**LITTLE ONE PASSES AWAY.**

Little Lillian Slater, Three Months' Old Daughter of Mr. Frank Slater, Dead.

On last Friday at the Peter Krauth home occurred the death of Lillian Slater, the three months' old daughter of Frank Slater. It will be remembered that the mother gave up her life for this little one and the twin brother some three months ago, and since that time Mrs. Peter Krauth has been caring for the little ones, taking as best she could, the place of the dear mother. Little Lillian has never been well and strong, and death probably came as a relief. The funeral was held at the Krauth home on Sunday afternoon at 2:30, Rev. James DePree conducting the services, after which the little body was laid to rest in Oakland cemetery beside the departed mother. The heartfelt sympathy of the entire community goes out to the father in his time of trouble.

This does not come as a surprise to Mr. Shaw's friends in this community, as it has been known for some time that he probably would not ever again make Denison his home. **LITTLE FINGER RINGS**

Copyright 1909, by C. E. Zimmerman Co.--No. 17

**IT is quite the proper thing for a woman to wear a ring on the little finger. This fashion has come to stay. As well as being fashionable, this really enhances the beauty of the feminine hand. It is also true that the ring should be of a design especially for this purpose, or the effect will be ridiculous. Come in and let us fit your little finger with a ring, and show you why this style is so popular.**
