No. 35

BROKEN HEART CAUSES DEATH

ALFRED LARSON WELL KNOWN TELEPHONE
MANAGER FOR THE IOWA COMPANY

DIED ON YESTERDAY IN KANSAS.

Strain of Lifting Heavy Telephone Pole Breaks
Valve of Heart. Funeral Services to
be Held Here.

This morning came the sad news of the death of Alfred Larson until recently the popular manager of the Iowa Telephone exchange in Denison. He also had a wide territory of line under his jurisdiction and he was well known throughout Harrison, Shelby, Carroll and Crawford counties. Death was not unexpected as he had been failing for some time and physicians considered his case as hopeless. A number of weeks ago he resigned from the employment of the company and recently he went to Phillipsburg, Kansas, in the hope that a change and rest might do him good. He got no better however, and last week his faithful wife and her little children went to Kansas to join him.

The cause of his death was heart disease complicated with dropsy and the weakness of his heart is said to date from a strain which he received while lifting a heavy telephone pole. The strain was too much for the valves of the heart and he never regained his strength. In fact from the day of the accident he was a doomed man. Until but recently however, he was about our streets trying to be cheerful and taking his usual interest in his friends and in his work.

Alfred was a kindly, honorable, straightforward young man. He was faithful to the interests of his company and gave to his work the best that was in him. He took pleasure in out-door sports and last year was one of the ring-leaders of our base ball enthusiasm and this year he was elected manager of the team. He was prominent in the work of the Red-men. He liked the order and gave it time and attention, and it is only fitting now that one of the order has gone to Phillipsburg to represent his fellows of the Denison Tribe.

Alfred J. Larson was born in Nebraska, June 24, 1882. He was

early left to shift for himself and for several years he found a home with Mrs. Lottie D. Ley and attended the Denison schools. He started to work for the Iowa Telephone Co. in 1900 and shortly after was made manager of the Denison exchange.

On April 6, 1903 he was married to Miss May Winters and, to their two children were born, Charles, aged three and Una, aged one year. He took the greatest pride in his home and wife and little ones and his married life was ideal. He leaves a brother and a sister. His parents are buried in the Denison cemetery and it is thought that his remains will be brought here, but as yet nothing has been heard as to any funeral arrangements. He died on yesterday afternoon, August 25th, at the home of Mrs. Larson's mother, Mrs. I. M. Weaver, near Phillipsburg, Kansas. The heart of the community is wrung with sorrow for this bright man who made his way so faithfully in the midst of many trials and sorrows which would have defeated a weaker spirit. To the wife and to the little ones the sympathy of all our people is extended.

J. P. Jones has returned from a business trip to South Dakota.

John Carey is fixing up his building east of the opera house for a skating rink.

Mr. and Mrs. Councilman, or Lemars are guests at the R. A. and Lewis Romans home this week.

Miss Hazel Nash has returned from a two month's musical course in Chicago. She expects to teach during the coming year.

Go to the Salomon Furniture Co's cut price sale on Saturday the 29th. Here is your chance to buy rockers, couches, dining room chairs or anything you want in the furniture or carpet line.

Mr. A. H. Miller was called to Sioux City this week by news of the death of his little grand-child, the only son of Mr. and Mrs. Fred Miller. It is almost needless to say how deeply we sympathize with our boyhood friend in the loss of his only son.

Carl Richardson has had the management of the Iowa Telephone exchange here since the illness of Alfred Larson. He has given the best of satisfaction to the patrons and there is a very general desire that he should be retained permanently. We hope the company will decide to do so.

EXTRA SESSION OF LEGISLATURE

CALLED BY GOV. CUMMINS TO AMEND
PRIMARY LAW.

WILL CONVENE NEXT MONDAY.

Proposed That Republicans Shall Cast Primary
Vote for Senator at the November
Election.

The peace fight held at Des Moines yesterday amounted to very little. Gov. Cummins transacting the business of the body by announcing a call for an extra session of the legislature to convene on Monday, Aug. 31st, for the purpose of considering an amendment to the primary election law which shall provide for an expression of choice between candidates for the senate of the United States at the general election, in the event that the choice of any political party for senator in June primary becomes unavailing by reason of death or otherwise.

The extra session will be expensive but we agree with the Governor that it will be worth the money to the republicans of the state. The amendment will probably be fought by the democrats in the legislature as it will doubtless result in more harmonious action and a larger vote on the part of the republicans.

Gov. Cummins, Congressman Haugen, Congressman Smith and ex-Congressman Lacey are spoken of as candidates, while it is altogether probable that Secretary James Wilson will be a candidate before the campaign has progressed to any great extent.

WID WEARS DIAMONDS

Pythian Friends of Wid McAhren Present Him
With Handsome Stone.

On Saturday night the Pythians friends coralled D. W. McAhren at the city hall. J. H. Mahoney presided and Prof. W. C. Van Ness presented Mr. McAhren with a beautiful diamond pin. Wid. responded feelingly and a number of the Knights spoke words of loving farewell.

Mrs. D. O. Johnson is an Omaha visitor this week.

REV. THURESSON LECTURING.

Denison Gains Further Laurels By the Ad-
dress of Rev. T. E. Thuresson.

