NORRIS-M'AHREN WEDDING

The wedding of Miss Clara McAhren and Ralph Norris was performed at the bride's home, with the families of the high contracting parties and close personal friends in attendance, Tuesday evening at six o'clock, Rev. Thuresson officiating. The wedding was a pink and white one. Mr. James Hunter played the wedding march. The party entered the parlor through curtains of pink crepe paper trimmed with flowers. The ceremony was performed against a bank of green. The bride wore a beautiful gown of white trimmed in exquisite val and Irish crochet lace, and carried white roses. Miss Mertie McAhren acted as bridesmaid and was very dainty in pink mull with pink roses. Mr. Harry Norris was best man.

The bride's table was pink and white, doilies of cluny pink roses and candles making a most attractive picture. The guests were seated at small tables, pink carnations were the brides favor to each guest.

Mr. and Mrs. Norris left for Chicago where they will spend their honeymoon. The bride's going away gown was blue broadcloth made princess with coat and hat of blue to match. Thus amid the loving good wishes of friends did the popular young couple embark on life's sea. Mrs. Norris has the greatest gift that can be given a woman, a happy cheerful disposition. A good friend a faithful loving daughter, she has always been, and nothing can be too good for her. Mr. Norris is a model young man, every one likes him and with reasons.

Mr. and Mrs. Norris will reside for the winter in the W. J. McAhren home on Main street.

Anniversary Sale.

The Boys are celebrating their birthday with a big sale in which they are reversing the usual custom. Ordinarily people sit back and receive presents on their birthday but The Boys are making such prices that the customers are the ones who are getting the presents. Mr. Gebert who has charge of the Dry Goods section believes in quoting prices and in telling people just what he has to sell. He is a good salesman and a good advertiser, because people have learned that his word is always good. The firm has won a high place in the regard of the people of the county and we wish it many more anniversaries. Read The Boys announcement on page 12 of this issue. The Review will go bail that every statement it makes is true.

Boylan Sells Half Interest.

This forenoon a deal was completed by which Milton Johnson becomes the owner of a one-half interest in the flourishing Boylan store. The firm name will be Boylan and Johnson and the business will be conducted along the same broad progressive lines that have characterized it in the past. Mr. Boylan has made a success of the business and feels that it has grown to such proportions that an active partner is a necessity. Mr. Johnson is the son of the old pioneer, N. V. Johnson. He was raised in this county and is widely known as an intelligent and industrious young business man. We wish the new firm all kinds of good luck and prosperity.

During the past week the Racket store has received over seven wagon loads of Christmas goods—This is without a doubt the largest shipment of exclusive Holiday goods that ever came to Denison and will give Mr. Allard by far the largest stock of his class of goods shown in the county. Having sold all of the stock last year, everything will be new and up to date. Christmas shoppers will find this store truly Santa Claus headquarters.

DENISON FIRM SUFFERS.

After a two days legal battle a Harrison county jury brought in a verdict for \$2000.00 damages in the suit brought against Pfarr, Gebert and Huat for the accident which caused the death of Mrs. Ina Chapman and three children near Pisgah, Iowa last May.

The facts are as follows: On May 1st, The Boys, at their branch store at Pisgah, received from the Standard Oil Co. a barrel of kerosene, bearing the mark of state inspection and showing that it was 106 by the flash test.

For two weeks oil was sold out of this barrel to customers in town and county for both heating and illuminating purposes. It was used in the lamps in the store and to sprinkle the floor. During this two weeks there were no accidents and no complaints or ground for suspicion raised as to the quality of the oil, save in one instance. On Thursday a lady telephoned Mr. Strong, manager of the store, that she thought there was gasoline in their kerosene. Mr. Strong thereupon, in the presence of witnesses drew some of the oil in a saucer and applied the so-called "fire-test" several times. That is, he lit a match and brought the blaze slowly to the surface of the liquid noting whether or not there was an explosion as from gas. The oil showed no signs of any dangerous qualities and Mr. Strong continued to use and sell the oil.

On Saturday May, 25th he sold a gallon of it to Mrs. Chapman, she took it to her home, poured oil on cobs in the stove, set the open can down beside her, struck a match and an explosion followed which resulted in her death seven hours later and in the death of three of her children. The husband sued for damages for the loss of the service and society of his wife. The judge held that damages could be awarded only for the loss of said service and society during the seven hours between the time of the accident and the time of her death. It would seem that these instructions had been disregarded by the jury in fixing the damage at \$2000. In Denison much sympathy is felt for The Boys. While the accident was heat-rendering it does not appear to the average layman that the right parties are being made to suffer. It appears to us that the state inspector whose careless work makes such accidents possible is the man who with the Standard Oil Co. is to blame. We think the inspector's resignation should be demanded. The stencil of the state on the barrel ought to protect the merchants against damage and if it does not the inspection fare should be abandoned.

We have heard reports of several such "mistakes" in this vicinity, and we believe that if his attention is properly called to the matter, Gov. Cummins will institute an investigation which will make the inspection a reality hereafter. In the meantime, three splendid, hard-working young merchants are being made to suffer because of a barrel of oil which could never have been properly tested, but which nevertheless bore the official stamp. It is the hope of Denison friends that the responsibility will ultimately be placed upon the right shoulders, not upon the shoulders of the Denison merchants.

CARD OF THANKS.

So many friends whom we cannot reach by word of mouth having been so thoughtful and kind to us during the days of the sickness of our beloved daughter, we are taking this public means of saying how much gratitude we have toward them. What you did was the means of lightening our burden, and helping us bear our loss. May the blessing of God attend you for it.

