## DEATH IS SUDDEN

Mrs. S. L. Gable Dies after Brief Illness.

## FUNERAL HELD TOMORROW

Entire Community Plunged in Grief by Death of This Sainly Mother

On Monday July 8th occurred the death of Mrs. S. L. Gable, a woman whose name was synonymous in Denison with all that was best in womanhood, in wifehood and in motherhood. She was taken ill on Thursday evening of last week and soon developed alarming symptoms. Her temperature rose to 109 and she suffered great pain during her last hours. The physicians diagnose her sickness as blood poisoning arising from acute inflammation of the bowels. Her loving husband and her son Mearl were with her at the time of her death, the other children not having time to reach Denison until it was too late to see her alive. Funeral services will be held on to-morrow, Thursday afternoon at two o'clock at the First Methodist church, Rev. T. E. Thures-

ter showed to its fullest. She was an ideal wife and mother. It was her fondest wish that she might live to see her children grow to helpful, honorable maturity and this wish was granted. We mourn with her loved ones, for the gentle spirit that has gone to its reward. We know something of the heartache, the loneliness, the grief that they must feel, but they have, in the memory of their mother's life, a blessed, sacred heritage. She was the most true and affectionate wife, the most gentle and careful mother, the kindest of neighbors, and the most conscientious of Christians. Not only in Denison but throughout the county her death is mourned by all who knew her.

## DELOIT LADY DEAD

Mrs. Rosannah Flint Numbered among the Departed.

## DEATH OCCURRED FRIDAY

Funeral of Noble Pioneer Woman Took Place at Deloit on Monday

Mrs. Rosannah Flint one of the old time settlers of Deloit died on Friday July 5th at her home in Deloit. Mrs. Flint was born in Warsaw, Wyoming Co., New York on March 26th 1852 and was in her seventy-fifth year. She had been in failing health for some time and death was not unexpected. Mrs. Flint came to this county at an early date and was well known to all the pioneers of Crawford. Her husband died a number of years ago. She leaves five children, Mrs. James McKim, Mrs. B. H. Beaman, Mrs. J. W. Wilkinson and Miss Lucy Flint, all of Deloit and Charles Flint of Middleton, Idaho. She also leaves eight grand children and two brothers, L. F. Morris of Deloit, and H. C. Morris of Oklahoma, and a sister, Mrs. Van Wetthey of Buffalo, New York.

The universal respect and affection in which this pioneer woman was held was shown by the large gathering of friends who attended the obsequies which were held at the Methodist church of Deloit of which she was a member, on Monday. Rev. Bruce officiating at the service and Prof. and Mrs. Van Ness and Miss Lillie Raine assisted in the appropriate music. A number of friends were present from Charter Oak, Morning Side, and Denison. She was one of the women who helped make Crawford county what it is today. Her's was a noble, useful life well lived and ended in the peace of God. Her children have every reason to revere her memory.

The Review is requested to express the thanks of the family to those who assisted them during the sickness and death of their mother.

## HAS A MILLIONAIRE GUEST

Carl Gronau Entertains a Wealthy Friend from Rehfbeck.

Mr. John Porter one of the wealthiest men of eastern Iowa is at present a guest at the beautiful home of Mr. and Mrs. C. Gronau.

The Denison people met Mr. Porter during a visit in California and a warm friendship sprung up which was renewed upon their return to the Hawkeye state.

Mr. Porter is a modest unassuming man. He is largely interested in the banking business, in lumber and is an extensive land owner. It is said that it would require all of seven figures to give the amount of his fortune.

## IS PRONOUNCED INCURABLE

Sad News Concerning Thomas O'Connor, one of Our Most Prominent Farmers.

Upon making an exploratory operation it was found that Mr. Thomas O'Connor of East Boyer township was afflicted with cancer of the liver, a disease which has so far baffled all the efforts of science. Mr. O'Connor is one of the best known and most highly respected farmers of East Boyer township. He has a fine home and loving family. His reputation has always been that of high-minded, hard working, Christian gentleman. The sad news concerning him has brought sorrow to many hearts, not only among his relatives but among a wide circle of friends.

