DENISON, IOWA, WEDNESDAY, SEPTEMBER 7, 1910.

No. 36

## Sid. Green Returns After Six Years' Absence

Wires Sheriff Cummings That he is Coming of His Own Accord, and Will Give Bonds for His Appearance at the September Term of Court.

### STATEMENT TO THE PUBLIC

In Which Mr. Green Says the Losers in the Exchange Bank Will be Paid in Full. Is Engaged in the Sale of Western Lands and Resides at Long Beach, Cal.

Sid Green, formerly of the Dow City Exchange Bank, at Dow City, who now resides at Long Beach, Cal., surprised his Crawford county friends by dropping in upon them unexpectedly last Monday. The first one in Denison to learn of the unexpected visit was Sheriff Henry Cummings, who received a telegram from Mr. Green, saying he had started for Denison and would arrive here Monday afternoon. His coming at this time is said to be for the purpose of furnishing bonds for his appearance at the September term of the district court, when he expects to defend himself against any criminal proceedings that may be instituted.

Mr. Green has been living in California ever since he left Crawford county some six years ago, and is now engaged in the real estate business, having offices at San Jose, Cal., while the family reside at Long Beach, a short distance away. For the past two or three years he has met with fairly good success financially, and now feels that he is in a measure ready to repay those who lost money at the time of the bank failure some six years ago. Of the failure of the Exchange bank at Dow City every one is familiar, and while many lost considerable money, the feeling at this time seems to favor Mr. Green as many are willing to let time take its course, feeling sure that they will be paid their money with interest.

Mr. Green, true to his promise in the telegram, was in Denison Monday and Tuesday and gave bonds in the sum of \$2,000 for his appearance

at the next term of court, Messrs. Chas. Tabor and N. R. Wilder signing the bond with him. He was highly pleased and very much encouraged at the reception given him by his old-time friends and neighbors, and even those who had harsh words for him at the time he left were glad to see him and extended the hand of greeting.

After spending a few days in Dow City, Mr. Green will return to California to his family and make necessary preparations for coming back again to be in readiness when court sets. Mr. Green makes a statement in substance as follows:

He states that he arrived in Denison on September 5th from Long Beach, Cal., where his family is living at the present and where his headquarters will be for the next year. His purpose in coming back to Crawford county is to meet the charges made against him and to finally dispose of them. He expresses pleasure at the reception he has received from his friends since he returned to the county and counts among his friends those who lost in the Exchange bank as well as those who did not. He says he entertains no hard feelings for those who blame him for the loss of their money and says that his purpose is to fight the criminal charges brought against him. He says that he hopes through his business in the west to make reparation to those who have suffered on account of loss in the bank, and that he has already settled with a few depositors, including widows and

## TYPHOID FEVER CLAIMS VICTIM

Daniel Howarth, of Union Township, Dies at His Home on Sunday Last, Aged 35 Years.

LIFE TIME SPENT IN CRAWFORD  
Leaves Wife and Numerous Relatives and Friends—Funeral Held in Dow City.

On September 4, 1910, at three o'clock in the morning, Daniel Goodrich Howarth departed this life at his home near Dow City in this county. The deceased was born in this county thirty-five years ago and never lived elsewhere. His death was caused by typhoid fever and was not unexpected at the time it occurred for the reason that his life had been dispaired of for several days. He was a son of Edmund and Sabrina Howarth who were counted among the early pioneers of this county. Edmund Howarth is perhaps as well and favorably known as any of the old settlers in the county. He has been a large land owner in the vicinity of Dow City for many years, and was counted as one of the successful farmers of the county. The deceased was married April 15, 1908, to Lessie Gibbs, of Harlan, Iowa. Two babies were born to them, both dying in their infancy. Daniel was a member of the Baptist church of Dow City at the time of his death, having become a member of the church about thirteen years ago. He was a member of the order of Free Masons, also of the Redmen, the latter organization taking part in the funeral services which were held at the M. E. church at Dow City, the Rev. Blanchard, of Harlan, preaching the sermon, assisted by Rev. Place, pastor of the Dow City Baptist church. He leaves surviving him his wife, his aged father, three brothers and three sisters, and many other relatives in addition to his immediate family. All the members of the Howarth family reside in this vicinity and were able to attend the funeral services except Margaret Howarth Britler, who lives at Lewiston, Idaho, and was unable to be present. The attendance at the funeral was so large that the church was unable to accommodate them all. Loving hearts and hands responded by an unusually

## SCHOOL OPENED LAST MONDAY

Enrollment Reaches 631 Pupils, of Which Number 137 Are High School Students.

