Sixth Anniversary Sale

Commencing next Saturday at 8:30 a. m. and continuing all of next week, ending on Saturday, July 10. Read every word of this ad.

Six years ago we started out in a new venture. We started into the grocery business. We gave this part of Iowa ideas in the grocery line that have completely revolutionized the ways of doing business.

It has always been our aim to please you. To give you all of the benefits that can be possibly given in the retail business.

Our first and probably the greatest benefit was the paying of cash for your produce. This as you know has been one of the best things that has ever happened to our trade. Since our first anniversary we have added to, built on and bought into, until now we are in a position to accommodate you in the best manner.

Now, at the beginning of our sixth year we will inaugurate a sale in all of our departments that will be one of the greatest money saving events that has happened in years.

Compare these prices. Call and look over the goods we are offering.
