Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as with-out fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

FREE—to All Housewives I'll Pay The Grocer

To express my thanks to you for buying your first cake of Galvanic Laundry Soap, price 5c, I'll buy of the grocer for you a full-sized cake of Palmolive Soap—the daintiest toilet and bath soap you know—soap never sold for less than 10c.

When you buy your first cake of Galvanic Soap, I give you 3 times as much soap as you pay for. I do this because I am asking a favor when I ask you to take my word for Galvanic until you have tried it and know. I realize that you dislike trying different soaps. But I wouldn't ask you to try Galvanic if I wasn't sure you will use it again. I simply ask this chance to show you how very much better Galvanic Soap is than the merely good soap you use now.

It's Honest Soap

Galvanic makes the clothes cleaner and whiter and goes twice as far as yellow soap. No boiling required. No rubbing—except where very much soiled. One reason is coconut oil. I go 10,349 miles—to Ceylon—to get this oil. Others won't use it because it's expensive, yet it's immensely effective. Galvanic doesn't harm the clothes. I've 36 years' reputation dependent on this soap.

It's not a new soap—it's an old and true soap. 300,000 Women Use It

I figure that 300,000 housewives now use Galvanic Soap every day—use it for laundering and in the kitchen for dishes. They had all used a fairly good soap but they were converted at once upon trying Galvanic. Please let my soap have a chance to convert you.

Don't pay 5c for a merely good laundry soap—soap not one-half so effective. Learn what you save and gain—using Galvanic Soap. Cut out the coupon now—hand it to your grocer when you buy your first cake.

CALEB E. JOHNSON, Pres't.

Please Note!

If any one of your family has already redeemed one of these coupons you cannot redeem this one.

This offer is made to your family but once, and to but one member. The coupon must be signed by the recipient, giving her address, and may be used only once. B. J. Johnson Soap Co. Fowler St., Milwaukee, Wis.

Form with fields for NAME, STREET, and a note: Redeemable under the conditions named at any grocery store wherever this paper circulates. To the holder: This coupon is entitled to a return of three coupons and return one cake of Galvanic Soap to the grocer presenting this coupon. The grocer will return the coupon to each at the price named and on the conditions named when properly filled out and returned to me.
