she, with her parents, removed to Denmark Lewis County, New York. Here in 1848 March 13th she was married to Horace W. Gould. She was a helpmeet indeed during their life together, nearly 57 years, always cheerful, hopeful and full of faith. In 1857 they moved to Champion and three years later to Copenhagen, N. Y., and in 1862 removed to Whiteside County, Ill. For about five years of their residence in Illinois she was a great sufferer, helpless much of the time and her life was many times despaired of. The spring of 1871 she was taken to Spring Lake, Mich., for treatment and was greatly benefited.

In 1872 they removed to Crawford county Iowa, near Denison, in 1885 they moved into Denison where they have since resided.

Five children were born to them Mrs. Josephine M. McConnell who preceded her mother to the heavenly country, Mrs. Alice R. Seabury of Plainville, Neb., Edwin D. Gould of Walbach, Neb., Erwin H. Gould of Brownville, Neb., and Mrs. Cora A. Mills of this city.

Mrs. Gould was converted and united with the Methodist Episcopal church in 1850 and remained an active member till the close of life here.

She was bereft of her companion March 2, 1905 and ever since has been so lonely and longed to be with him.

She was a faithful wife, and devoted mother and a conscientious christian.

Funeral services will be held at 2:30 o'clock at the Methodist church, Rev. T. E. Thureson officiating.

Michael Kinney

On Sunday evening at 6:30 o'clock occurred the death of Michael Kinney, for many years a well known figure in and about Denison. He had been in bad health for about a month but the serious stage of his disease, pneumonia, was of but brief duration. Mr. Kinney was forty-five years of age. He was born in Hampshire county Massachusetts and came to Crawford county in 1875. He was never married. As a farmer and as a business man he was successful and succeeded in laying up a large store of this world's goods. He was his own worst enemy, like many another man, and to others was uniformly kind and indulgent. His death took place at the Merchants Hotel of which he was half owner. Those who knew him best are deeply grieved at his untimely death and had for him sincere affection. He leaves four brothers, Richard, well known in the county, James whose home is in Missouri, John who has large mining interests in Arizona, Patrick of this county and one sister, Miss Nora Kinney.

Funeral services will be held at the home of Richard Kinney tomorrow at 10:30 and at Saint Rose of Lima church at 11:30.
