

WIN THE VICTORY AFTER 12 INNINGS

DENISON DEFEATS ARCADIA COMBINATION AT CARROLL IN EXCITING GAME

ARCADIA WINS ON TUESDAY

Tears The Tables at West Side—Deniance Was Good Eating—Base Ball News

Won two, lost one is the base ball summary, not including the game played today at West Side. The team will be away the first of the week, but there will be five big games on the home grounds next week. The schedule for this week is:

Thursday—Humboldt at Coon Rapids.
Friday—Jefferson at Jefferson.
Saturday—Jefferson at Carroll.
Sunday—Manning or Humboldt at Carroll.
Next week at home.

Friday the Thirteenth.

It was a combination that Deniance could not begin to buck and the worst part of it was that tricky Dame Fortune played into their hands at first, lead them on with fickle smiles, made them quite pert and sassy and then dumped them all in a heap in the fifth inning.

It being understood that Deniance was "easy meat" and the boys wishing to give Barney Otto all the practice possible, the youngster was put in the box against the Shelby county aggregation. It was an off day for Barney. Five men went to bat and secured a total of four hits and by the time the third man had been tagged the boy with the white chalk was obliged to mark a 3 in the bald head row. A one-two-three white wash sent the chills down Denison's back and inning number two saw "Tut" in the box. That ended the game so far as score making was concerned for the visitors and the Deniance score showed nothing but "whole notes" until the close of the symphony.

It took Denison a couple of innings to get over their scare and at the end of the third the score was three to twenty below zero in favor of Deniance. In the fourth the boys found the combination and managed to land one on the platter.

The Aeronautic Club got busy in the fifth. By the time the balloon was made captive Denison had struck nine, the biggest score made in a single inning during the season. Deniance made desperate attempts to rally in the succeeding innings but Faul just played with them, allowing them hits or not apparently as he pleased. In the sixth, Denison romped in with another score and in the eighth, with two men out for a starter three more tallies were piled up.

Shaw Van umpired a good game, showing excellent judgment on strikes but he went to sleep when Kelly made this spectacular run from second to home via the pitcher's box. If the

umpire had seen this play it would have cut out five of Denison's scores in the fifth inning and would have made a better game of it all through. Kelly must have seen some nifty, cut-throat ball while he was back east or he would not have forgotten all about the third bag. It is all right if you don't get caught, but it is a good deal like the strangle hold in a wrestling bout.

One of the fine features of the game was Denison's fielding. Not an error was made in the outfield and Richardson made some of his spectacular catches. When Gail gets so he can bat as well as he can field and run bases he will be ready for high grade league work.

Barney Otto felt pretty sore after the first inning, and sore still when he fanned on three wild balls, but he swatted it all out on one lone ball which landed just his side of Deloit. Barney can like a scared jack rabbit and headed at third in four and three-quarters seconds after leaving home.

Chapp got to thinking about the Andien and let Freed throw right past

him without waking up. That was his only error however and his batting was fine as usual.

The Deniance short-stop made more errors in the game than a good player ought to make in a season. Everything went through him just like riding on a free pass.

The "candy kid" in the pretty blue clothes made a great slide. He did the figure eight standing on his head at home plate and was quite the most beautiful Salome sprite Denison has seen for a long time. It is reported that Deniance was loaded for Denison with a number of imported players. If this was the case they would have done much better to stick by the home brand.

True to his uncle, the veteran ball player, the little son of Joe Kelly of Carroll appeared as Denison's Mascot. He looked mighty cute in a full fledged ball uniform with white cap and base ball mitt and "Denison" in white letters like a sure-enough ball player. He will be lots of fun for the boys during their games at Carroll this week.

The Sundry School picnic adjourned to the ball grounds and took in the game bringing pockets full of peanuts to refresh the inner kid.

Denison and Arcadia base ball teams crossed bats for the first time this season and the locals won the game 5 to 4 in a twelve inning contest. But instead of beating an Arcadia bunch it was a team composed of Pagle, Shearn and Hood from Glidden, Billy Scharnweber from Carroll, Eiffert from West Side and Joe Zender, Denison's old third baseman of three years ago from Manning and with three men from Arcadia the locals defeated one of the best aggregations that could be picked up in the state of Iowa. The way that Denison won the game was upon her ability at batting and her splendid team work which has given her a winning team throughout the season.

Arcadia received the first score in the fourth inning by a single from Pagle and then followed by a three base hit from Zender. In the following inning the locals started the fun by bunting Kelly of Arcadia all over the lot in this way. Richardson first came to bat and singled to left field. Rohwer follows and lays a perfect bunt down the first base line beating it out. Gary then also follows the same and Rohwer goes to second and Richardson to third and Gary is safe on first, Kelly drives a grounder to the short stop and Rohwer is forced out at third and Richardson comes home. Then Faul drives out a three base hit over the left fielder's head which scores, Kelly and Gary, and from this by a strikeout, and fly to the pitcher the side was retired.

