DENISON COLLEGE GRADUATES MANY

WEEK OF FESTIVITIES MARKS CLOSE OF
COLLEGE YEAR.

BANQUET AT HOTEL DENISON

Rev. Thureson Delivers Address, Hon. J. P. Conner Gives Diplomas to Big Class of Graduates.

Last week we published an account of the annual sermon which was delivered by the Rev. J. Jas. DeFree on Sunday evening, the 6th, at the Baptist church, and also of the Society play which was given on Tuesday evening, June 8th, at the Opera house. The remaining exercises of commencement week were held on Wednesday and Thursday evening.

On Wednesday evening, the 9th, the graduates in music gave their commencement recital at the college chapel. The weather, though cloudy, was favorable and the chapel was filled at an early hour, quite a number coming from Dunlap to enjoy the program. The graduates were Misses Louise Gregg and Grace Baughman, both of Dunlap. Miss Gregg is the daughter of Mr. Gregg who was in business here in Denison for several years. Both finished the course in piano and rendered their selections with credit to themselves and pleasure to their friends. They were assisted by other members of the music department with vocal selections by the Ladies' Sextette and solos by Miss Cushman.

The program was as follows and was carried out without a single break or hesitation, much to the credit of all who took part.

Miss Raine is an untiring worker and is to be congratulated on the success in the management of the department for the past year.

After the musicale was over the seniors were invited to a reception at the Dormitory where Prof. and Mrs. Van Ness extended a cordial greeting to the class, the faculty and friends. Light refreshments were served, and a general good time enjoyed in conversation and college songs, until the hours grew big and were in danger of growing small.

The commencement exercises proper with the awarding of diplomas, were held in the Presbyterian church on Thursday evening, the 10th. Last year it will be remembered that the class delivered orations. This year it was decided to secure a lecturer. By the unanimous request of the class, Rev. T. E. Thureson, of Perry, Iowa, former pastor of the M. E. church, was present and gave the address, taking as a subject, "The Raising of Values." The house was packed to its fullest capacity, a number going away because they could not secure seats. We can not give a synopsis of the lecture, but those who are acquainted with Rev. Thureson would need no assurance that the address was full of ripe thought expressed in words that were like "apples of gold in pictures of silver."

At the close of the address, Hon. J. P. Conner presented the class with their diplomas, giving them a parting word of encouragement which comes with grace and weight from a man like the Judge, who has had such a wide experience with men and affairs.

Music was furnished by the music department and the program of the evening was as follows:

Piano Duet Selected Misses Larson and Selander

Invocation Rev. G. E. LaReau
Address By Rev. T. E. Thureson, of Perry, Iowa.

Ladies Sextette Selected

Benediction Rev. J. H. Senseney

At the close of the graduation exercises, the alumni and their friends adjourned to the Hotel Denison for the annual banquet. A short time was spent in visiting and a business meeting in the parlors, and a long time was spent at the tables partaking of the sumptuous repast prepared by Landlord Nielsen. The officers elected were Helen Hayes, president; Pearl Gary, vice-president; H. T. Bliesman, secretary and treasurer.

At the close of the banquet, Mr. J. P. Woodruff in a toast extended a welcome to the class of '09. He called attention to the fact that counting by classes the alumni numbers 271 and this class brings the number up to 294. While they do not claim presidents galore among their numbers, yet there is not one who is not making good and filling a useful place in the world's work. This welcome was responded to in a humorous vein by Mr. Earl Chase on the part of the class, who was willing to acknowledge that the present class had all the material necessary to bring complete renown in all vocations. They have poets, orators, actors, business men, and above all the charm of the number 23.

Miss Ethel Miller responded to the toast "Losses and Gains," in which she recounted one death and four marriages in the past year, with sayings of more marriages to follow in the near future.

To close Mrs. Grace Sprecher gave a toast on the subject, "Dreams." She suggested to the class some of the dreams in which they have been indulging and some of the realities that are in store for them.

The class roll is as follows:
Classical Course—Helen Hayes, Earl Hoffman, Henry Bell, Andrew Bell.

Normal Course—Earl Chase.
Commercial Course—H. T. Bliesman, Floyd Cook, Will A. Curry, Francis Fremi, Forest E. Moffit, Lura Moffit, Christina Nelson, John T. Peterson, Benj. Weiss.

Shorthand—Elizabeth H. Anderson, James Collins, Williams B. Harding, Ethel Howell, Hattie Peper, Minnie Pahl, Rowland F. Philbrook.

DEATH OF GEO. H. GABLE

Telegram Received Tuesday of the Death of Mr. Gable at Hawarden Iowa that Morning. Remains Brought Here.