EXCELLENT CORPS OF TEACHERS  
Considerable Time is Spent in Classification—Scholars Enthusiastic for Good Year's Work.

The Denison public schools opened last Monday with a total enrollment of 631 students, 137 of them being high school students. Prof. Humphrey is back again as principal of the high school. Mr. Humphrey has been attending the Iowa State university for the past year and is welcomed back by his many Denison friends. Miss Fannie Hayes, assistant principal, has charge of mathematics. Miss Lulu Kilpatrick, a graduate of Smith college, is in full charge of the department of English literature and composition. Miss Ruth VanPelt, of the Ohio Wesleyan university, is the new German teacher. Miss Gittens, a graduate of the Iowa State university, is the teacher of botany and zoology. Mr. Jacob Johnson, who has had charge of manual training and mechanical drawing in the Denison schools since it was first introduced, is here for another year. L. R. Chapman, a graduate of Morningside, has charge of physics and chemistry. Domestic science has been added as a new branch, with Miss Grace Warner in charge. Miss Warner is a graduate of the Michigan Agricultural college and for the past two years has been teaching at Onawa. The domestic science room is not yet fully equipped, but it is thought that work in this department will be begun in a week or so. Friday and Saturday were spent in the classification of the students and when school opened on Monday everything was in readiness to begin work for the year. Work has already begun on the football field, and with the present amount of enthusiasm, there should be no reason why Denison should not have a winning team. Practice is being held every evening after school under the direction of Mr. Chapman. Mr. Chapman has won the two-mile race in the inter-collegiate field meet for the past four years, and at this time holds the state record.

## MANILLA TO HAVE CARNIVAL.

Dates Are September 15, 16 and 17—Covalt's Famous Band of Council Bluffs Engaged.

In another column of this issue will be found an advertisement for the Manilla carnival, which will be held at Manilla Sept. 15, 16 and 17. It will be seen from the program that there will be something doing every minute during the day and night. Balloon ascension and parachute leap every day, fireworks at night, big horse show and an address by Prof. Kennedy, of Iowa State College, automobile and carnival parades, base ball, band concerts by Covalt's famous band of Council Bluffs, grand ball in opera house every night, music by Downs' orchestra. The people of Manilla never do anything by halves, they go the whole thing or nothing, and for this three day carnival they will spend over \$900.00 for amusements. No doubt there will be a large crowd from Denison and vicinity attend on one of the days.

## ARION FAIR NEXT ON PROGRAM.

The Dates Are Sept. 13, 14 and 15, and the Officers of the Association Make Final Arrangements.

In another column of this issue will be found the program for the Crawford County Fair, which will be held at Arion Sept. 13, 14 and 15. The officers of the association are exerting every effort to make the fair a success and are busy just now making final arrangements, further advertising the fair and looking after entries, etc. Mr. Conrad, the secretary, is kept busy answering letters regarding exhibits, live stock entries and entertainments. He says about the only exhibit that will be missing will be in the fruit line, and as every one knows, fruit was killed by late frosts. The only person he has heard from who has any fruit at all is Mr. Jake Kepford, who has a few late apples. The other exhibits for the hall will be nearly complete. The applications for room for stock exhibits are coming in fast, and there promises to be a great exhibit along this line. For the races there also promises to be some good ones, and those who attend the fair this year, if the weather is favorable, will not be disappointed in the racing program. Then there will be numerous side attractions, good music and amusements for both old and young. Don't forget the dates and plan to attend.

## RED LETTER DAY FOR OLD SETTLERS

Final Arrangements for Old Settlers' Day Nearing Completion—Big Crowd Expected.

VAIL'S FIND BAND IS ENGAGED  
Conditions Never More Favorable for a Day Long to be Remembered—Remember the Baby Prizes.