In the ninth inning by a few errors and a number of hits Arcadia ties up the score 3 to 3 and then started the extra innings which were nip and tuck to see just who was going to get the game.

The tenth opened up and the locals netted one more run by a base on balls to Freed and a two base hit by his brother, Lon, which scored O. Freed from first base. Arcadia then came to bat and succeeded in tying the score by a two base hit by Zender and a single by Scharnweber. In the eleventh neither side was able to get a run and then came the fatal twelfth when Denison got the winning run with two men out.

O. Freed was given his base on an error by the first baseman and Lon Freed was given his base on balls, and then Faul won his own game by a single to left field scoring Freed from first base.

Notes of the Game.
Gary got one of the best catches of the season, it was a long drive when Albert ran after it and turned around and speared it with one hand.

Ask O. Freed what he did to that poor fellow on third base. I know that the Arcadia short stop isn't saying anything.

With only three Arcadia men and six outsiders and then we've them twinning.

Barney Otto played first base and he played it in Al style.

Kelly on second sure played his game.

Manager Lyman has made arrangements to play Humboldt at Coon Rapids Thursday. This no doubt will be the fastest game of the season, for Humboldt is spending some money for the sport.

Arcadia 4—Denison 1.

The locals were defeated in one of the slowest and raggedest games of the season at West Side yesterday by a score of 4 to 1. The game was played on a grass diamond and an outfield full of tall weeds. It certainly was an off day, for every thing went wrong from the start to the finish, while Arcadia had the luck. This could not be called a game, but Arcadia is crowing its loudest because we beat last Sunday.

Denison	1	2	3	4

Notes of the Game.
B. Otto was playing in right field, but you couldn't see him from batter's box for the weeds. Captain Faul thought that he had dropped in a hole and that he was playing with eight men.

Crow, Arcadia Crow. We will crow next time; you have a crow coming. There will be two big games at Carroll Sunday. Humboldt and Manning play first and the winners play Denison.

BABE DROWNED IN WATER JAR

Two Year Old Infant at Charter Oak Found Dead in Eighteen Gallon Jar

The youngest child of Mr. and Mrs. Ed. Pranschke, a little boy about two years old lost his life last Wednesday afternoon by drowning in a large jar of water. This little boy with the other children were playing outside while the mother was busy with her work. When she noticed he was not with the others she looked for him and discovered him in the eighteen gallon jar which was kept outside for rainwater. The jar was partly full of water. The baby probably lost his balance and fell in. Dr. Waterhouse was summoned immediately and made the trip of about four miles in seven minutes. The little boy was past medical help. The funeral services were held at the Lutheran church Friday conducted by Rev. A. Amstein.

DEATH OF MRS. WM. BERGSTEDT

Devoted Wife and Mother Passes Away After Brief Illness With Appendicitis

The entire community was shocked on Thursday morning to learn of the sudden and unexpected death of Mrs. Wm. Bergstedt as the result of an attack of appendicitis. An operation was performed at the Denison hospital on Wednesday evening. The appendix was found to be ruptured and the disease had gone so far that the operation afforded no relief and she died at 12:40 a. m. Thursday morning.

Mrs. Bergstedt was the daughter of Mr. and Mrs. Otto Timm coming from one of the best known German families of the early days. She was born in Goodrich township on February ninth, 1878, and was reared in this county and educated in our public schools.

On July 14th, 1896, she was married to William Bergstedt and their home was one of the happiest in the county. They were blessed with two sons, Harold and Alvin, aged twelve and ten, and until this fatal illness no cloud of unhappiness had disturbed their married life. The young husband and the children have the sympathy of all in their terrible bereavement.

The remains were taken from the hospital to the home of Mr. and Mrs. Henry Bergstedt in this city and funeral services were held at the Lutheran church on Saturday afternoon, Rev. W. A. Freese officiating. The large outpouring of people from town and country testified the high esteem in which she was held and the grief felt over her untimely death. There was a great profusion of beautiful flowers and loving friends and neighbors did all in their power to show their sympathy and affection. As a practical evidence of neighborliness it may be stated that for the past week all the work of the Bergstedt farm has been done by the neighbors who gladly volunteered to do what they could to relieve the grief stricken family. This is one of the saddest deaths that has occurred in Denison for a long time breaking as it does the tender ties of a happy home.

Card of Thanks.

We would hereby express our heartfelt thanks to the loving neighbors and friends who in our hour of grief over the death of our beloved wife and mother have shown their friendship and kindness by their words of sympathy, by beautiful flowers and by many deeds of helpfulness.

WILLIAM BERGSTEDT and Sons.

Geo. Newcom was down from Boyer on Monday and made the Review pleasant call.

