### Paints.

Little paints for little odd painting jobs here and there about the house. We have a full line of paints and interior finishes for little places here and there about the house that have turned up during house cleaning. Each one is adapted to a particular purpose and performs its own part toward beautifying the home. They are all put up in convenient size cans, no matter how small the job. A little touch of paint here and there and house cleaning is accomplished with little time, little labor, little expense.

### Screen Doors.

The man who appreciates his home is the man who is protected in his home from flies and mosquitoes by our celebrated low priced screen doors and windows. Don't deprive yourself of the comfort and sanitary benefits afforded by screens when you can screen your house for a little money.

### Alaska Refrigerators.

Alaska cleanable refrigerators actually save ice. They cost just about the same as the ordinary sorts, and only a little more than the really poor ones. The difference in the ice bill pays for them. There are no places in the Alaska that are not easily cleaned—no mold, no dirt accumulation. All the inside parts easily removable.

BUILDERS HARDWARE A SPECIALTY

### Haying Tools.

Essentially quality should be the principle consideration in purchase of haying tools. In the lines we carry quality is always permanent. Our stock has been replenished and we are abundantly able to take care of unusually large business this season. Forks of every description, scythes and hay slings and the celebrated

### Ney Hay Fork Carrier and Track

which stands pre-eminent as the best made. None other just as good so insist on getting the NEY.

### Jersey Ice Cream Freezers.

Make cream quickly. Hot weather makes ice cream a tempting dainty and if you have a Jersey freezer, you will find the making of it an easy matter. The quickest working freezer and the simplest. Come in and we will tell you all about them. Prices quoted on request.

### Perfection Blue Flame Oil Stoves.

We have 'em. We have just received the largest shipment to date of these splendid stoves, the ideal cookers, especially so during the hot season. They surely fill the bill: safe, simple, satisfactory, intense heat, focused where you want it, not diffused all over the house. Oil is cheap fuel when used in the **Odorless Perfection**, a few cents does the day's cooking. And just a few dollars buys one. We solicit inquiries, will show different styles and the prices we will quote will interest you.

### Aluminum Kitchen Utensils.

Wherever aluminum ware is the best; we carry a complete line of it—all the different items in each size—the prices are comparatively low, when you consider how pretty it always looks, how durable it is and how light its weight.

### Garden Hose.

The so called cheap hose is conspicuous by its absence at this store. There is a difference in rubber, treader, and the difference is in your favor when you buy here—because we know just what and when to buy. There is a world of satisfaction in the steady dependable hose—the kind that will stand good use. The kind that distributes the water from the nozzle only, not from a dozen unexpected sources—don't worry about the price. It is right for you.
