## A MISSIONARY CHURCH.

The Methodist church of Manilla can well be classed as prominent in the cause of mission. On Sunday morning Mrs. Gasson of Council Bluffs, a returned missionary from China spoke in the church here. After the talk the pastor made a call on the people for a dollar subscription of \$50 to support a native preacher in China. The response was instantaneous and very soon the sum was raised. The ladies society already sustains a native missionary, and one of the members is educating a girl in a mission school in India, and it is understood that another good woman is willing to help a girl to an education in a heathen land.
