Scott's Emulsion of Cod Liver Oil is the means of life and enjoyment of life to thousands: men, women and children. When appetite fails, it restores it. When food is a burden, it lifts the burden. When you lose flesh, it brings the plumpness of health. When work is hard and duty is heavy, it makes life bright. It is the thin edge of the wedge; the thick end is food. But what is the use of food when you hate it and can't digest it? Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.
