Vail Claims the Championship.  
 In a heart-thrilling basketball game last Friday evening, March 26, Vail High school defeated South Omaha high school by a score of 28 to 23. This game was snappy at every stage, both teams played with desperation, fighting for every point. Sensational throws, fast dribbles, close guarding and beautiful passing featured this game as the best ever seen on the Vail floor. The second half opened like a hurricane, South Omaha attempting to play Vail off their feet, but they couldn't overtake Vail's lead.  
 This game closes a very successful basketball season. Although we did not win every game played with high schools, we won 6 out of the 8 played with high schools, which we think entitles us to the championship of the high school teams of Western Iowa, as we know of no such team having made the following record this year:  
 Basketball Review.  
 Grand Jct. high school. 22 Vail. 26  
 Westside high school. 36 Vail. 32  
 Denison high school. 16 Vail. 43  
 Magnolia high school. 8 Vail. 73  
 Missouri Valley. 21 Vail. 63  
 Woodbine high school. 21 Vail. 33  
 Grand Jct. high school. 50 Vail. 31  
 South Omaha high school. 23 Vail. 38  
 Scoring 137 points more than our opponents. If there is any other high school basketball team which has made a better record in Western Iowa we would like to hear from them.