At present Mr. O'Connor is not suffering great pain and he is surrounded by loved ones who are doing all in their power to show their affection. In the face of this tragedy of life it is hard to speak the words of consolation, but it must be a comfort to him to know the universal esteem in which he is held by all who know him and to know that he lies at peace with man and God. It is the prayer of all that the Divine Ruler will give to him and to his loved ones the strength of spirit to pass through this great ordeal of hopeless illness.

The annual meeting of the Crawford county Telephone Company was held yesterday and elected W. J. Scriver C. F. Kuehne and J. P. Conner resident directors and C. H. Smith and William Bowen non-resident directors. W. J. Scriver was re-elected president and the other officers were all re-elected. The business of the company was found to be in a most satisfactory condition a large number of phones in the city and country were added during the last year. The company has under consideration a proposition to purchase the Arion telephone and a committee was appointed to look into the matter.

## HAND IS BADLY TORN

Cannon Cracker Gets its Work in at Deloit.

## VICTIM NOW IN HOSPITAL.

John Mason did not know that the Cracker was Lighted and it Exploded in His Hand.

On the evening of the Fourth John Mason of Deloit assisted in the firing the pyrotechnics with which that enterprising town celebrated. In the midst of the display he lit a cannon cracker, but apparently the fuse did not ignite. He reached for another match, and while doing so the fire cracker exploded in his hand with terrific force. The middle finger of the left hand was torn off and the flesh was torn and gashed so that more than one hundred stitches were required. It seems that the fire ran up the inner part of the fuse leaving the outside unburnt. This is what deceived Mr. Mason and led to the accident. He was brought to the City Hospital in Denison as speedily as possible and is now resting comparatively easily. Unless blood poisoning sets in he will soon be about again, but it is doubtful if he will ever have much use of his left hand. Mr. Mason is a brother of Mrs. N. L. Hunt of this city.

Denison Team Has a Week of Minor Victories

## PREPARES FOR BIG FIGHT

Dow City and the Bloomers are Easy Victims. All Ready for Jefferson Games

(C. L. Dort, Editor.)

Denison won an easy game from Dow City on July Fourth. Denison scored in the first inning and in their half of inning Dow City annexed one; and their game was half played for they were able to scratch but one more lonely run in the remaining eight innings. Denison seemed to have her veins full of patriotic fire and in enthusiastic fashion ran up a total of twenty-one runs. Faul pitched an excellent game and was given fine support, but one mis-play being chalked against the team. Dow City was filled with the noise of too many firecrackers and her sons became filled with nervous apprehension and fourteen times threw the ball away.

## The Bloomer Games

The first game of the double header with the National Bloomers resulted in a shut out for the ladies. Rather an ungentlemanly thing to do perhaps in anything but baseball. Denison outhit and outplayed the visitors in every department of the game Mote's home run was the feature.

The game was interesting for its novelty. One or two of the girls surprised the fans by the way they could throw, and handle the ball. Lady Waddell who played in the left garden was especially notable in that respect. Little Ruth at first base became angry at one of the decisions and would not play the remainder of the game even when ordered to do so by the captain. The score tells the rest.

The second game with the Bloomers was almost a repetition of the first although the score was not quite so large. It looked like another goose egg for the girls until the ninth when two runs were scored; One of them the result of two hits, and the other coming in before the last out was made by catching the runner off first base and running him down.

Faul was given good support and had all the better of the pitching argument.

The hitting of Fawcett, Dodge and Mote was the feature, although nearly every man on the team fattened his average in the two games. If such hitting and fielding, continues Jeffer-

son will be lucky if they win from us next Thursday and Friday.

Creighton of Omaha is to catch for Denison in the games against Jefferson.