Mr. and Mrs. Peter Sochl.

DISTRICT COURT AT WORK.

Judge Z. A. Church is presiding over the November session of the District Court in and for Crawford county. As the Hassan trial occupied all of the last term of Court there is much business that must be transacted now. The case now occupying the attention of the court is that of Rose vs Eggers. Rose claims that Eggers stung him in a hoas trade. The case was tried once before to a hung jury and it is now being fought over again.

The jurors are: C. W. Justice, Wm. Doerfler, A. N. Galland, S. W. Calderwood, David Walters, Nels Taylor, Alfred Jacobs, F. Birkhofer, J. W. Smith, John Searl, Aug. Schroeder and W. W. Rhondenbaugh. Little other business has been transacted and it is probable that the present case will not go to the jury before tomorrow. Thursday evening. The Grand jury found no indictment, although several cases were investigated, and has adjourned.

Rev. Father Thomas Coffey of Manilla has forsown his allegiance to King Edward and is now a full fledged American being the only one naturalized at this term of court. The following is the assignment of cases, but it has already been knocked "galley west" by the David Harum case.

MRS. McAHREN ENTERTAINS.

Mrs. D. W. McAhren gave a large afternoon and evening party on Friday in honor of her sister-in-law, Miss Clara McAhren, as a pre-nuptial compliment. The center of attraction was the bride to be, and a dowery box which Miss McAhren opened for her own and the guests' pleasure. Mrs. McAhren had collected gifts herself for the box and a great many of Miss Clara's friends had been glad to avail themselves of the pleasure of adding to the box contents also. The result seemed like two or three Christmas' and birthdays rolled into one. The "Ohs" and "Ahs" which greeted the opening of each precious bundle were most delighted ones. Mrs. R. A. Romans had presented the bride with a table cloth and napkins and the guests had united in hemming them before the dowery box was opened. In addition to this fine gifts of linen, cluny, battenburg, eyelet and shadow embroidered pieces were in great profusion, silver, china, all useful and beautiful gifts were in this wonderful box, each gift had a good wish rom he ender, and Mrs. McAhren had decorated the outside of the box with hearts upon which was written, counsel, grave and gay.

The dining room was decorated with hearts and wedding bells, while the autumn season was accented with ripe ears of corn, upon the wall with graceful sheaves of wheat and oats, and a beautiful basket filled with fruit upon the table, Jack-o-lanterns shed a yellow light upon the pretty sight. Mrs. O. Patterson and Miss Ethel Hunter assisted Mrs. McAhren in serving a very delicious two course supper. The guests, who were invited for the evening shared Miss Clara's surprise and pleasure at the gifts they had given, that part of the box remaining unopened until they arrived.

On Saturday evening Mrs. D. W. McAhren and Miss Ethel Hunter were hostesses to a dinner complimentary to Miss Clara McAhren. No one has more perfect taste than Mrs. McAhren, and her table was a dream of pink and white loveliness. Exquisite pink roses in a cut glass vase was the center decoration, Cluny lace center piece and a doily over pink and pink candles in single sticks were used.

Each guest had a bride rose and a pink heart as a place card at her plate. The guests were Misses Clara McAhren, Lottie Rae, McHenry, Norris, Osborn, Stoner, Stevens, Gulick, Gillmor, Mertie McAhren and Meyers.

Mrs. Patterson assisted Mrs. McAhren in serving the following elegant dinner:

THE CURRENT EVENTS CLUB.

The Current Events club gave the first open program Monday night and made its maiden bow in a way that would have been creditable to an older club. In addition to each member having a guest, the clergy, newspaper men, library board, high school teachers were also invited. The color scheme was yellow and white, simple in treatment the entire effect was restful and artistic. The decoration and menu committee consisted of the Mesdames McMahon, Woodruff and McConaughy.

A very nice two course supper was served by the club members at the close of the program. A piano duet given by Mrs. McMahon and Miss Nachtmann was the opening number, which was brilliantly given and much enjoyed. An original poem was read by Mrs. James Smith, who gave full value to the wit and wisdom it contained by her excellent manner in reading it. Mrs. Carpenter was the author of the poem and it was a production of which any author might well be proud. Mrs. Carpenter was prevented from reading her poem by a severe cold. Mrs. Dr. McConaughy gave a solo in which her lovely voice was heard to fine advantage.

Hon. J. P. Conner told of his Hawaiian trip in a way which held the undivided attention of his listeners. His talk was full of information but it was given in such an informal confidential way that it did not seem a bit "guide booky."

Through his talk, Denison neighbors were able to go with him to sunny skies to visit the Enchanted Isles, to climb the mountains, gaze at the clouds below, behold the natives at work, at play, at feasting and at prayer. Judge Conner was impressed with the beauty of the Islands, with their stragetic value, but did not believe they would prove of great commercial benefit to the United States.

Without discomfort, with no loss of time, with no added expense the Crawford county buyer can go to this big store and get as good bargains and as wide a selection for all his needs, as he could on State street. It is in fact to this community what the big Marshall Field store is to Chicago. This year the big store has made exceptional preparation for the Holidays. Its special holiday lines will be by far the largest and most complete it has ever carried. The assortment will be as fine as is afforded by Des Moines, Omaha or Sioux City and the prices will be much lower. The Balle-Brodersen store as much as any one other thing differentiates Denison from its neighboring towns makes of it a city.
