The carpet men have been rushed with work for the past week. Owing to the wet weather however, it was impossible to do work quickly. All patrons are satisfied and so call up phone 497 and put in your order also.

The Menagh Co. has put in a modern cash carrier system in their new store and it was put in use this week. This will prove a great convenience for the clerks. The firm is waiting for the steel to use in putting in a new front on Broadway. A staircase will be put in giving the rooms on the second floor a direct outlet to the street. This will be a decided improvement.

There was considerable excitement at the Northwestern freight depot one forenoon last week. While some switching was being done on the track north of the depot a timber fell on the rails causing a freight car to jump the track and crash into the platform damaging it extensively. Drayman Pearson's team standing near was frightened and made a jump breaking part of the dray and damaging the harness. All the damage can be repaired, but for a time there was considerable excitement about the depot.

# If You Want to Save

A good sum of money and get a fine Piano also, you had better get E. C. CHAMBERLIN, THE JEWELER to quote you prices.
