WALKING ON A WAGER

A Man Passes Denison Who Says He is Walking from New York to Frisco

On Monday forenoon a tall man of fifty-two was in Denison who claimed he was engaged in walking from New York to San Francisco to win a bet of \$5 000. He gave the name of John Walsh, and was looking about for the mayor, postmaster, and newspaper publishers, to sign a book noting his presence in the city. He wore the uniform of a soldier and carried an American flag. Walsh says he makes fifty and sixty miles a day and is now ahead of his schedule so that he seemed to have plenty of leisure about town. He evidently is having a good time seeing the country and attaining to considerable notoriety. He did not get out of town until after dinner.

OXFORDS FOR EVERYONE

New Spring Styles for Men, Women and Children

Have already stood the test of inspection at our store and sales indicate a generous appreciation of the kind we are offering. (Make a point of seeing them, if only to know what will be smartest later on.)

Men's Oxfords The most attractive line we have ever shown as regards style and patterns. All the popular kinds in all suitable leathers, especial attention being given to the ankle fitting qualities, an essential feature in an oxford shoe.

Ladies' and Children's Oxfords That show individuality of character, exclusiveness of style an aristocratic appearance, all the points necessary to make the foot pretty and shapely, one finds in our stock in abundance. The Spring models are now being shown, the new toes, new heels, the new styles in every particular, will appeal to the careful dresser.

Prices range \$1.50 to \$4.00 per pair

Ladies' Shirt Waists

The new waists for this season's showing are most attractive.

"Is this to be a shirt waist spring?" inquired one anxious woman the other day. It certainly is—and decidedly a shirt waist summer, too. Makers of these delightful garments have produced an exceptionally large number of new designs, this spring, and our showing has attracted wide attention. It certainly never was more complete, and the models shown here are generally exclusive. The new waists shown represent the styles that are proving most popular in the East. The strictly tailored waists are in the forefront on account of the specially pleasing lines. Whatever your want may be in the waist line you will please yourself immensely, both as regards the waist and the price, if you will visit our department on the second floor.
