

THEY WIN TWO AND LOSE ONE

DENISON BALL TEAM LOSES TO COUNCIL BLUFFS.

DUNLAP GIVEN A DRUBBING.

Sassy Westerners Taken Down The Line at Carroll on Sunday—Logan Was Easy.

The game last Thursday with the Logan team was a merry-go round from the start to the finish. The boys all took the privilege of fattening up their batting averages and to show the spectators their ability to do the "grand stand" work in fancy catching. The game was a shutout up to the eighth when the locals got careless and let the Harrison county boys get their only score.

Notes of the Game.

Did you get a hit? Barney Ottu let the Harrison county boys down with four hits. Keep it up Barney and with a little experience you will make good. This game was secured in place of the fast Clear Lake team. It was a good thing for Clear Lake that they did kick out because the boys all were hitting the ball good and hard that day.

The locals met their third defeat of the season by the fast Council Bluffs team by a score of 2 to 1. Last Friday the Council Bluffs Invincible (supposed) came to Denison, but instead of being the invincible team it was a team picked from the best of a number of teams in the city. Some had green, red and blue suits on showing that they knew just what they had to bump against when they came here. Where the A have got a very good reputation in that section of the state. The game opened up at thirty with Faul in the box and Hom back for the visitors. The first three innings past in the style of one, two, three, out, until the fourth when Denison got their only run, in this way. Gary got a single, Clarke sacrificed him to second, Chupp struck out, and Freed following the same course, Faul came to bat and with a single scored Gary, and then Richards retired the side by a grounder to short. The next inning by a few errors, and poor back work on the part of one or two players, Council Bluffs netted their two fatal runs which defeated the home boys. The rest of the game was a goose egg for both sides.

It looked like something doing in the ninth when Denison came to bat, Rowing was substituted for Clarke and being hit by the pitcher was given his base, Chupp came to bat and struck out, but the last straight was a passed ball on the catcher and Chupp goes to first. Freed then hits to third and forced Rowing out at third, Faul came to bat and hits to the pitcher, and the pitcher throws to third forcing Chupp out, Richards then struck out retiring Denison.

Notes of the Game.

It was too bad that we didn't have some of those hits of the day before at this time when we could have used them. Homback of Council Bluffs is the that pitcher by far the locals have rethre int up against this season. He is this onlon here. onlon beis game was sure full of snap with rag ginger, "All the time big boy," a mistake y poor attendance for such a Mrs. Bow but we suppose the one the day take to sm killed the crowd. It the app understand that Manager Ly-

man has and is getting some big ball games which auto cause some excitement. These teams are such as Humbolt, Clear Lake and others. There is some base ball dope on the streets nowadays. Are you taking a hand in it.

The locals went to Carroll last Sunday to play Dunlap to decide who had the best team, and to decide a game of base ball that was played on the local grounds some weeks ago. As usual the game went as the majority do, in favor of the locals 8 to 1. With two outside umpires one from Carroll and the other from Glidden, Dunlap had nothing to beef over. The game was fast and snappy up to the seventh inning when the locals pounded Pitcher Brace all over the base ball lot and Brace was soon retired by his brother, who was not much better. The game opened up soon after the afternoon passenger came in, so that the base ball fans from here and the other neighboring towns could have plenty of time to witness the whole game. Denison got their first run in the first inning and Dunlap tied it in the fifth, up to this time it was very exciting, neither side scoring in the sixth. Then came that fatal seventh for Dunlap and that lucky one for Denison, for the locals took the privilege of the old time fence ball that Brace threw. At this time the whole Dunlap team laid down and before they knew just what they were doing, they had five scores chalked up against them and with one more in the eighth gave Denison the game as is given by innings below:

Score by innings

Dunlap	1	2	3	4	5	6	7	8	9
Denison	0	0	0	0	1	0	0	0	1

	AB	R	H	E

Notes of the Game.

O. Freed, brother to Lon Freed, from Galva, Ill., came Saturday morning to play with Denison at third. He certainly has got some "peg" to first and is in the game all the time. Huettman Bros. have made an offer to all of you. To the home men having the best batting average starting with the Dunlap game, will be given \$3 in trade at the close of the season; the second, \$2; and the third, \$1. Get busy.

About one hundred and fifty base ball fans accompanied the locals to Carroll Sunday to see Dunlap go down in defeat. This sure is showing a spirit for the ball team.
