BUY MILWAUKEE Solvay Coke

"The Ideal Domestic Fuel"

It makes a safe and even oven fire—just right for baking. Women like it because it is odorless and clean—light in weight—lightens housecleaning work.

Men like it because it costs less than hard coal and goes farther—saves one-fifth of the fuel bill.

Solvay Coke does not burn out fire-pots or grates and can be used in any stove, range, heater or grate adaptable for hard coal.
