DENISON ELEVEN BEATS AUDUBON ELEVEN,
ELEVEN TO NOTHING.

HOME BOYS WERE EASY VICTORS

Their Goal Was Never in Danger. Forward
Pass Worked for Big Gains, But
Fumbles Spoil Score.

The Denison High School foot ball team defeated the Audubon team on the college gridiron last Saturday afternoon by two touchdowns making the score 11 to 0. The game was full of spectacular plays on both sides especially on the Denison side for fifteen forward passes were tried and twelve of them were successful netting a total gain of 98 yards which is considered above the average for any team. It was perfectly clear that the local team outclassed its opponents in every part of the game and there was no time when the Denison goal was in danger. The weight of the Audubon team was at least seven pounds to the man more than that of the Denison team.

The game was called at 3 30 p. m. and a very large crowd had previously gathered on the side lines and much good spirited rooting and yelling was done by the students of the local high school. While the spirit and enthusiasm ran high there was nothing improper in the conduct of any of the rooters.

The two touch downs were made during the first half of the game within six minutes after the ball was first kicked from the center of the field to the Audubon team which received it on the thirty yard line. After a few failures in line smashes the Denison team secured the ball and by a series of end runs and forward passes went over for a touchdown. Audubon then kicked off to Denison and the ball was soon carried over for the second and last touchdown of the game. During the remaining part of the game the ball was interchanged continually between the teams and only once was the Audubon team able to carry the ball into Denison's territory.

This coming Saturday the Denison team expects to play Ida Grove there and a very interesting and exciting contest is looked for because Ida Grove has held the title of state champions for a number of years and it will mean much for Denison to defeat them. A large crowd from here will accompany the team if the weather permits.

Will McBride of Union township has been prognosticating round in this vicinity lately. We understand that he almost bought a farm south of town, but not quite.

STILL PITCHING HORSE SHOES

GREAT INTEREST IN WINNING THE PHILBROOK PRIZE.

W. H. COSE DECLARED WINNER

Prize to One Winning the Greatest Number of Games. A Father and Son Contesting.

The horse shoe pitching contest inaugurated by Dr. Philbrook for Wednesday, October 20th, proved a big thing. As the best men came to the front the interest began to increase and bets were made and champions selected. The grounds selected were east of the court house in the street, and just behind the Rachwitz market building. Theo. Walker, County Attorney Klinker and E. K. Burch were the official score keepers. The pegs were 45 feet apart.

The following contestants were entered:

Deloit or Milford township—Guy Johnson, W. H. Cose, Dale Cose, Perry Huckstep, Wm. Petty, J. M. Childress.

Denison—A. Muir, J. T. Haugh, H. Koenekamp, D. McIntosh, John Peterson.

East Boyer Twp.—H. G. Lochmiller, Louis Lochmiller.

Manilla—Gus Lapel, Aug. Schultz.

Vail—P. O. Driscoll.

Boyer Twp.—Wm. Rethmier.

Each player brought his favorite set of shoes and it was a wonderful how accurately the throwing was done. Dr. Philbrook certainly made a hit when arranging for this contest. The Lochmillers of East Boyer are father and son. The contest was for greatest number of games won and this made the time consumed so long that the end is not yet when we go to press.

His Prize Winning Story.

The Englishman was asked to speak at the Al Fresco Dining club. He arose, stuck his monocle in his eye and told this story:

"I was in Chicago at a dinnah, you know," said he, "wheah they were to give a prize for the best story. One fellah got up and told a story and sat down; another told another story and sat down, don't you know; then they asked me to tell a story. I arose and began:

"I am an Englishman with a sense of humor!"

"And to my amazement they gave me the prize before I could say another word. You see what I mean?"—New York Press.

It Was Funny.

"Something very funny happened the other day," said O'Beetle to his friend McFoo. "I was downtown and found myself without car fare. Before I had a chance to worry over the thought of walking a few miles in the hot sun along comes Binker, who writes jokes. I know him very well, and yet I had the nerve to ask him to loan me a quarter. He told me he was glad to accommodate me and handed over the coin."

"Is that all?" asked McFoo.

"It is."

"Well, what's the joke?"

"Why, the funny part is that a man who writes jokes should have a whole quarter with him at one time."—New York Times

A Sitting Strut.

A prominent New York lawyer went to Georgia to address the Georgia Bar association.

Colonel Peter Meldrim was showing the lawyer around.

"You see that man," said the colonel, pointing out a distinguished person who sat on the hotel porch.

"I do."

"Well, suh, that is a man in whom our state takes great pride. He is Judge —, suh, the only man in Georgia who can strut sitting down."—Saturday Evening Post.

The teachers of the high school gave a dinner for the members of the foot ball team last Monday evening in the manual training room of the central building. Each member of the team was allowed to bring a young lady with him. The evening was spent in playing games and a good time was reported by all those who attended.

Early this morning, just in the darkest part of the night Dr. R. P. Plimpton was driving along State street in response to a sick call when his team ran into a wagon loaded with dirt which had carelessly been left over night on the highway without any warning signal being displayed. We have not learned the extent of the damages but understand that the Doctor's buggy came out second best and that his team was slightly injured.

Denison relatives and friends were pleasantly surprised to learn that Walter Hugg and Miss Lillian Paulsen of Oacoma, S. D., were quietly wed on Tuesday, Oct. 12th. They are splendid young people and there is no lack of good wishes and congratulations for them among their Crawford county friends.

Many people will learn with regret of the death of Mrs. A. L. Hart which took place at Omaha on Sunday, Oct. 10th. Mrs. Hart had been in Prescott, Arizona, and as she failed steadily she was brought to Omaha to die. Her case is unutterably sad. We remember what a happy, proud little woman she was when she first came to Denison and later how care and sorrows and the ravages of the dread tuberculosis, wrought their havoc. May the soul of the departed rest in peace.

J. C. Saul, on yesterday, returned from eastern Wyoming, where he has a number of cattle ranches, his brother, Henry, accompanying him. Mr. Saul came through with a shipment of cattle which were sold on the Omaha market. The shipment consisting of a full train load of stock, twenty-one cars making up the train. This is another feather in Denison's cap, and shows that Mr. Saul, is operating on a large scale. We are always glad to hear of the success of a Denison man.
