

# Maxwell Cars

## The Car for Crawford Co.

Let no one argue against your better judgment because his line doesn't include what you want. You know what type of car will satisfy your needs, do not change your decision. You will find what you want in the motor market.

The standard automobile of America will be a car whose cost and maintenance is commensurable with the pocket book of the average citizen. It is on these lines that the Maxwell cars were and are still being built and sold. And not on some would be automobile salesman's statement. Who in nine cases of every ten knows less of what a real automobile is than the buyer himself. Every Maxwell car is designed by Mr. Maxwell, whose conception of the Thermo-Syphon cooling system, unit construction, multiple disk clutch, three point suspension, are today widely imitated by motor car designers, worthy of the Maxwell name in their absolute reliability, extreme economy and surety of perfect satisfaction. These cars are yet most simple of control, so simple that any model can be manipulated perfectly by any lady driver.

### There are Reasons

why you should buy a Maxwell a few of which we wish to call to your attention. These reasons are all of vital importance to you. Because they affect not only your comfort and your safety, but your pocket book as well.

Because, "Maxwell" Combines all that is Good and Desirable in Automobile Design and Construction.

A reputation so world wide as to make the name Maxwell a household word with every motorist is not earned by a single effort, nor quickly given by a free-handed and generous public. It has been deserved and attained by a constant realization of the aim to produce The Best Motor Car.

Because it is the Most Accessible Car with a Powerful Motor Capable of Propelling the vehicle over any road.

Placed in front in a position so reachable that any part of its mechanism may be instantly exposed for inspection or adjustment with parts so few it is impossible to overlook the wants of the engine.

Because it is equipped with the three point suspension of the Motor and Transmission.

Eliminating the effect of all stresses set up during the car's service. Engine case and transmission case being a unit, suspend from only three points retain their perfect alignment throughout the life of the car.

Because its Multiple Disk Clutch is a Marvel of Perfection and Safety.

Steel disks with a friction surface of more than 600 square inches are incased in transmission housing together with transmission absolutely dust and oil tight and running in oil. Oil being supplied from same oiler which oils the motor, which eliminates all possible chance of neglecting the oil in the clutch and transmission.

Because of the Thermo-Syphon system for Cooling the Motor.

The only automatic and absolutely infallible system of engine cooling. Requiring no pump it requires no packing and no repairs since it cannot get out of order there is no possibility of a failure.

Because it has a Metal Body.

unshrinkable, unwarpage, everlasting metal bodies cost more to make but they give the user more satisfaction and we all know that a satisfied customer is our most valuable asset in any trade.

Also the REO The best 2-cylinder chain driven Car the World has ever known and only \$1050.00

#### KIRON ITEMS

A most pleasant and sociable surprise was tendered to Emil Lundell at the very cozy home of his brother, Richard, on Friday evening. As Emil will soon leave for his claim in Dakota, friends and relatives to the number of thirty gathered to spend the evening with him. The participants are unanimous in their report, that it was one of the most enjoyable affairs they had attended.

John Bilsten of Stevens county, Minnesota, is visiting with relatives and old friends in Kiron and Ida county for a couple of weeks. John is not stuck greatly with the part of Minnesota that he resides in. He has spent four years farming, but has not harvested a crop. He said, however, he is going to stay there until he gets a crop.

Miss Della Linman came home last Friday to attend the Silver wedding anniversary of her parents and to spend over Sunday returning on Monday.

Lars Peterson is reported to be very sick and falling at the home of Nels Johnston. As he is so far advanced in years his recovery is not looked for.

Some nineteen cars of stock were loaded here Saturday night and sent to Chicago. We are informed that fifty cars makes up the number that were shipped on Saturday evening from Kiron, Schleswig and Ricketts.

Rev. A. Rosen of Chicago, who is at present traveling as missionary in Iowa spent several days last week in Kiron, preaching at the Baptist church Sunday, morning and evening.

Next week we shall tell about the Silver wedding anniversary celebration of Mr. and Mrs. August Linman at their home east of Kiron, as time forbids us to give the write-up this week, prior to marking our news budget.

Rev. Edward Olson of Minnesota, preached at the Mission church last Sunday evening. He used to spend some time in Kiron, several years ago and has many friends who were pleased to listen to him and again meet with him.

Mrs. G. A. Norell entertained the Ladies' Aid circle at her pleasant home on Thursday afternoon. The attendance was very good.

Mable Larson came down from Odebolt on Wednesday afternoon to visit and spend the evening with a friend who departed from Kiron on Thursday. She remained a couple of days as the guest at the home of Mrs. Hanson Carlson. Her visits to Kiron from now on will not be near so pleasant as there will be some one missing.

The Peoples Party held their caucus on last Monday evening at the home of C. J. Johnson and placed the following nominations for the offices to be filled at the coming election: for mayor, Elmer J. Hoaglund; for councilmen, C. J. Johnson and Gust Sanders; for assessor, Maurice Sjogren for treasurer, John Cedargren.

The mayor has proclaimed an election to be held March 29 when a mayor, two councilmen, assessor and treasurer for the town of Kiron will be elected. Make up your mind who your choice is to be, then go to the caucus and work to get them nominated and then on election day do your best to get them elected and then kick yourself if you are not satisfied.

A most pleasant wedding took place in Kiron on Wednesday evening at the home of John Cedargren. In the presence of relatives and friends, Mr. William Paulson was united in marriage to Miss Anbild Brown. The marriage ceremony was performed by Rev. F. O. Dahlberg shortly after 7:00 o'clock. Miss Edith Lillieholm of Denison took her place at the organ and as the beautiful strains were played the bridal couple marched to the parlor where the brief but important ceremony was performed. The congratulations which followed were very hearty; a dainty three course supper was served. The evening passed away most pleasantly and will not very soon be forgotten by those who were present. William, who is the efficient clerk at the Stray Bros store is well and favorably known in Kiron, has surrounded himself with a large circle of admiring friends who now wish him all sorts of joy in his wedded bliss. His bride, Miss Anbild Brown, is a fine lady whose cheerful and most amiable disposition has won for her a large number of warm friends. She will preside over a home in a model manner and make William an excellent wife. They have gone to housekeeping upstairs in the Cedargren residence. May God's richest blessing follow them is the wish of a large circle of acquaintances.