A large number from Denison took in the Jefferson-Vail ball game. The score was 7 to 0 in favor of Jefferson.

"So Mote it be" was the yell of the small boy when the Denison shortstop lined out a home run in the first Bloomer game.

## JEFFERSON 3: DENISON 2.

Decidedly the "thrillingest" game seen here this season was brought to us Thursday by Denison. The Champs, who have never been shut out this season, were very close to the brink. Black misfortune camped on their trail, and in the third and eighth innings, the only time Denison had any chance to score, grievous errors assisted them to cross the rubber. On the other hand the Champs, though they had the bases full twice, and men on third three times, could not ring the bell. Swalm was clearly outpitching his little opponent, Otto Faul, by a margin of three hits to one, and was richly entitled to a shut-out game, yet he was being slowly and apparently surely defeated. So matters ran till the last half of the ninth inning, when the score stood 2 to 0 in favor of the visitors. Then the Champs girded up their loins and the gleam of desperation gilded their optics. Swalm came first and drove a clean single into center. Snyder followed him and duplicated it. The crowd began to yell and Denison closed in. Smith hit the first ball they handed him for a swift poke into right, and Swalm scored. A run, a man on third, and none out. Frantic howls clove the atmosphere, broken a moment later by the sharp crack of Hille's safe hit to right, upon which Snyder scored, while Smith was cut off at the plate. The score was tied, with Hilleys at second, and only one out. Four hits by as many men had come in rapid succession; what would Wasson do? It didn't take but three seconds to find out. He caught the piskin fair on the nose, and it soared away off into the azure blue of right field, over the fielders, beyond the ditch, nobody stopped to see where, for the game was over. Little Faul left the box and strolled sadly to the bench before the ball hit. It is reported that Mayor Quinn, of Scranton, found it the next morning near the water tower in that city. A more thrilling finish was never witnessed in a ball game, and the joy of it was it all came "our" way.—The Jefferson Bee.

## VICTIM OF ACCIDENT

Prominent East Boyer Farmer Has Leg Broken.

## JOHN H. MYER INJURED

Kicked by a Colt. Both Legs are Badly Gashed and Bones of Right Leg Broken.

On Saturday afternoon J. H. Myer living three miles east of Denison met with a serious accident. He was driving with his friend Jurgen Spahn. In some way the coupling became unfastened and let the hills down on the heels of the colt he was driving. The colt became frantic and kicked with might and main. The first kick struck Mr. Myer on the left leg inflicting a painful wound. Before he had time to move the colt kicked again this time striking Mr. Myer's right leg and breaking the bone just above the ankle. Both wounds are very painful and it has been found difficult to reduce the fracture on account of the gashes caused by the colt's hoof.

Mrs. Myer is far from well and this accident, in the midst of the busy farming season is particularly unfortunate. Mr. Myer suffers great pain and it will be several weeks before he can be about again.

We learn that Mr. Samuel Dawes was married to Mrs. King of Chicago on June, 15th. They are expected to-morrow for a visit with relatives and friends.

MR. AND MRS. S. L. GABLE, FIFTY-ONE YEARS WED. Their matrimonial bonds were severed only by death.

son officiating. The remains will lie in state at the residence between the hours of 12 and 1:30, where they can be viewed by the friends of the family. Asenath Hampton Gable was born in the state of Virginia July 2nd 1840. She came of good old colonial stock and inherited the sturdy virtues of her ancestors. In her infancy the family moved to Ohio and were among the pioneers of that state. Her mother died when she was but twelve years of age and she went to live with an uncle. With them she moved to Black Hawk county Iowa when in her fifteenth year. When sixteen years of age she was united in marriage on June 12th, 1856, to Mr. S. L. Gable, and it was but a little over a year ago that in the midst of the children and loving friends they celebrated the fiftieth anniversary of their happy wedded life. Mr. and Mrs. Gable first came to Crawford county in 1858. They lived first in Milford township, then in Denison, then in Coon Grove and finally removed to the homestead in Milford which was their home for so many years. In 1895 they removed to Denison to enjoy in ease the fruits of their years of faithful endeavor.

