EVERY day is good clothes day for the man who puts on a suit or overcoat from this store; we make a business of dressing men correctly; the style, color, weave, pattern, that is right for you; we are more anxious to help you buy than to make a sale. Naturally, if we're going to do business on this principal---putting your interests before ours, because that's the best way to preserve ours and make our business as strong as it can be---we've got to be as particular about what we buy as you have what you buy. Our care for your interests must begin long before yours does. We've got to have the goods right before we invite you to them.

Hart Schaffner & Marx clothes

are our choice because they're right; they're all wool in quality, perfectly tailored, with linings, trimmings and all other materials the best possible. We offer you these clothes because they're the best clothes for you. The best clothes made anywhere on earth. We are working for ourselves as well as for you in bringing such clothes to you.

The prices are low enough; such clothes as these are worth more than they cost; they're value-clothes.

Good Liniment.
You will hunt a good while before you find a preparation that is equal to Chamberlain's Liniment as a cure for muscular and rheumatic pains, for the cure of sprains and soreness of the muscles. In case of rheumatism and sciatica it relieves the intense pain and makes sleep and rest possible. In case of sprains it relieves the soreness and restores the parts to a healthy condition in one-third the time required by the usual treatment. It is equally valuable for lame back and all deep seated muscular pains. 25 and 50 cent sizes for sale by Ph. A. Schlumberger. 18-4

The Most Common Cause of Suffering.
Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Ph. A. Schlumberger. 18-4