Those who have listened to the sermons of Rev. Thuresson and heard him on the lecture platform are not surprised to see that he gave his hearers much satisfaction when addressing popular gatherings in Story county recently. In the Slater News of August 20th, we find the following comments on the address of Rev. Thuresson at Slater:

"Following vocal selections and band music, Rev. Thuresson, of Denison, was introduced and gave the principal address of the day. Great things had been expected from the speaker and he came up to expectations, giving one of the best addresses that has been heard in Slater for some time. Besides being a scholarly one, full of interest, it had a vein of humor so broad that the speaker could not be dry if he wanted to. It was probably one of the best addresses ever given before the association.

In the afternoon, Mrs. Anna B. Winslow, the army nurse, gave an address in keeping of the occasion. Rev. Thuresson being on the platform, he was again called for and responded in the happy manner that characterized his address of the forenoon. It sparkled with wit and humor and was highly appreciated.

Rev. Thuresson fairly captivated his audience. That his address was appreciated was evidenced from the fact that he has already been engaged to speak at the reunion at Story City a year hence. The Nevada contingent were also so pleased with him that they immediately secured him to deliver the memorial address at the county seat. Slater evidently picked up a find."

Rev. Father Farrelly, of Carroll, and Rev. Father Murphy, of Vail, attended the picnic yesterday.

Mrs. Art Jordan, of Dunlap, is spending the week in Denison.

Miss Garrett, daughter of Prof. Garrett, of Sac City, is the guest of Miss Sybil Woodruff.

Mrs. Wm. Brandt returned this week from a delightful trip to Germany. Her many friends welcomed her back most joyfully and she is kept busy telling of the scenes at the old home.

HOTEL WILL OPEN PROMPTLY.

PURCHASES MADE FOR FURNISHING DENI-
SON'S HANDSOME HOSTLFRY

ALL PREPARATIONS BEING MADE

Everything Will be of the Finest and Denison's
Hotel will be as Good as the State
Affords

The Dunns have taken hold of the hotel project in earnest. Everything is being pushed just as speedily as possible and it is confidently hoped that September 15th, will see the new hotel open to the public. The Dunns have high ideals as to what a hotel should be and they will give us as good an hotel as can be found in all Iowa. During the past week the new manager, together with a committee consisting of Geo. Naeve and J. E. Balle, went to Chicago and there made their purchases direct from the wholesale houses. Mr. Naeve is greatly pleased with the result of the trip. He tells us that not only were they able to secure the very best of everything but they were able to buy very cheaply as no middleman's profit was paid to anyone and the large quantity they purchased secured the lowest of prices.

It was the excellent good fortune of the hotel to be able to engage a fine German chef, who has been in way up hotels in the east, so the department under his charge will open well. We might add that the hotel has fifty guest chambers, is heated by steam, hot and cold water in each room, is wired for a telephone in every room, and baths are found every where convenient. The main floor great rooms are elegantly papered, painted and decorated. The lobby has a tile floor. As a whole it is something every citizen of the county can be proud of.

Old Settlers Picnic next Tuesday.

An excellent article, written by an old friend of the Review is crowded out of this issue because it will keep while the news of the day will not. The article is in support of Hobson's view and advocates a larger navy. We would advise all our readers to look for it in our next issue and to consider carefully the arguments raised.

CATHOLIC PICNIC A SUCCESS

Net Receipts Over Four Hundred Dollars---
Country Boys Defeat Townies at Base Ball

The picnic given yesterday by St. Rose of Lima parish was a great success in every way. The gross receipts were \$550 and, the proceeds were over \$400. Splendid meals were served at noon, in the evening and after the dance at the opera house. The crowd was large and devoted itself to having the best possible time.

The Base Ball Game

The most exciting event of the day was the ball game. Both sides played more like veterans than amateurs and at the beginning of the ninth inning the score was one to nothing in favor of the city dudes. But the ninth inning proved fatal to the linen collars. In the first half through strong batting and a series of errors the country boys raked in three runs and in the last half the townies were able to bring in one score so the game ended three to two in favor of the country boys. Muir umpired the game. Hoffman and Hink was the battery for the town boys and Purcell O'Connor and Purcell held the points for the country nine. Jerry O'Connor was the star of the game.

The dance in the evening was well attended and Rev. Father Farrelly and the ladies of the church are to be congratulated upon the successful day. Below we give the list of prizes in the contest:

Boys race 5 to 10 Paul Gary, suit of clothes.

Egg race Mary Jane McCarthy, pair of shoes.

Married woman sledge throwing Mrs John Haugh, one-half dozen spoons.

Girls race, 5 to 17, Josie Kinney, fall hat.

Boys sledge contest, Ed Ahart a hat.

Ladies race, 21 yard dash, Beatrice Lally, parasol.

Old men's race, 21 yards, Mr. Flahive, side of bacon.

Young boys race, 21 yards, George Hoffman, a whip.

Men's broad jump, Jim Collins, sack poultry food.

Baby contest, Marguerete Mullin, box of ribbon.

Lewis Servoss No. 127 secured the buggy.

Bryan Houlihan, No. 6, secured the quilt.

County convention next Saturday.

Wizard Flour

makes good bread at all seasons
of the year
