

# A CHARMING YOUNG MOTHER SAYS:

"I  
Want  
To  
Recommend  
Pe-ru-na  
To  
Mothers."

MRS. E. W. BROOKS.

### Weak, Exhausted, Pe-ru-na Gave New Life.

Mrs. E. W. Brooks, 5115 S. Steele St., South Tacoma, Wash., writes: "I want to recommend Peruna to mothers. When my little girl came, I felt very weak and exhausted, and it seemed that I could not regain my strength. "My mother bought me a bottle of Peruna, after I had tried several other much advertised remedies without relief. I had little faith, as I was very weak, but within a week after I had commenced taking Peruna I was like a different woman. "New life and vitality seemed to come each day until in a few weeks I was in fine health and a happy woman. Thanks to your splendid medicine, I have enjoyed good health for several years. I always keep Peruna on hand, as a few doses will set me right when I am feeling badly."

### Catarrah of Ears.

Mrs. G. W. Heard, Hempstead, Texas, writes in regard to her son Carl: "My son's ears had been affected since he was a baby. He seemed to have risings in his head. He would be very fretful for several days, then his ears would run profusely what appeared to be corruption. "The last year I thought he had almost lost his hearing and had a local physician treating him for about six weeks. People Who Object to Liquid Medicines Should Buy Peruna Tablets
