There was a very pleasant party at Fred Paulson's Friday. It was given for a farewell, for this estimable family expect to move to their farm in South Dakota in a couple of weeks. We regret exceedingly to lose Mr. Paulson, but hope he will meet with continued success in his new home.

Sidney Bonney left Monday for Portsmouth, Iowa, where he has rented a building and will open a barber shop and go in business for himself. His friends all wish him good luck in his new venture.

Mr. Neubaum is thinking very seriously of building a hall in town to be used for dances, entertainments and town meetings. A room of this kind is badly needed and would no doubt be a good investment. As it is, there is no place of amusement for the young people, of whom we have a great number, as is shown by the crowds that are in evidence here every time there is a picnic the fifteenth of August and a large number of people in town, means business for everybody. It would not be a bad thing for some of our influential farmers to form a stock company with Mr. Neubaum and build a good large hall that will prove a good investment for money from which early and big returns may be expected. Think it over good people and see if it cannot be managed in the near future.

Mrs. Olaf Petersen is enjoying a visit at her home in Illinois. Her sister, Mrs. Fred Downs, who used to live here went with her. They took part in a family reunion at the parental home.