VETERAN PIONEER IS DEAD

Samuel Eyer a Brave Union Soldier Joins His Old Commander in the Great Beyond

Samuel Eyer, an old soldier and settler of Crawford county, died August 10th at the home of his daughter, Mrs. John Jones near Charter Oak. Mr. Eyer had been ailing for several months and for the last three had been under a nurse's care. Death came as a relief to his worn out body. Several years ago when farm life became too hard for him, Mr. Eyer bought a property in town where he and his wife lived until her death in April of 1905. He then went back to the farm to live with his son, Grant. About a year before his death he went to live with his daughter, Mrs. Jones.

Mr. Eyer was born in Center county, Pennsylvania, Jan. 29, 1823, and lived there until the spring of 1878, when he moved to Crawford county, Iowa. On November, 4 1851, he was married to Mary Ann Walker. To Mr. and Mrs. Eyer were born twelve children, five of whom are living. These are, John Wesley Eyer, Dayton Grant Eyer and Mrs. John Jones all of Charter Oak, Asbury J. Eyer of James, Iowa, and Mrs. Frank Nepper of Mapleton.

When a young man, Mr. Eyer joined the German Lutheran church. He spent over four years in the Civil War enlisting in Co. E of the 46th Penn. Volunteers. He was with Grant at the terrible battle of the Wilderness, where he was wounded. He was taken prisoner in front of Petersburg and immediately sent to Andersonville, where he remained for three and a half months. As Sherman's forces advanced the rebel authorities fearing the prisoners would be released, transferred them to Salisbury. After remaining at Salisbury for about three months, he was exchanged and returned to his regiment from which he was honorably discharged at the close of the war.

The funeral services were held in the Methodist church Wednesday morning at half past ten, conducted by Rev. Barkley.

Among the plants and flowers placed in the church by thoughtful friends, were the colors the old soldiers love. The casket was draped with a big flag and the pall bearers, who were six Civil War veterans, were L. M. Jones of Co. I, 19th Ill. Inf.; Louis Neppenbrink of Co. I, 106th Ill. Inf.; John James of Co. G,

21st Mo. Inf.; F. Dubois of Co. D, 12th Iowa Inf.; H. H. Yeager of Co. I, 92nd Ill. Mounted Inf. and Theo. Drake of Co. B, 3rd Wis. Inf.

A LINEN SHOWER FOR MAY

The Baptist Friends of Miss May Kelly Give Her a Linen Shower.

The Baptist Young Peoples' Union of Denison has ever had a faithful, earnest, member in Miss May Kelly and it was thus most fitting that in view of her approaching marriage and removal from the city the members should give her a token of their appreciation. It was arranged to invite her to the Baptist parsonage on Monday evening and there surprise her with a "linen shower" and make an evening of enjoyment which she would be glad to remember. The lawn between the church and the parsonage was lit up and the attendance of jolly young people was large. The bride to be, was asked to take her seat under a huge bell shaped affair and on pulling a cord down came a shower of linen which her friends thought would be handy in her house-keeping. Miss Kelly entered into the spirit of the occasion and added much to it by her bright sayings. The fortunate groom is Mr. W. E. Cole whose home is on a fine farm near Hazelton, N. D. The date for the interesting event is not given, but as far as her friends are concerned the further away the better, for they do not take kindly to having so popular and worthy a companion as Miss Kelly as resident of any other place.

The numerous friends of Mrs. C. F. Cassaday gathered at her home on Wednesday afternoon last to honor her birthday.

No long waiting under the Crawford County State Bank. We have three barbers, also have two bath rooms, H. T. Riemer, Prop.

Mrs. C. M. Johnson and her two youngest children visited in Kiron on Saturday and Sunday having a delightful visit with their many friends.

The W. C. T. U. will hold a Market Day at McKim Hall on next Saturday afternoon, August 21st. Many good things to eat will be on sale.

P. C. McNally announces a Race Meeting and ball game at Arion on next Saturday. The game is to be between Arion and the Denison second team. The race is to be at 10:00 a. m. and the ball game at 1:00 p. m.

How do you expect a feller to get out a paper such weather as this, any how?

Geo. Zea and Ward Zea left last week for a visit at Sioux Falls, South Dakota.

Mrs. Otto Faul is enjoying a visit from her mother, Mrs. M. J. Cooper, of Lake View.

You will need pure spices for making your pickles. We have them. Lamborn Drug Co.

Prof. Humphrey has been of late trying his hand at farming and helping Ralph Cassaday put up his alfalfa crop.

Mr. and Mrs. J. L. McLeod and Miss Hattie Macomber of Nishabotony township were Denison visitors on Saturday. Mr. McLeod says he worked harder this year than he has for a long time as he and his son put in a lot of corn and then were unable to get a hired man to help them so they had to cultivate it themselves. The work does not seem to have hurt him any, however, as he looks hale and hearty. Mr. McLeod thinks that instead of moving into town and being a retired farmer he will live on his place, buy a buzz wagon and take life easy on the farm.