Friday, September 9th, 1910, should be a red letter day for the old settlers of Crawford county, when it is expected that 4,000 or 5,000 people of the county will attend the Old Settlers' picnic at Washington Park in Denison. For this particular day the committee in charge of arrangements has placed an order for ideal weather, and the order has been acknowledged. Let every old settler, and every young settler for that matter, plan to come to Denison on that day, and we assure them of a good time. In another column will be found the program, as published in our last issue; this may be added to, as the committee has been planning some new features. It is the intention to make the most of this day; the Vail uniform band of 22 pieces has been secured to make music during the day; Hon. Walter I. Smith, of Council Bluffs, has been secured as speaker, and then there will be speaking by many of the old settlers, races of all kinds will be provided for both old and young, and all in all the day will be one long to be remembered.

In the baby contest there promises to be much interest taken, and Mrs. O. M. Criswell, Mrs. F. H. Morgan and Eugene Gulick have been selected as judges. Parents should make application to either of these judges on the day of the picnic not later than 1:30 p. m. As will be seen by the program the prizes offered are good cash prizes and well worth bringing the baby in for. Win the prizes and deposit same in one of the banks and by the time the baby is an old settler the account will have grown in proportion as the baby has grown.

Free coffee, cream and sugar will be provided on the grounds; bring your cups and picnic dinners, and eat right in the park; bring enough so that you can stay for supper, and enjoy the shade and have one long rest and visit, one that you will remember for many a day.

## BASE BALL AT BOYER.

Kiron Goes Down in Defeat Last Sunday, the Score Being 4 to 3 in Favor of Boyer.

(Special to The Review.)

In one of the best games played this season on the home grounds, Boyer defeated Kiron for the second time by a score of 4 to 3. It was a pitcher's battle until the sixth, when Kiron scored. In the beginning of the ninth the score stood 3 to 1, in favor of Kiron. Boyer then started a ninth-inning rally and won the game by the score of 4 to 3. Batteries: Kiron, Johnson and Johnson; Boyer, Erne and Gronau.

Miss Ada Shillington, of Rosedale, Kansas, is one of the new school teachers of the county. She is teaching up in the Jepsen district of Goodrich and boarding with Mr. Groth and family. She is a niece of Mrs. Chas. K. Meyers.

## McHENRY HERD WINS HONORS.

Denison Aberdeens Carry Off Nine First Prizes, One Second and One Fourth.

At the Des Moines State Fair, just closed, the McHenry herd of Aberdeens won all the prizes there were in sight in their class, securing nine first, one second and one fourth prize. Of course Mr. McHenry feels justly proud of this record, and will show his prize winners at other state fairs.

The annual election of officers for the W. C. T. U. was held last Thursday afternoon. Mrs. C. W. Merrill was enthusiastically re-elected for the fourth term as president; Mrs. C. L. Cassaday, first vice; Mrs. Scars McHenry, second vice; Mrs. Lessie Marshall, secretary and Mrs. Georgia Wade McClellan, treasurer. The year's report showed the work to be in good condition.

## Do You Want to See the Latest Fashions for Fall?

We give our customers a most unusual opportunity right here this week, to see and study the newest and best of the accepted styles of the season. More than that, you can see them here as early as they are shown in the largest cities from New York to San Francisco.

All these styles are approved by Madame Savorie, the well known style expert. Her position at the head of the Wootex Fashion Bureau in Paris, gives her the chance to know long in advance of published information just what will be worn by the best dressed women.

Suits \$18.50 to \$40.00 Coats \$9.50 to \$30.00 Skirts \$4.95 to \$15.00

**Geo. Menagh & Co.** The Store that Sells WOOTEX

Red Cross shoes to go with your new suit or dress are just it. The styles are beautiful and the fit is delightfully comfortable, but as one lady remarked during our early showing, that the only comfort in the "Red Cross" shoe is to try it on. We invite you to see the very latest styles on display this week.

Prices \$3.50 and \$4.00. Other Shoes \$1.50 to \$3.00

## Special in Cured Meat for this Week Only. . . . .

50 Extra Fancy Smoked Winchester Shoulders, Weight 8 to 12 Pounds

Only 13<sup>3</sup>/<sub>4</sub>c per lb.

Do not fail to order one of these at this price.

**Geo. Menagh & Company**
