LA FOLLETTE THE STAR

Wisconsin Senator Will Be Great Attraction of Next Lecture Course.

Senator Robert A. La Follette will be the resplendent star of Denison's next lecture course. He will be here sometime in October and it is expected that he will be greeted by one of the largest crowds ever assembled at a lecture in Denison. We would advise the committee to make arrangements for a tent as we do not believe the opera house will be found of sufficient capacity. The committee is not prepared to announce the remainder of its program but tells us that it will be fully up to those of former years.

We are glad that the lecture course is not abandoned, as we believe it has been a great source of good to this community. Senator La Follette is a great man, a man with a message for every one of us and the opportunity too hear him is worth all that will be asked for the season tickets.
