## WERE WAITING AT THE CHURCH

GUESTS AWAIT WHILE WEDDING PARTY IS STUCK IN AUTO

## THE BRIDE SMILES SERENELY

Popular Young People Finally United in Solemn Ceremony at Catholic Church

On Tuesday, June 30th, occurred the wedding of two of our county's justly popular young people, Mr. James Duffy of Vail, and Miss Stacy Denahy of this city. The marriage was to be up to date and the wedding party left the home of the bride's sister, Mrs. Joseph Hederman, to repair to the church. Mr. Boylan

MRS. JAMES DUFFY.

acted as chauffeur of the joyful party, but they had counted without reckoning on the bad roads and the big red car was soon stuck in the mud. It was stuck firm and fast and it seemed as if the beautiful gowns of the bride and bridesmaid were to suffer, but finally the party was rescued by team and arrived at the church an hour and a half late.

It speaks volumes for the sweet tempered groom that he came in looking as happy as could be and the bride smiled as serenely as if Boyer valley mud did not exist.

The ceremony was a pretty one. The charming bride was beautifully gowned in white, princess style and wore a veil and carried a shower bouquet of white roses. Miss Mollie Foley, of Clinton, acted as bridesmaid and Mr. J. F. Denahy, of Sioux City, as best man. After the ceremony a delicious wedding breakfast was served at the home of Mr. and Mrs. Joseph Hederman and then the happy young people left for a brief honeymoon journey via Omaha to Kansas City and Chicago.

Mr. Duffy, the groom is in the hardware business at Vail and has proven himself to be a young business man of ability, energy and integrity. He has a wide circle of friends who congratulate him upon the delightful bride he has won.

The bride is one of the brightest, most lovable and most capable of Crawford county girls. For a number of years she was the one who made a bright and happy home for her aged parents and in this she showed herself to be faithful, true and loving. After their death she made her own way as stenographer and bookkeeper. In all that she undertook she was successful and she gained the respect and confidence of all who knew her. We are glad that Mr. and Mrs. Duffy are to remain in this county and we join their host of other friends in wishing them every happiness in life.

Mrs. J. F. Moenk and son Carl have gone to Maquoketa where they have bought a restaurant business. Carl is a bright, energetic young man. He has many friends in Denison who wish him the best of good fortune at his new home.

The spirit of improvement has struck the north part of town. Mr. Rachwitz and Mr. Julius Balle are both building handsome homes in that locality; Mr. Herrig's home is not long completed, good cement walks have been put in this week in front of residences owned by Messrs. Meggers and Faul and occupied by Mrs. Paup, and the residence where Chas. K. Meyers lives given a painting which decidedly improves the appearance. Soon it is expected that Dr. Simpson will put in his walk, and when a street light is in to show grocer Lyon the way home, things will be quite "ship shape."

## HOTEL LEASE FALLS THROUGH

NEGOTIATIONS WITH MINNEAPOLIS PARTIES AT A STANDSTILL

## THE DIFFERENCES ARE SMALL

And it is Thought that Dunn and Sons will Soon Complete Lease of the Big Hotel

Messrs. Voss, Naeve and Scriver who were a committee of the stockholders to arrange a lease of the new hotel with W. F. Dunn and Sons, of Minneapolis, have returned from a visit to that city with the report that at the last moment minor differences prevented the completion of the lease. Mr. Naeve tells us that the matter is still open and he has faith that within the next twenty-four hours the deal will be finishing up. Mr. Dunn and his sons are experienced hotel men. They have sufficient capital to carry through their project and they have high ideals of the manner in which such an hotel should be run. Business men of Minneapolis speak of them in the highest terms and there is no question but that in their hands the Denison Hotel could be one of the very best in Iowa. The difference between the parties is only a detail as to the furnishing.

At a reasonable rent such as the citizens offer the building, there is no question but that a good hotel can be made to pay the proprietor a fair profit. Denison has good railroad facilities. It is the finest hotel building from Council Bluffs to Cedar Rapids on the Northwestern and to Dubuque on the Illinois Central. It will undoubtedly attract trade from commercial travelers all over this part of Iowa. It will be a finer hotel than can be boasted by Fort Dodge, Boone, Waterloo or Marshalltown.

