## TAKES THE MONEY BUT NOT THE GIRL

**JULIUS REIMER SECURES \$1,800 FROM  
LADY LOVE, AND DECAPMS.**

**HAD BEEN ENGAGED FOUR YEARS**

Was to Have Been Married This Month and Start Farming in Spring. Wanted Money to Purchase Stock, Etc.

According to reports, there are at least two good reasons why a certain young lady, of this county, would like to know what has become of one Julius Reimer, whose home is in the vicinity of Ute, but who, for the last four years, has been employed as a farm hand by Henry LaFrantz of Morgan township. One reason is that the young lady has lost a prospective husband, and the other is that she has lost something of greater value—about \$1800 in money which lately came to her from the estate of her parents. This young man, for two or three years, had been a candidate for the affections of the young lady in question, and recently succeeded in gaining her consent to marry him,

## SOCIAL NOTES OF THE WEEK

**MANY GATHERINGS DURING THE PAST  
WEEK, NEW CLUB ORGANIZED.**

**HIGH SCHOOL SOCIETY LEADS**

The Senior Class Entertains Faculty and Juniors at Carnegie Club Rooms. Presbyterian Young People Active.

Mrs. W. H. Laub entertained Coffee Club Thursday afternoon. The meeting was a special session held in honor of Mrs. Kirkup whose approaching departure is deeply regretted by the club. Mrs. Laub served a most excellent four course dinner, her table being most beautifully decorated with cut flowers and favors. Mrs. J. B. Romans in behalf of the club presented Mrs. Kirkup with a handsome set of knives and forks as a token of the esteem in which she is held. Messdames Gulick and McMahon were the guests of the afternoon.

We are informed that a new club has come into existence this week. It is composed of young ladies and its object is to be a general good time for its members. Rumor further states that it is to be known as the Klatter Club. Here's hoping that its fondest hopes may be realized.

One of the notable social events of the week among the younger set was the reception given by the Senior Class last Friday evening. The faculty and the Juniors were the guests of honor. The Carnegie Club room where the function was held was beautifully decorated in the class colors together with attractive suggestions of the approaching Valentine season. The guests were seated at small tables and a splendid three course dinner was served after which a number of very clever and original games were introduced. One of these in which Miss Margaret McHenry posed as teacher and the faculty of the High School took the parts of the pupils created much merriment. At a late hour the guests departed voting the class of 1910 capital entertainers.

Six young ladies of the city met Tuesday evening with Miss Helen Burch to organize a club known as the Klatter Club and Miss Mabel Merrill was elected god mother. Very nice refreshments were served. The next meeting is to be held with Miss Grace Bamford.

The Misses Ethel Robinson and Edith Staley entertained the Presbyterian Young People's Club at McKim Hall on Wednesday evening, the guest of honor being Miss Florence Wearmouth, who is to be one of the spring brides. A miscellaneous shower was given Miss Wearmouth and she was the recipient of many beautiful pieces of linen and china besides a lovely cut glass berry bowl from the members of the Endeavor Society. The hostess had provided very nice refreshments which with games and amusements will serve to make the occasion one long to be remembered.

A reception for Miss Bushnell, a Baptist missionary worker from Chicago, was held at the home of C. K. Meyers on Wednesday evening. Miss Bushnell gave a very helpful and inspiring address and it was a pleasure for all present to meet her. Light refreshments were served during the evening and the entire program was greatly appreciated.

The jolly S. S. girls were hostesses to their friends Monday evening the occasion being their annual goost night. The club colors, red and white, were everywhere in evidence. The delightful program was opened by a piano duet by the Misses Raine and Seneney which was brilliantly executed. Mrs. Carpenter with her usual spell had arranged a clever sketch with accompanying tableaux entitled, "Aunt Jerasha's album," which elicited great applause. Mrs. McNaughey contributed a beautiful solo to the evening's enjoyment. At the conclusion of the entertainment light refreshments were served. Misses Stevens and Meyers pouring from a beautifully appointed table.

The Rebekah lodge had a box social at the home of Mr. and Mrs. Frank H. Lyon on Tuesday evening. A goodly number were present and a very good time was provided by those in charge of the program.

## WEDDING AT CATHOLIC CHURCH

**Mr. Timothy Flaherty and Miss Margaret Owens  
United in Marriage at St. Rose of Lima  
Church This Morning.**

On Wednesday, Feb. 2, 1910, the wedding of Mr. Timothy Flaherty and Miss Margaret Owens was celebrated at St. Rose of Lima church at nine o'clock, Rev. Father Farrelly officiating and celebrating the nuptial mass.

The bride beautifully gowned carried a shower bouquet of white roses and was attended by Miss Jane Brown. Mr. Joe Flaherty, brother of the groom, was best man. The wedding party entered the church to the strains of Mendelssohn's wedding march rendered by Miss Margaret Houlihan. After the ceremony a delicious wedding breakfast was served at the home of the bride's mother, where the immediate friends of both parties had gathered. The groom is a bright young man who has proven himself to be an industrious farmer. He is to be congratulated upon the capable bride he has won. The bride being an excellent housekeeper and talented musician, has made a bright and happy home for her mother, sister and brother for a number of years and in this home she has been faithful and loving.

The happy couple left on the evening train for Athol, S. D., where they will live on a farm joining Mr. and Mrs. T. A. McGroin.

## CRAWFORD BUYS IOWA PHONES

Crawford County Telephone Patrons Will Have Use of Iowa Long Distance Line. New Arrangement Will Meet Approval.

It is said, on good authority, that the Crawford Co. Telephone Co. has completed the purchase of the exchange, local lines and property of the Iowa Telephone Co., and that the transfer will be made in the immediate future. The impression prevails that the change will be a good thing for everybody and will afford complete service, and at the same time save the expense of paying for the use of two phones. Under the new arrangement the patrons of the Crawford County exchange will have the privilege of the use of the long distance lines of the Iowa phone which will be a great improvement. The limited number of phones of the Iowa Co. in the Denison exchange did not warrant it in maintaining the local service, and rather than operate at a loss, the Iowa phone decided to sell out. We trust the change will result in giving as good, if not better service to the people as they have enjoyed with the two companies operating here.

## A Surprise Party near Boyer.

On Monday evening, Jan. 24, a few of the intimate friends of Mr. and Mrs. J. H. Mueller gave them a surprise in honor of their tenth wedding anniversary, which was Sunday, Jan. 23.

The friends met at Mr. Mueller's gate and quietly made their way to the door, where they announced their arrival by an old fashioned charivari. To say that Mr. and Mrs. Mueller were surprised is expressing it mildly. The jolly crowd soon made themselves at home and after listening to some fine music on the phonograph the ladies proceeded to get busy and make pop corn balls. Rev. Crombie in a few well chosen words presented the bride and groom with a bread mixer as a token of regard from the friends. Refreshments were served at midnight the guests left at a late hour, all bringing that they might give Mr. and Mrs. Mueller another surprise party. The present were Rev. and Mrs. Crombie. Mr. and Mrs. Frank Woolston Mr. and Mrs. F. A. Smith, Miss Carrie Neville, Mr. and Mrs. J. A. Wolf and Mr. and Mrs. George Newcom.
