Bert Hester and family had a narrow escape from fire last Tuesday morning. It is not known how it originated, but it is thought that it was caused by the head of a match striking some combustible material. The family had just got up and gone down stairs, all except the little boys. Presently he came down and said there was a fire upstairs and when they went to go upstairs the smoke was so bad they could not. They telephoned to neighbors and were forced to break a window upstairs to get at the fire which was put out with a bucket brigade. Nobody hurt and the only damage was to the walls, floor and some furniture of one room. It was a lucky escape.

The angel of death has again been in our midst and borne away the soul of one of our oldest and best respected citizens, John Dee. He passed away at the family residence at four o'clock in the afternoon, Jan. 8, 1909. Mr. Dee was born in Clare county, Ireland, in 1835. He moved from Ireland to Canada, where he was married to Bridget McMahon. Immediately after which they moved to the United States and settled on a farm a few miles south of Buck Grove, where they resided until 1898, when they sold their little farm and built them a little home in Buck Grove, where they have remained ever since.

Mr. Dee has been a great sufferer for many years from rheumatism, which incapacitated him for work, and so was unable to accumulate much of this world's goods, but his friends were legion. No one was ever heard to say an unkind word about him and with all his trials and suffering he was never heard to utter a complaining word. He was a devout Catholic and the funeral services were held at Denison Sunday morning. Rev. Father Farrelly celebrated mass, after which the remains were buried in the family lot, he purchased in the Catholic cemetery last summer. He leaves to mourn his loss an aged wife, whose lot will be particularly lonely as she has no near relatives living. She should have the sympathy of all.