## A BRILLIANT PIANIST.

Denison Visited by Miss Weber a Superior Artist.

Miss Henriett Weber, a pianist of eastern reputation, gave a most entertaining piano concert at the opera house last Wednesday evening under the auspices of the Episcopal church.

Miss Weber won her way into the hearts of all by her unassuming and graceful manner, when she first appeared and gave an explanatory talk on her first group. After her first number we knew her to be a true artist. Whether in the difficult "Ciacovienne Fantasia" by Paderewskie, the "Carnaval Mignon" by Schutt, or Chopin's sad "Nocturnes," she lacked nothing in correct interpretation, perfect technique, and temperament. In the "wedding march and dance of the Elves from 'Midsummer's Night Dream,' by Mendelssohn-Liszt, her brilliant execution and skillful technique seemed almost phenomenal, and although it was the last number on the program a storm of applause greeted her and she was obliged to respond to an encore.

We have heard nothing but words of highest commendation and praises from music lovers all over Denison. One musician said "To hear her is not only a glorious opportunity but an honor and a privilege as well."

Should this artist ever visit Denison again we are sure the house would be packed.

## THEY RECEIVED \$2,000

The Parents of Joe Hird Receives His Insurance from Modern Woodman

Joe Hird, whose death stirred our community so, was thoughtful enough to have a policy of insurance in the Modern Woodman of America and on Tuesday of this week an order came on C. H. McNider, of Mason City, authorizing him to pay two thousand dollars to Mr. Hird's mother. The policy had been kept up for the past two years by his brother Isaac of Manilla. The man who is yet young enough to get some insurance, and does not do so, is not treating his family right. The money coming to the Hird family will pay the expenses of the son's sickness, and leave some for the aged parents. This thought was without doubt comforting to Joe, whose brain was active to the end.

Mr. Herman Schultz came to town with the family carriage at six on Tuesday evening from his home up in Manilla. His daughter, Miss Wiess was in the party on her way home to Fort Dodge.

## PAT'K GRAINGER PASSES AWAY

VENERABLE PIONEER CITIZEN ENDS A LIFE OF GOOD DEEDS.

## FUNERAL LARGELY ATTENDED

Many Friends Beside Large Number of Children and Descendants Join in Mourning

Patrick Grainger, for years one of the most notable figures of Paradise township, is no more. He was big hearted, kindly, strong in his convictions, steadfast to his church, loyal to his party, true in every relation of life. He was one of the pioneers whose impress has been left in the annals of Crawford long to be remembered.

MR. PATRICK GRAINGER.

His sturdy sons and daughters and the patient, loving wife who for more than fifty years was his devoted helpmate have our sincere sympathy. We present a portrait of this strong character whose memory will be kept green in many hearts.

Patrick K. Grainger was born near Ennes Kileen, Fernanagh county, Ireland, on May 10, 1832, and departed this life June 23, 1908. The deceased had been a sufferer for several years. Death was caused by diabetes. At an early age he emigrated with his parents to Canada where they settled at Kingston, Ont. He attended school and college until he was sixteen years of age. After that he taught school for five years.

While at Amherst Island, he met Miss Amanda Wemp whom he married, Feb. 24, 1857. To them eight children were born, viz Mrs. Michael Flahive, deceased, Mrs. Marion Cole, of Dow City; Mrs. J. C. Grandy, Warsaw, Ind. Mrs. John Clarey, Casper, Wyo.; Charles, Edward, Allan and Andrew of this county. Mr. and Mrs. Grainger were permitted the rare pleasure of celebrating the fiftieth anniversary of their wedded life February 24, 1907.

In 1881 he came to Crawford county and settled on a farm in Paradise township, which has ever since been his home. Mr. Grainger held various school offices in this township and was a sympathetic friend of the teachers whom he met. He was always a helpful neighbor and lived a sober and upright life. He was an invalid during the last three years of his life. His faithful devoted wife was constantly at his side trying to alleviate his suffering. His sons, Allan and Andrew, who have lived with him during his last years have been loyal. The funeral services were held at St. Rose of Lima's church in Denison on Friday morning, Rev. M. J. Farrelly officiating. The pall bearers were old neighbors and friends of the deceased, M. Gaffey, L. Gaffey, W. Purcell, W. Flaherty, W. Bauman and F. Finehold. Interment was made in the cemetery north of town.

