Until kidney disease was cured by DR. A. W. CHASE'S KIDNEY AND LIVER PILLS

Most railroad men swear by Dr. A. W. Chase's Kidney and Liver Pills as the most satisfactory treatment for their special ailments—kidney disease and constipation.
This railroad man could not get life insurance until cured of kidney disease by Dr. A. W. Chase's Kidney and Liver Pills. Here is his letter:
"I am a railroad engineer between Driftwood and Dubois and have been greatly troubled with my kidneys, so that I could not rest or sleep nights. Hearing about Dr. A. W. Chase's Kidney and Liver Pills I began using them, and can now report that I am entirely cured and in the best health and spirits that I ever enjoyed. By use of this treatment I have gained in weight, my flesh is hard and firm and I have successfully passed an insurance examination, which I could never have done had the kidneys not been thoroughly sound and well."

DR. STOCKDALE wants every person who suffers from a chronic disease—makes no difference how bad their case is or how long they have suffered, or who has treated them and pronounced them incurable. He has devoted twenty years of his life to the treatment of such diseases as Dyspepsia, Indigestion, Stomach Troubles, Liver Disease, Constipation, Rheumatism, Bladder Troubles, Diseases of the Kidneys, Bright's Disease, Chronic Catarrh in all its forms, Heart and Nerve Troubles—in fact, every variety of chronic disease.
DR. STOCKDALE has originated a system of treatment which he believes is the best treatment known for chronic diseases. He is able to cure many chronic cases that have resisted other treatments—that are considered incurable. He wants it distinctly understood that he does not undertake any case that he thinks is incurable, and will tell the patient candidly when he has made the examination.
