Judge Church Decides Technicalities of Law Were Not Observed.

Motion of Defense in Hassan Case Conceded by State.

New Panel Ordered At Once.

Supervisors Will be Summoned at Once to Make New Drawing--Technicalities Must Be Strictly Observed.

The second grand jury drawn for 1907 was set aside yesterday by Judge Z. A. Church and a new drawing was ordered immediately, in which all the technicalities of the law are to be strictly observed.

This sensational denouement took place through a motion by Conner & Lally, attorneys for the defense in the Hassan case, to set aside the panel on account of numerous irregularities in the drawing. Examination of grand jurors and of county officers developed further facts, and finally the state joined in the request that the grand jurors be dismissed and a new drawing made. In making his ruling, Judge Church ordered the officers to proceed at once and to use extreme care that all the provisions of the law are complied with. The objections were raised as to the manner of drawing, the certification, filing of papers, summoning of jurors, etc. It was also found that one grand juror was not on the poll list at the last election, while still another was summoned under the name of Hannes Lorenzen, whereas his name was Johannes. While the violations were minor ones, the aggregate was sufficient to convince the state that the part of wisdom was to agree to the motion. Steps will immediately be taken to secure the new jury. The grand jurors who were summoned and sent home were as follows: Peter Atzen, Hanover; Adolph Rosburg, Soldier; C. H. White, Stockholm; Thos. Buton, Sr., West Side; Hannes Lorenzen, Morgan; Henry Jochimsen, Nishnabotny; Fritz Brandenburg, East Boyer; H. H. Derner, Iowa; Geo. Schelm, Charter Oak; W. W. Clark, Boyer; Natio Wingrove, Washington; P. H. Rank, Denison.

A very delightful farewell party was tendered Miss Farmer on Saturday evening by Miss Beatrice Lally. What was the entertaining feature of the evening and was much enjoyed by the guests who were the Misses Farmer, Naevs and Meyers. Messrs. Humphries, Kelly and Tabor and Mr. and Mrs. Conner, Mr. and Mrs. Bren-

nan and Mr. and Mrs. McMahon. Miss Lally served a very dainty two course supper at the conclusion of the game. Miss Farmer the favored guests with two charming songs. The evening was a very pleasant finale to the many social attentions paid Miss Farmer.

Mr. and Mrs. Adelbert Jones landed in New York on Saturday last returning from their wedding trip to England and France.

Mr. Aug Balle is home again from Chicago. On the way back he stopped as a fond father at Elkader to visit his daughter Mrs. Minnie Fletcher.

DEATH OF MRS. WILLIAMS.

End of a Life of More Than Four Score Years.
On the evening of Friday, April 5th, at the home of her daughter Mrs. T. J. Shropshire, occurred the death of Mrs. Hannah E. Williams, after a happy, helpful and useful life of more than eighty-three years. Mrs. Williams had been seriously ill for a number of months and death came as a relief from pain and happy entrance to the life above. Her sons and daughters have every reason to be proud of the noble life just closed and they can find consolation in the fact that they did all in their power to make her last days happy ones.

Hannah Elson was born October 17, 1823 in Coshoccon county, Ohio. In 1842 she was united in marriage to Thomas Johnson, in 1849 they moved to Iowa, settling in Benson county where in 1858 occurred the death of Mr. Johnson. To this union nine children were born, two dying in childhood. One son John was a soldier in the Civil war and died in the hospital at Memphis, Tenn., another son Archibald died in Missouri at the age of 22 years. Of the remaining children, two sons, Robert and James Johnson, live in Benson county, Iowa and one daughter, Nina Hopper, lives in Ohio. Mrs. F. DuBois at Charter Oak and Mrs. T. J. Shropshire at Denison, Ia. In 1865 Mrs. Johnson was married to Isaac Williams. To this union one son was born, Elzie who resides on Benton county. Mr. Williams died in 1893, since which time Mrs. Williams has resided with her two daughters Mrs. DuBois and Mrs. Shropshire. In early life Mrs. Williams united with the M. E. church and she lived a consistent Christian life. The funeral services were held from the home of Mrs. Shropshire on Sunday afternoon at 2:30 o'clock, Rev. T. E. Thurston officiating; the text being taken from Rev. 14-13, and she was laid to rest in the Denison cemetery.

CARD OF THANKS.
The children of Mrs. Hannah E. Williams would express herewith their heartfelt thanks for the many evidences of kindness and love shown them by friends and neighbors, during the illness and at the time of the death of their beloved mother.

FOR FRIDAY NIGHT

Chorus Club will be Heard in Grand Concert at Opera House

The Chorus Club announces its second and last concert of the season for next Friday evening at the opera house. The proceeds are to be donated to the cemetery fund and a large attendance is hoped for. The concert promises to be even better than the one previously given and that is saying a great deal as the first program was one of the best that Denison has heard. Director Sibbert informs us that there will be four chorus numbers, solo by Mrs. Boyle and Mrs. Sibbert, selections by the ladies quartette and by the male quartette and readings by Miss Brackney. Surely with such an excellent program our music lovers are assured a treat. All the participants are favorites with Denison people and we will go gail that the concert will be first-class.

WILL TAKE SPLENDID TRIP

Congressman Conner and Wife will Join Congressional Party to Honolulu.

Hon. J. P. Conner informs us that he has decided to join the Congressional party which is soon to leave for Honolulu as guests of the Hawaiian government. The party will consist of about thirty-five prominent members of Congress, about fifteen of whom will be accompanied by their wives. Mrs. Conner will be a member of the party. They will join the special on the morning of April 27th and will reach San Francisco on the evening of the 29th. The party will leave San Francisco on the Buford on the morning of April 30th and it is expected that the boat will reach Honolulu on May 18th. The Congressman will be the guests of the territorial government and it may well be expected that here will be little of the South Sea Islands left unseen, and that everything possible will be done to entertain the distinguished guests. The members will have three weeks in the Islands and will sail on May 29th on board the United States transport Sherman, reaching San Francisco about June 6th. Mrs. Littlefield and daughter of Maine will accompany the excursion and will come to Denison a few days before the time of departure to visit Mrs. Conner, joining the main party here. The trip promises to be as fine as one could imagine and we trust that our Denison friends will not succumb to "mal de mer" but will be able to enjoy every minute of the journey.
