Will Northam carries a sprained ankle as a souvenir of the Glidden tour. Returning at night the car in which he was riding was nearly run down by a train at the dangerous Missouri Valley crossing. Mr. Nehls managed to save the car by an adroit turn, but Northam jumped with a sprained ankle as a result. Later the car missed the way and the first streak of dawn saw it at Magnolia in north Harrison county. Weber Bros. merry-go-round was there and the boys crawled under the canvass and slept until morning. It may be some consolation to them to know that they were not the only people lost that night and that another car found itself twelve miles south of Logan before it got righted.

Miss Florence Kirkup has been elected head of the department of vocal music at the University of Illinois. This is a most responsible position and is a great honor for the Denison girl. Miss Kirkup was one of thirty applicants. The tests were severe. To the credit of home training it can also be said that she was the only applicant who had not received a part of her musical education abroad. The University of Illinois is one of the leading institutions of the east and to be numbered as one of its faculty is to hold high rank among the educators of the country. Miss Kirkup is at present in the west enjoying a well earned vacation.
