A CHARTER OAK WEDDING

One of Charter Oak's Young Business Men Becomes a Benedict.

Special to Review—On Wednesday, Jan. 8th at the home of N. Vollersen and wife in Ricketts, Frieda Voss of Ricketts and Chris. Vollersen of Charter Oak were united in marriage.

The wedding was a quiet affair only the immediate relatives witnessing the ceremony. The bride is the daughter of Paul Voss and wife of Ricketts. The groom needs no introduction to Charter Oak people for he is known and liked by everyone.

Mr. and Mrs. Voss, parents of the bride, for some time have been ready to go to Portland, Oregon, but waited until their daughter was ready to become mistress of her own home.

POPULAR GIRL WEDS

Minnesota Teacher Claims Miss Edna Schultz as his Bride

We are privileged to publish the portrait of one of December's popular brides. The wedding of Miss Edna Schultz and Mr. Albert Meyer occurred on Dec. 27th at the German Lutheran church in Hanover township.

MISS EDNA SCHULTZ.

Schultz. The bride looked most captivating in a gown of fine French lawn trimmed in Valenciennes, made over white china silk. She carried a shower bouquet of bride's roses.

Mr. Meyer is well known here as one who was a popular teacher of the Lutheran parochial school. He is a young man of fine character and is advancing steadily in his chosen profession.

MAYNARD STEPS OUT

Last Republican Supervisor Yields Place to Democrat

The board of supervisor is now solidly democratic. Henry Maynard the stalwart Jackson township republican yielded his place to John Holland now of Vail. Before Mr. Maynard left the board however he made a motion in the interest of economy which will save the county \$800 a year at least.

The joke of it is however the "Watch dog of the Treasury" John Cook voted against the retrenchment. The joke is still more apparent when one learns from Mr. Maynard that Mr. Cook urged him to make the motion and gave him to understand that he would support it.

At the hearing at Sac City before Judge Powers, Mrs. Sweet and her attorney L. E. Goodwin, appeared for the prosecution. Messers Rae, Reitz and C. A. Jacobsen were the defendants there. Hans Arff did not appear.

A BAD AFFAIR.

Deloit was the scene of an affair this week which reflects but little credit upon those engaged in it. From what we can learn it seems that Mr. Jurgens of Glider visited Deloit friends and on Saturday night attended an entertainment given by the so-called "Boosters Club."

RELIEF COMMISSION

Soldiers Relief Commission Met at Court House Last Tuesday.

The state law now provides for a small tax in each county to be used to assist Union soldiers who might otherwise in their old age become public charges, or be sent to the poor house. The fund is in charge of a commission of three men, two of whom must be ex-union soldiers.

With the opening of the school Prof. Meyers succeeded as instructor by J. C. Baker of Manhattan, Ill. He is a graduate of Beloit college and been a student at the great Boston Polytechnic Institute, so is well qualified. Miss Barr takes the place of Miss Burns as teacher in English.

THEIR 25TH ANNIVERSARY

F. C. Liscomb and Wife of Boyer Celebrate their Silver Wedding Monday December 23.

On Monday December 23, Mr. and Mrs. F. C. Liscomb celebrated their silver wedding at their home north of Dunlap. At 12 o'clock over 60 invited guests gathered to pay their respects and to enjoy a splendid dinner, faultlessly served.

The Misses Marie and Hazel Liscomb had charge of the serving and added to the success of the banquet. After the meal was finished, the toastmaster, Mr. George Brace, called upon the following to respond: Mrs. M. P. Brace, "The Bride and Groom;" Mrs. Taylor Dunham, "Now and Then;" M. P. Brace, "The Dinner;" Rev. O. F. Shaw, "The Future Silver Wedding Celebrant."

The house was decorated in a beautiful and very appropriate manner. The color scheme throughout the dinner was red and white. Across the the dinner room were ropes of red hearts. On the side board was a large red heart forming the center piece, on which was placed the wedding cake, with twenty-five red and white lighted candles, which added splendor.

At six o'clock the guests departed, expressing the wish to help their host and hostess celebrate their golden wedding twenty-five years hence. The out of town guests were: Mrs. R. H. Holmes and daughter, Winona, Minn., Mr. and Mrs. C. J. Milligan and son, Sioux City, Mr. and Mrs. Ray Liscomb, Kansas City, Mrs. Matilda Hopkins, Leavenworth, Kan., Geo. M. Brace, Duluth, Minn.

NOTICE TO STOCKHOLDERS. The annual meeting of the stockholders of the Crawford County Fair Association will be held at the council chamber of the Town of Arion on Monday, January 13, 1908, at 2:30 o'clock p. m.

A WORD TO CERTAIN PARENTS

The talks on the Sunday school lessons appearing from week to week are primarily for the families where the children are unable to attend the Sunday schools, so that they may be informed as to the things which the children in the towns are studying about. With a view to finding out how many children who cannot go to Sunday school are reading the lesson comments, and to stimulate them to constant study, the editor of the column is offering a copy of the New Testament to all boys and girls between the ages of ten and seventeen who make showing of having read the talks on the lessons for three months beginning with the first week in February.

The editor would herewith return thanks to Gov. A. B. Cummins for his appointment as a delegate to the Missouri River Navigation. Congress to be held at Sioux City on Jan. 22nd. The appointment as a delegate carries with it no compensation and we have been long enough acquainted with the work of the Governor's office to know that it is not to be taken too seriously, nevertheless we are grateful for the kindly remembrance.

America has been magnificently, hilariously extravagant. She is young and has been sowing her wild oats, if young ladies can be accused of so doing. She is just coming to her senses about some things, and one of them is the conservation of her splendid waterways. In some countries rivers not much larger than the Boyer would be made of use, in America the tremendous Missouri is allowed to go to waste.

Besides all this, Sioux City is such a jolly, jovial, town, wide open in its affections, their cooking is so good, and their fellowship so fine that we shall allow them to "entertain us royally" if we can possibly get away.

But the strongest point about Scott's Emulsion is that you don't have to be sick to get results from it.

It keeps up the athlete's strength, puts fat on thin people, makes a fretful baby happy, brings color to a pale girl's cheeks, and prevents coughs, colds and consumption.