Gasoline Stoves cleaned and repaired. J. G. Wygant.

Rev. Marion Johnson, of Sioux City, will preach in the M. E. church Sunday morning, July 5.

Lack of space compels us to omit an excellent account of the Sunday school convention at Manilla. It will appear next week.

There is to be another base ball game here on Friday next. Denison has a good home team and our citizens ought to give the games here strong support.

Col. George Wright, who has been with his wife at Vail for some months has gone back to his home in Denver to attend the big convention and meet a number of acquaintances who will be there at that time.

## WEDDING IN SOLDIER TOWNSHIP

Daughter of Mr. and Mrs. Neal is Wed.

In Soldier township at the home of the bride's parents, Mr. and Mrs. A. F. Neal, on June 24, occurred the marriage of their daughter, Claudie Belle to Mr. S. C. Spotts, of Battle Creek, Iowa.

Promptly at 4 o'clock in the presence of relatives and a few near friends, the bridal pair assisted by Miss Gracie Neal, as bridesmaid and Mr. Earnest Reinke as groomsmen appeared on the front lawn in the shade of the tall trees, where Rev. Winn of the First Presbyterian church at Charter Oka, Iowa, pronounced the ceremony which made them man and wife. The bride was attired in a dainty white gown and carried a bouquet of white roses. The groom wore the conventional black.

After the marriage ceremony and both bride and groom had received congratulations from all those present, they and their guests repaired to the dining room where they partook of a bounteous wedding supper which had been prepared by the mother and sisters of the bride. The bride is the third daughter of Mr. and Mrs. Neal. She was born on the banks of the Missouri in South Dakota, but when five years of age she with her parents came to their present home in Soldier township, where she has grown to womanhood and won the esteem of all who knew her.

The groom is the son of Mr. John Spotts of Ida county. He is an industrious young man of good habits, and no doubt will be a good husband for the charming bride. They will make their home in Battle Creek, where the groom has a house ready to go right to housekeeping.

## IS A SPLENDID FINE MUSICIAN

Clinton Man Becomes Proprietor of the Main Street Jewelry Store

J. W. Barborka, of Clinton, has purchased of Dr. L. M. Coon the stock of the Main Street jewelry store. Mr. Barborka is an Iowa City boy and as a young man was well known to a number of Denison people. His father under whom he learned his trade was one of the best known men in his line in Iowa. He was not only a watch repairer, but a watch maker and a builder of tower clocks. The entire family is musical and in our student days we remember that the Barborka orchestra was the standard all over eastern Iowa. Mr. Barborka is an expert on the violin and on the harp and his beautiful \$800 instrument will be an innovation which Denison people will greatly enjoy. Mr. Barborka appears to be an energetic young business man and he will be welcomed to Denison business and musical circles.

His family is with him and will soon be settled in a Denison home.

## GOES BACK TO OLD TRICKS

Chet Lyman Helps Rock Island as Dining Car Conductor During Denver Rush

Chet Lyman obeyed the call of the wild and left Denison Monday to go back to his old life as a dining car conductor for one time only. The Denver convention has created a big rush for the western railroads and Mr. Lyman was impromptu to help on the Rock Island system. We are informed that he has been given charge of the dining car on the democratic special bearing the Ohio delegation. Chet is so safely grounded in republicanism that there is no danger that the Bryanites will convert him.

Mrs. Lyman will visit at Hutchinson, Kansas, while Chet is on the road.

## A CARROLL MUSICIAN SUICIDES

Charles Egermeyer Widely Known Orchestra Leader Cuts His Throat

Carroll, Iowa, June 30—Charles Egermeyer, widely known in central Iowa as an orchestra leader, cut his throat at the home of his father here yesterday. His dead body was found by his mother. Egermeyer had been ill for a longtime and despondency lead him to take his life.

Charles Egermeyer was well known throughout this county as the Egermeyer orchestra has played in nearly every town in the county on many occasions. He was a bright attractive young man and made friends everywhere. His family will have the sincere sympathy of the many who knew him.
