Mentionings of Former Crawford County People, Accidents, Items About People Outside of Crawford County.

Albert Cook of Odebolt, has just sold a little over a half million bushels of pop corn, grown in Sac county at a good price.

Auctioneer J. M. Adrian of Dunlap, was stricken with a stroke of paralysis recently, from which he will not recover for some time, according to physicians.

The West Side Journal says that Killen Bros., of near West Side, marketed a hog the other day that weighed 720 pounds, receiving \$8.55 per hundred, or \$61.56 for the hog. That's some hog.

A young daughter of Peter Groth at Schleswig had to be operated upon in order to remove a large piece of putty from her nose that had become lodged there and had hardened. Dr. Schultz performed the operation.

The Times at Charter Oak says that Barney Voltzertan has gone to New York started to visit his aged mother, who has gone well past the four score line, in age. He will be gone for two or three weeks.

Oscar Strahn, of Kiron, has the reputation of raising more corn on 80 acres than any man in that section, says the Odebolt Chronicle. He got 2500 bushels and shipped a car. Strahn says the secret of his success is in testing his seed corn.

Burglars have been very busy up at Jefferson the past week says the Bee. Three places of business were burglarized in one night, but the only trace so far of the burglars has been to locate the means of entrance into the stores.

The Knights of Pythias of Ida Grove are planning the erection of a fine lodge hall of its own. The building will be two stories high, a double front, and to be modern in every respect. The plan is to form a stock company among the members and sell stock.

The city authorities up at Anthon have served printed notices that street brawls and profane language on the streets of that place must cease. A similar notice, rigidly enforced, would not be a bad idea in Denison. We have an anti-spitting ordinance, but—well, what's the use?

George Newcom, an old time resident of Crawford county, is spending the winter in Florida, and writes to the Chronicle at Odebolt that he is having a great time this winter. The peach trees are in bloom and the weather is so warm that he goes around without a coat.

The Manilla Times has the following to say regarding Carl F. Kuehnle's announcement of his candidacy for state senator: "Hon. Carl F. Kuehnle of Denison, has made his formal announcement of his candidacy for state senator from this district on the republican ticket. The contest will be settled at the June primaries. Without doubt Mr. Kuehnle will be chosen as the candidate."

The school board over at Uie has been having its share of trouble. The board refused to comply with the wishes of the faculty, and as a result the superintendent and his teachers locked the building, and declared a strike. After a council of war between the strikers and the board the differences were adjusted and the strike declared off.

Carl Wellendorf came near having a very serious accident near Schleswig last week, says the Leader. While driving home with a load of furniture he had to cross the railroad just west of town, and not hearing an approaching train, drove upon the crossing. The train, however, became frightened and started along the track towards the oncoming train. As the train passed them the horses went into the ditch and the caboose caught the hind wheel of the wagon and smashed it up badly. The furniture was not damaged to any great extent.

Will Denison be able to muster a baseball club this season? From the outlook at this time it is rather doubtful. Up at Lake City the association has scoured the services of Harry Dodge, who was with Denison one season, as manager for this year. At Harlan The Republican says the high school boys expect to organize a baseball team, and that they have some exceptionally good material to draw from. They expect to secure the use of the fair grounds for their grounds, and expect to have as good a baseball team as they have had in basket ball.

The basket ball game between Denison and Charter Oak played at Charter Oak recently resulted in a score of Denison 20; Charter Oak 8. This is Charter Oak's first season at basket ball, and although the score shows Denison the winner by big odds, the boys at the Oak think they really were victorious, and that the score was not larger for the visitors.

Miss Rosa Stothman, a compositor on the Charter Oak Times, met with a very painful accident last Wednesday. When starting down stairs she lost her footing and fell to the bottom of the stairs and, was badly cut around the face and head. For two hours she was unconscious. Several stitches were necessary to close the wound in her face, and the limes says the mouth was enlarged about an inch.

Sidney, Fremont county, Iowa, Herald.—The Herald goes to press again this morning with a number of important news items omitted, others abbreviated, fully two columns of advertising left over and others in undesirable position—all because business men will persist in waiting until Thursday to write their ads, thus giving us no time to print more paper. It isn't a case of toomany adds gentlemen—that's beyond the question—but one of NOT ENOUGH TIME. If merchants for their own good could only—but what's the use? The Review last week printed twelve pages of home matter, and a good sized supplement, and had to omit three columns of correspondence that had been placed in type, over two columns of local matter and some good advertising matter, from the fact that the heavy advertising came in as late as Tuesday afternoon, when two runs of the paper had been made, and it was too late to print more.

Resolutions.

Whereas during the 27th year of his official service, to the City of Denison Lewis M. Baer, was called home to his reward, February 14th, 1910, and

Whereas, the Mayor of this city, appointed the undersigned, who are ex-Mayors of the city to prepare resolutions of respect to the departed one, and

Whereas, During the years of public service in which we were closely associated with him, we found him always honorable and upright, whose devotion to duty often led him to sacrifice his physical comfort and endurance for the safety of others, always faithful, vigilant and judicious in all his acts. He was possessed of rare judgment and undaunted courage.

RESOLVED, That the sudden removal of such a life from our midst leaves a vacancy and shadow that will be deeply realized by all, and will prove a serious loss to the community and the public.

RESOLVED, That with deep sympathy with the bereaved relatives of the deceased, we express our hope that even so great a loss to us all may be overruled by Him who doeth all things well.

RESOLVED, That a copy of these resolutions be presented to the bereaved family, and a copy printed in the local papers.

CALUMET Baking Powder

Received Highest Award
World's Pure Food Exposition
Chicago, November, 1907
What does this mean?

It means that Calumet has set a new Standard in Baking Powder—the standard of the World. Because this award was given to Calumet after thorough tests and experiments, over all other baking powders.

It means that Calumet is the best baking powder in every particular in the world.

And this means that Calumet produces the best, most delicious, lightest, and purest baking of all baking powders.

Doesn't that mean everything to you?
