There's a Difference in SPICES

Some are pure—most of them are adulterated. But how are you to distinguish between pure and impure? If you buy in bulk, you can't. If you buy a package of

you are sure to obtain Spices that are absolutely pure and are guaranteed pure. It's economy to buy pure goods always, but when the pure costs no more than inferior stuff it's double economy to buy the pure. TONE'S SPICES represent double economy.
