Kitchen Cabinets

Save Time by Saving Steps

\$3.50 to \$25.00

YOU DON'T have to make a hundred trips a day back and forth from range to pantry, from pantry to sink, from sink to cupboard—the things you need are grouped right at your finger ends in one compact, well-ordered piece of furniture. These Cabinets take up less floor space than a kitchen table. Yet the table of these Cabinets give much more work room. You don't have to clutter it up with the different utensils and materials you are using—they can all be kept within easy reach in their proper places in the Cabinet.

Our Kitchen Cabinets are made for the housekeeper who wants a neat, orderly kitchen—who wants to do her work systematically with the aid of time and labor-saving conveniences.

Kitchen Cabinets save miles of walking, hours of standing. It is a real economical kitchen comfort.
