The train going north at 6:15 on Monday morning was delayed at Manilla for nearly two hours by the tender of the engine getting off the track, right in the yards. This is a long delay at division headquarters with plenty of power and appliances at hand, to put a tender back on the track.

On Sunday evening at the Presbyterian church there was a special music service with solos, duets and chorus work. The pastor devoted his talk to a history of some of the great hymns which have stirred the hearts of the people, such as Rock of Ages, Savior Pilot Me, and they were sung. The music at this church is always good.

The Junior League of the M. E. church wanted a hand in doing something and so undertook to raise the \$40 to paint the church. The League was divided in two bands with La Roice Dempster and Mary Van Metre as captains. ODD FELLOWS AND REBEKAH MEMORIAL OBSERVANCE

On Sunday afternoon our local order of the Odd Fellows and the Rebekah observed the annual memorial day of the organization. In the afternoon there was a gathering of the members in the K. of P. castle hall. At that time Rev. Lacey made an address appropriate for the occasion. In the course of his remarks he told of one of the crowning jewels of the order in Iowa, the Odd fellows and Orphans Home located at Mason City. This home is supported by the two orders and is under the management of one of the best christian women in Iowa, Mrs. Lewis wife of a deceased M. E. pastor. He told of how well the home was kept, the children dressed differently and so giving individuality, the Sunday school for their benefit, the day schools, the good board and the kindly care given aged members. He was able to present a picture of the home and the members were proud of their orders. After the address the assembly went to the cemetery where there was a simple decoration of graves.

FOURTH AT MANILLA

The Biggest Celebration in County at Our Town

We regret that the paper cannot reach our readers in time to tell them in advance as to the great Fourth of July celebration Manilla is about to have. Word has been received here announcing the death of Julius George Rief, age 26 years which occurred Friday evening, June 14th 6 o'clock after a lingering illness. His death like his life, was peaceful. He leaves a wife, Helen, V. a daughter, 10 months old Julia V. father and mother. The funeral took place in Los Angeles, Cal., Sunday June, 16th at 3 o'clock p. m. from the Central Presbyterian church and interment was made in Rosedale Cemetery. Many of our people were annoyed when the big Fourth of July bill came printed in red, white and green, and the blame was laid on the enthusiastic Irishmen on the committee, but it was probably an oversight of the printer. It did make a big stir however and many would not put up a bill on display.

Mrs. Cicero Morgan is reported on the sick list this week.

Dr. McLean is back from Omaha where he was in a hospital.

The talk is that the Presbyterian society means to have a pipe organ. That would be fine indeed.

The Doctor Away from Home when Most Needed

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramps, colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now it may save life. For sale by L. E. Blosser Broadway Druggist.