Mr. J. H. Gable received a telegram Tuesday afternoon announcing the death of his cousin, George H. Gable, at Hawarden, Iowa, that morning. The casket arrived in Denison Wednesday evening and was taken to the home of Mr. John T. Carey and wife, old friends of the Gable family. The deceased was born in Milford township this county November 9, 1859, the third child and second son of Mr. and Mrs. S. L. Gable, pioneer settlers. He attended the Milford township schools. For higher education he went to Cornell college, and later graduated in law at Ann Arbor, Mich. He settled in the practice of law at Council Bluffs, where he was married to Mrs. Ida Germain. They had one son, Norvin L., who is now a lad of nine years. On the separation of Mr. Gable from his wife the son was cared for by his mother at Denison and later he has found a home with Mrs. Chas. K. Meyers and Mrs. A. D. Wilson. Mr. Gable has for some years been a deputy for the Woodman order, organizing camps delivering lectures for the good of the organization. Recently he received a hurt in the chest from a fall and death came from hemorrhages of the lungs. Mrs. Wilson had received a letter from him Tuesday forenoon written Sunday in which he said he was sick and might go to Omaha for treatment. His father and brothers and sisters living near will be present at the funeral, which will take place at the M. E. church at two p. m. Thursday. He was a man of fine ability, a hard worker. He was looking ahead to getting his affairs in shape so he could make a home for his son whom he loved very much. His wife is now a resident of Chicago.

The Milwaukee had a meat train hitched on its main line between Coon Rapids and Dedham last Saturday. As a consequence all the Milwaukee passenger trains were run over the Northwestern line from Cedar Rapids to Arion. The Northwestern people were kept mighty busy handling their own traffic and that of the Milwaukee.

All the children and grandchildren of Daniel Cruise and wife were at their home Sunday except Bert of Wendt, S. D.

THEY WERE MARRIED TODAY

Nebraska Official Claims One of Denison's
Most Popular Teachers For His Bride.

At 10:30 Wednesday morning at the home of Mr. and Mrs. S. M. Kelly occurred the marriage of their daughter, Albertha Mae, to Mr. Richard L. Harrison of Grand Island, Neb. The ceremony was performed by Rev. J. H. Senseney of the Methodist church, using a simple, but impressive service. Miss Lillie Raine presided at the piano rendering "Thine Own," during the ceremony. The bride was becomingly gowned in a white princess gown of French lawn elaborately trimmed in insertion of real Irish crochet lace. She wore orange blossoms in her hair and carried brides' roses.

After congratulations, the small company of relatives and intimate friends, were seated about the rooms, and the most informal sociability was enjoyed. A most elegant three course luncheon was served with Mrs. Silletto in charge. Miss Mable Kelly and Hilda Rohwer assisted in serving. Mr. and Mrs. Harrison were the recipients of many beautiful gifts, which were greatly admired. The noon train took the happy couple westward to their new home in Grand Island, where they will be at home to their friends after August 1st. Kind friends took care to see that their baggage was properly decorated and that a sufficient amount of rice accompanied them. The going away gown was of green with hat to match.

Mrs. Harrison has been for several years a popular and efficient primary teacher in the Denison schools. She has been exceptionally ambitious and industrious and has made hosts of friends. She will be greatly missed in the home circle, as well as among her church and club friends. Mr. Harrison is to be congratulated upon the winning of so winsome and popular a bride.

The groom who is deputy treasurer of Hall county, Neb., is a comparative stranger in Denison. He is a young man of pleasing and dignified appearance and in Grand Island his friends are numbered by his acquaintances. Mr. and Mrs. Harrison begin married life under most flattering circumstances, and we bespeak for them a life of happiness and usefulness. The sincere good wishes of Denison friends accompany them.

A number of the German Methodists of the city leave this week to attend the state camp meeting at Garner, Iowa. They will be gone several days.

For the Event.

Upon invitation of the Commercial Club the business men, that is a few of them, met at the club rooms on Friday evening, Mayor Rollins acted as chairman and G. L. Caswell as secretary of the meeting. There was some little discussion and finally a motion not to celebrate the Fourth was carried by a rising vote of six to four, a number not voting.

A motion was then made to hold an A) to Day along the lines suggested by the Review. This motion met with approval and a committee of five was ordered to fix a date, raise necessary funds and arrange all the details for the big day.

Mayor Rollins has appointed the following committee: F. W. Meyers, A. F. Boylan, B. J. Sibbert, J. E. Baile and C. L. Voss. It is proposed that Auto Day shall be held soon after the Fourth, before the motor folks start on their summer outings at the lakes and before the Chautauqua season.

To the Farmers

Did you protect yourself last year?

Have you enough wheat in your bin or enough deposited at the mill for your flour?

Or did you sell all of your wheat intending to buy your flour and are now buying it back at a price that is losing you 15c to 20c per bushel?

It is a fact that you can always make 50c on every 10 bushels of wheat anytime that you exchange for Wizard Flour at 30c per bushel. Wizard Flour is not like other flours, it is absolutely pure spring wheat flour. It is the very highest grade of patent. The next time you need flour bring in some wheat and exchange or buy a sack of Wizard and you will get just the kind of flour you have wanted. Ask your neighbor about it, he can tell you.
