A PRETTY VERMONT HOME.

Capt. Hutchinson is a Stanch Friend of Peruna, Made so by Personal Experience.

CAPT. LEMUEL M. HUTCHINSON, MONTPELIER, VT.

The Home of Captain Hutchinson, of Montpelier, Vt.

Chronic Catarrh and Throat Trouble. It gives me pleasure to write you this letter at this time on account of the good your Peruna has done me when I was quite done up with a very bad cold. I could hardly perform my ordinary duties, but from the use of Peruna I am almost restored to health. I am quite convinced that it has helped me from chronic catarrh, to which I am subject. It has also benefited my throat. I can truly recommend it as the best all-round medicine it has been my privilege to become acquainted with. Of this I am quite convinced from my own experience.—Capt. Lemuel M. Hutchinson, Montpelier, Vt.

Can Now Eat Anything.

Mr. J. W. Fritchard, Columbia City, Ind., writes: "I am pleased to say that I have been cured of catarrh of the stomach by Peruna. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas, causing me much distress and unpleasant feelings for an hour or two after each meal. But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to do, and it is all due to Dr. Hartman and his wonderful medicine, Peruna. It has been one year since I was cured, and I am all O. K. yet, so I know I am cured."

A Nervous Breakdown.

Mr. Lewis Zim, editor and proprietor of "St. Augustine Meteor," writes: "Any man in public work finds at times that he is under a peculiar nervous strain. I found that with it I lost my appetite, and my brain seemed to work uneasily during waking and sleeping hours, so I was tired and worn out in the morning. Tonics and invigorators were suggested and tried, but nothing was of benefit to me but Peruna. That is certainly a remarkable medicine. I was restored in three weeks to my normal healthy condition, my appetite returned and my sleep was refreshing."
