

The Buck Grove BUDGET

Mrs. Fannie Bonney
Department Editor.

Rev. R. S. Cartwright, one of the Paulist Fathers, now giving a mission in Sioux City, took a lay off from his duties last Wednesday to visit with Father Coffey at Manilla. He reached there on the morning train, and in the afternoon, both gentlemen drove to Buck Grove to call on friends here, intending to go back to Manilla on the evening train. Father Coffey, went to Mr. Gorman's, while Father Cartwright was entertained by Jack Welsh and family. Father Coffey intended to join Father Cartwright at Mr. Welsh's later, but a heavy rain came up in the early evening, and at train time it had become so muddy and still raining hard, that Father Cartwright was obliged to remain over night with Mr. Welsh's family, much to their delight, and that of other friends, but no doubt a disappointment to both Reverend gentlemen. However their loss in this case was Buck Grove's gain, as it is not often, that the laity get a chance to have a social visit with a mission priest; their duties do not permit it. Father Cartwright is the missionary, who gave the very successful mission at the Catholic church here about two months ago.

Mrs. Joe Brewster is still very ill at her home here.

Mrs. James O'Meara is slowly recovering from her illness, and has been able to get out and see a few of her neighbors.

Word has reached us that Mrs. Manche Gigax, who recently moved from Schleswig to Hutchinson, Kan. is lying critically ill in a hospital at that place. What makes it doubly hard is being a stranger in the place with five little children and help hard to get. The family have the sympathy of many friends here and trust that Mrs. Gigax will soon recover.

Jasper Haines has finished the improvements on his home and has moved into the new part.

James O'Meara intends soon to commence improvements on his farm.

Vernie Moffitt came home Thursday evening for an over night visit, returning to Denison Friday morning for the contest in the evening.

Mrs. Thomas White is not improving as rapidly as her friends wish that she was.

Mrs. George Carpenter with her daughter Saka, Mrs. Hilly Newman, left for Hutchinson, Kansas to be at the bedside of Mrs. Manche Gigax.

Dwight Hutchinson was an over Sunday visitor at his home in Manilla. Dr. Bonney arrived home Monday

from his visit to Dr. Gardner. Mrs. Byron McMullen is in Council Bluffs with her sister Hattie Sewing who is ill with typhoid fever.

Lizzie Sewing was called to Council Bluffs Saturday, her sister Hattie who is ill in a hospital there, with typhoid fever being taken suddenly worse.

Owing to the heavy rain here Wednesday there was a bad washout of the track east of here, which delayed the passenger train a few hours Thursday morning. In some fields the plowed ground was entirely washed away.

Word has been received that Mrs. Fred Gigax is somewhat better.

Pearl Bonney closed her school in Shelby county Friday and left Sunday morning for Kenwood where she will teach a summer term of six weeks.

Saturday, Ferdinand Boyer and Mr. Johansen, having finished their trading started for home. They were driving a team of colts which became frightened at something and ran away, throwing both men out, and distributing the groceries along the highway.

Byron McMullen left for Council Bluffs Sunday morning. He returned in the evening and reports Hattie Sewing as somewhat better, but not out of danger yet.

Mrs. Will White is on the sick list.

Will McCord, living south of here a few miles had the misfortune to have his house burned down Saturday. It caught from a defective flue. The neighbors were notified by telephone, and came to his assistance. They saved all the household goods, but the house had to go. As there was no insurance, the loss is considerable.

However Mr. McCord was fortunate in having another house on his place, that he could move into and live, while getting a new home ready.

Bert Walworth has returned from Lincoln, Neb., and intends to once more make his home here. He has rented a farm east of here and intends to move on it at once.

Myrtle Newman, who for four years has been the assistant principal of our High School, has accepted a position as a teacher at Muskogee, Okla. The position was offered her without her having made application for it, and though we are sorry to lose her from our midst, yet we congratulate her as the position is a better one than she now has. Miss Newman is a young lady with sterling qualities, and her work here has proven her to be a thorough and competent instructor. She will be greatly missed in the social circles as well. The High School presented her with a gold clock Friday morning, showing their appreciation of her untiring efforts to aid them in getting their education. Lola Fishel made a very pretty speech in presenting it. No one has yet been elected to fill the vacancy made by Miss Newman's resignation.

A mass meeting was held Tuesday evening and it was decided that Dow City will celebrate. All the committees were appointed, so that nothing may be undone, which would tend to make the day a grand success. W. E. Fishel was chosen as president of the day and S. A. Dow as marshal.

Last week was one full of good things here in Dow City.

Wednesday evening at the Opera house the Seniors assisted by the Juniors put on the class play. The house was crowded, and still the floor didn't give way, and all were pleased. Thursday evening at the Methodist church was the class exercises, when all who had a part did well. As some have expressed themselves thusly: If asked who did the best would have to say "all." As is always the case for an occasion of this kind the church and league room were packed to overflowing.

On Friday night occurred the best of all, and as on the night before, the church was packed to hear the lecture on Spenders by the great and renowned lecturer, Edward Amherst Otto for about two hours he held the large audience spell bound. After the lecture the President of the school board, Mr. C. Butterworth in a few well chosen remarks, presented the diplomas to those who had graduated from our school. The graduates are: Hugh Butterworth, Merton Thomas, Nettie Wiley, Grace Poitevin, Alfred Gloe Daisy Robinson, Vinnie Rudd, Lola Fishel, Nellie McDonald, Fred Glassburner and Jay Field. Miss Allie Sewell favored us with two solos which were well received and the Misses Vinnie and Mildred Rudd sang a duet which was fine. And now we want to say that we are all proud of our school and think their is no better school in old Crawford county.

Mrs. C. Butterworth entertained the graduates and teachers at a 5:30 luncheon Saturday evening. Monday evening the Juniors entertained the graduates at the home of Mr. and Mrs. L. A. Vore west of town.

The Memorial services Sunday at the Methodist church were not largely attended on account of the weather, but those who were out heard a good sermon from the Rev. C. E. Butterworth.

Will You Ever Earn More Than \$2.00 A Day?

DO YOU WORK with your hands or your head? It is estimated that the man who works with his hands can earn about \$2.00 a day. There is no limit to the earning capacity of the man who works with his head. If he is trained so that he can plan and direct the work of others he is worth many times as much as the ordinary wage earner.
