THE YEAR TO DATE.

Receipts from January 1, 1910, up to and including today, compared with the same period last year are as follows:

	1910	1909	Inc. Dec.
Cattle	466,394	44,046	26,348
Hogs	1,080,747	1,258,597	277,850
Sheep	871,075	654,236	16,839

This week opens up with a moderate run of cattle, about 145 loads being reported in about 3,876 head. Beef Steers--After the bad break of last week, it was hardly to be expected that the market would show a great deal of life today even under the influence of moderate offerings. Bids were about like the close of last week for the fair to pretty good heaves, and most of them sold on this basis while salesmen were compelled to further shade prices on the fair to poor cattle that made up the bulk of the supply, values ruling from a shade to as much as 10 to 15c lower than last week's very mean close. Good to choice heaves... \$7.00@7.75 Fair to good heaves... \$6.25@7.00 Common to fair heaves... \$5.00@6.00

Cows and Mixed Stock--Conditions in the market for butcher stock were no better than they were last week and in most cases it took lower prices to move the stuff. Demand was very slack from all sources. Bids and sales on the medium and common stuff are all of \$1.00 lower than a week or ten days ago. Veal calves were in liberal supply and about a quarter lower and the bull market was also slow and decidedly lower. Good to choice cows & hfs \$5.25@6.25 Fair to good grades... \$4.00@5.00 Canners and cutters... \$2.75@3.75 Veal calves... \$3.50@7.00 Bulls, stags, etc... \$3.25@5.50 Stockers and Feeders--With a good many cattle carried over from last week and liberal supplies of fresh offerings, there was a very good supply on sale today. The trade was very dull right from the start and most of the business was done by speculators. There were very few country buyers in evidence and so were country orders so that the tone to the trade was decidedly weak.

Choice to prime feeders... \$5.25@5.85 Good to choice feeders... \$4.25@5.00 Fair to good feeders... \$3.75@4.25 Common to fair... \$3.00@3.75 Stock heifers... \$3.25@4.00 Hogs--Receipts at this point were normal, but heavier runs at the eastern markets made it possible for packers to force values lower, with the result that the market opened up about ten cents lower and most of the hogs sold on this basis. Light hogs continue to sell at or near the top, while the extreme heavies were hardly wanted at any price. The demand eased off somewhat near the close and many of the late sales showed declines of 15c. Bulk of the receipts sold from 9:10 to 9:20, with tops selling at 9:30.

Sheep--Salesmen denied the existence of any kind of a market during the early hours this morning and while a few small bunches of fat stock changed hands, demand was decidedly backward and the trade almost lifeless. The trend of prices was lower, packers buying most of their stuff at reductions of 10 to 15c after trading finally started. Quotations on grass stock: Choice spring lambs... \$6.90@7.25 Fair to good spring lambs... \$6.40@6.90 Good to choice yearlings... \$5.25@5.60 Fair to good yearlings... \$4.85@5.25 Good to choice wethers... \$4.25@4.50 Fair to good wethers... \$3.90@4.25 Good to choice ewes... \$4.00@4.35 Fair to good ewes... \$3.50@4.00

Conundrum.

Mister Editor--My best gray mare raised a splendid colt two years ago. He was so fine I called him Dolly. He run with his mother and the rest of the horses. This year he runs in the other end of the pasture with the mules. His ears are very long and when he talks he has the "brogue" of a jackass, but he still says he is a horse. Now, Mister Editor, shall I sell him for a horse or a mule?

John Ullrich, the son of A. J. Ullrich, of Mapleton, died in the Sioux City hospital last Saturday. He went to Sioux City for treatment for blood poisoning. An operation did not help him. His parents at the time of his death were in Charter Oak attending the funeral of the young man's grandfather and could not go to Sioux City until Sunday. The funeral services were held at Mapleton--Sioux City Journal.

District Superintendent Torbet held the third quarterly conference in the Methodist church on Monday evening. Rev. Torbet succeeds Supt. Carr, lately resigned.

About twenty-eight phones were burned out last Saturday during our little shower. One clap of thunder was very loud and it probably was the electricity preceding this that caused the trouble.

Death of John Ullrich.

On last Thursday morning, at the home of his daughter, Mrs. Ernest Topf, one-mile east of Mapleton, Father Ullrich passed away at the ripe old age of 80 years, 2 months and 21 days.

He had made his home with his daughter since the removal of his son, Joe, to Nebraska.

John Ullrich was born in Prussia, Germany, April 2, 1830. In 1849, when he was nineteen years of age, he came to the United States and as a common laborer worked by the day and month, as he could find work. He spent six years at Green Bay, Wis., Chicago and Burlington, Iowa. In July, 1855, he went back to New York state and at Albany was united in marriage to Miss Gertrude Nancig. Mr. and Mrs. Ullrich moved to Lyons, Iowa, where they lived for a number of years. In 1877 the family moved to Hanover township, in Crawford county. Here the family lived on the farm until the death of the mother about eleven years ago. After the death of his wife, Mr. Ullrich lived with his children.

To Mr. and Mrs. Ullrich were born twelve children, eight of whom survive. Two children died in infancy and two daughters later in life, Mrs. John Wellner, who died ten years ago, and Mrs. Mat Letzen, who died about a year and a half ago. The children living are N. J. Ullrich, of Mapleton; Joseph Ullrich, who lives in Nebraska; E. E. Ullrich, of Carroll, Iowa; Anton Ullrich, of Mapleton, Iowa; Clement Ullrich, of Ida county; Gus Ullrich, of Atkinson, Neb.; Mrs. Lizzie Popf, of Mapleton, Iowa, and Miss Sophia Ullrich. All the children were present at the funeral except the son, Gustav. There are forty-nine grandchildren and three great-grand children.

The funeral services were held at Charter Oak in St. Boniface Catholic church last Saturday at 10 o'clock a. m. The services were conducted by Father Schenkelberg and the remains interred in the Catholic cemetery.

Free Child's Remedy

What mother will not look for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach.

Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing, the free sample being simply to convince you of its merits. It is the little ills of life, such as Mrs. L. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1710 Coke street, Louisville, Ky., both started with a free sample and met their friends that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

AN INFLUENTIAL

Son of the

NETHERLANDS

Tells of his experience

MR. H. NEYENESCH, one of the group of sturdy Hollanders that settled Pella many years ago, and who is one of the best known and most influential citizens of Marion county, became very much concerned about the condition of his eyesight. He says:

"I have been a great reader, and as editor of a newspaper and with other work I have asked too much of my eyes, in consequence whereof they have of late bothered me greatly. They pained me considerably and my sight was blurred. I heard about Dr. Weber's ability, and made up my mind to have him treat my eyes before it should be too late. He found that in one of my eyes I was nearsighted and in the other just the reverse, together with astigmatism and irritation of the nerve of vision. With Dr. Weber's specially prepared glasses and treatment my sight was speedily improved, and now, at the age of 82, I can use my eyes as much as I wish and have not the slightest inconvenience."
