W. C. ROLLINS, Chairman.

"In 1897 I had a stomach disease. Some physicians said Dyspepsia, some Consumption. One said I would not live until Spring. For four years I existed on boiled milk, soda biscuits, and doctors' prescriptions. I could not digest anything I ate; then I picked up one of your Almanacs and it happened to be my life-saver. I bought a fifty-cent bottle of KODOL and the benefit I received from that bottle all the gold in Georgia could not buy. In two months I went back to my work, as a machinist, and in three months I was well and hearty. May you live long and prosper."

C. N. CORNELL, Roding, Ga., 1906.

The above is only a sample of the great good that is daily done everywhere by Kodol For Dyspepsia. It is sold here by Lamborn Drug Co.