To Mr. and Mrs. Gable nine children were born, all of whom survive their mother and have grown to maturity blessed by her loving care. They are A. B. Gable of Hartington, Nebr., Mrs. Ida B. Greek of Genoa, Nebr., G. H. Gable of Council Bluffs, W. H. Gable of Plainview, Nebr., L. M. Gable and L. S. Gable jr. of Wagner S. D., E. Gable of Okaton, S. D., Rev. M. E. Gable of Defiance and Chas. Gable of Lincoln, Nebr.

Mrs. Gable was the highest type of Christian womanhood. She was converted in her childhood and she remained faithful and helpful through all the years. She was active in all the departments of Christian work. In Milford township she was the center of the Christian activity of the country side, superintendent of the Sunday school, president of the Missionary society, the Aid society and at the head and front of all good works. Upon removing to Denison she took the same active part in church and temperance work. While she endeavored to do her whole duty by her fellow men, it was in the home that the purity and strength of her charac-

Nevertheless he was one of the brainiest writers the Iowa press has ever known. If the Inter-state commerce law is ever modified so that we can get a pass we are going into Chicago just to see how an ex-editor looks back of a bank counter. We will put our feet on the mahogany and swap wiert tales about 10th district politics and use up about \$40 of Roberts time in five minutes talk.

## DROWNS IN MISSOURI

Denison Man Loses Life in Threacherous Stream.

## BODY NOT RECOVERED.

Fred Groenbeck Loses His Life While Bathing in the Missouri.

On Monday word was received that Fred Groenbeck a young man from Denison had been drowned while bathing in the Missouri river at Hamilton, S. D. The news was received through a letter sent by John Ashfield to his parents. Henry, the brother of the unfortunate youth left at once for the scene of the accident.

Groenbeck and young Ashfield left Denison sometime ago and were companions in a nomadic trip across country. They reached Hamilton, S. D., and decided to go take a swim in the Big Muddy. Groenbeck has been a victim of epilepsy for many years and while out in the river he was taken with a fit. He sank at once and the body had not, at last reports, been recovered.

We have heard some criticism of the city authorities for allowing wandering horse traders, who bring a bunch of crippled and possibly diseased horses to town, to water them at the public watering trough. There is no guarantee that these horses are not diseased and the farmers and citizens are entitled to protection for their stock.

## THEY WELCOME FAIR BRIDE

Mr. and Mrs. John Romans Given Brilliant Reception.

On Friday evening Mr. and Mrs. R. A. Romans gave the largest and most elaborate social event of the summer in honor of their son Mr. John Romans and his bride.

Almost two hundred were present, and the large parlors, wide veranda and lawn gave plenty of room for all the guests.

Japanese lanterns and lights made the out door most delightful and gave a brilliant effect to the entire reception. The guests were received in the living room by Mr. and Mrs. R. A. Romans and the happy married couple Mr. and Mrs. John B. Romans.

A very pretty arrangement of white wedding bells and green made the back ground and over head effect for the receiving party groups. Roses were used in great and beautiful profusion in all the other rooms as well. The dining room was decorated in La France roses, and asparagus fern was draped from each corner of the table and upon a wide pink satin ribbon a handsome bouquet of La France roses were placed in the center of the table. Wheeler's orchestra added much to the pleasure of the evening. Our people found Mrs. Romans' the bride, to be very charming unaffected and cordial in her manner. She made a very pleasing impression upon all and the congratulations extended to Mrs. Romans were most sincere.

Very dainty refreshments were served. The guests being served wherever they were seated by a number of very pretty girls.

Mr. and Mrs. R. A. Romans are to be congratulated not only upon the charming new daughter, but upon the success of their reception in her honor.
