### PRAIRIE FIRE NEAR WENDT S. D.

Many Former Crawford County Citizens Damaged by Fire.

Mr. C. W. Justice writes to the Dow City Enterprise as to a destructive prairie fire which did great damage to the Crawford county homestead contingent, mentioned last week. He writes as follows:

Wendte, S. D., April 5, 1909.

Friend Rudd:—

It is a sad task for me to write to you the misfortune that happened to my son Elijah on April 3. He had completed a neat little house 14x24 and had their provisions stored up stairs and was laying the floor overhead in his barn which was 16x28 when he discovered a prairie fire about a mile away. He at once prepared to save his little home but in less than fifteen minutes he and his wife found they were in danger of losing their lives, so he set a fire and had barely time to get upon burned ground when the house, barn, hay, harness and everything they had were on fire and they barely escaped with the clothes they had on. Their horses were all they saved. Several houses, barns and hay stacks were destroyed. Bert Cruise lost his barn, one team, harness and feed. Milford and Addie Sharp lost their houses and barns, grain and harness. How many lost their property I do not know.

Respectfully,  
C. W. Justice.

### To Digest the Food

Bile in the intestines is as important to digestion as are the gastric juices in the stomach and bile is only supplied when the liver is in active condition.

The serious and chronic forms of indigestion are cured by Dr. A. W. Chase's Kidney and Liver Pills because of their influence on the liver causing a good flow of bile to aid digestion and keep the bowels regular, thereby preventing fermentation of the food, the formation of gas and all the disagreeable symptoms of indigestion.

Long standing cases of chronic indigestion yield to Dr. A. W. Chase's Kidney and Liver Pills after all else has failed.

Mr. F. W. BIGLEY, Murfreesville, W. Va., writes:—"For sixteen years I suffered from indigestion and liver trouble and consulted several physicians in vain. Two boxes of Dr. A. W. Chase's Kidney and Liver Pills did more for me than all the medicines I ever used. My mother used them with equally good results."
