# FOR A GOOD MOTHER

**Salomon Furniture Co.**  
DENISON, IOWA

Mother ought to have the best Christmas present you can afford to buy. She will appreciate your thoughtfulness and affection. Home will be a little brighter and meals a little better and the fireside a little cosier if Santa Claus remembers Mother.

If Mother should select her gift herself it would be something useful and practical and probably for the use of the whole family. She doesn't want any gew-gaws or jim-cracks. She wants something substantial, something that will help in her daily work, (she has lot to do) or something that will be a comfort and a thing of beauty in the home the year around.

That is where we come in with Christmas suggestions.
