KIRON NEWS.

E. P. Selvers and son, Hjalmar, had business at the county seat Monday. Mr. and Mrs. Elmer Houglund returned Tuesday from a couple of days' visit with relatives at Denison. While there Mr. H. got his release from the jury list, being drawn to serve at this term of court. He was excused on account of being a member of the fire company at Kiron. Mrs. Elsie Masters, who has been visiting at the home of her parents, Chas. Skarins and wife, left the first of the week to join her husband at Amboy, Minn., where their future home will be. Peter B. Miller is the newly appointed marshal to fill the vacancy made by the resignation of John Olson. P. B. will make all miscraunts jump and keep the peace the ruling factor of our town. The returns from the election from this part of the county showed that party was not confined to but that the voters done some thinking and voted for principles and men. Rev. A. Youngberg went to Albert City last week, where he went to fill the pulpit at the Mission church Sunday in the absence of its minister, F. L. Johnson supplied the pulpit here in his absence. Kiron discovered last week that its mayor, Hon. P. O. Wolleson, and the marshal, John Olson, were not citizens of the United States. The mayor himself was greatly surprised when the fact was investigated, as he considered himself as a citizen for the past ten years, basing his honest belief that his honorable discharge from the U. S. army, in which he served, made him eligible as a full fledged citizen which right he enjoyed and exercised for a number of years. At the recent council meeting he resigned and G. A. Norelius was appointed to succeed. Mr. N., who was a member of the council resigned in that official capacity and P. A. Petersen appointed to fill the vacancy made by his resignation. Reports say that Miss Myrtle, the daughter of Mr. and Mrs. C. O. Larson, of Alcester, S. D., formerly of Kiron, was recently married at Aberdeen to a young man of Alcester. They intend to locate on a western claim. Rev. A. Lagerquist, for the past three years the active pastor of the Baptist church at Kiron, some time ago tendered his resignation and has accepted the pastorate of the Swedish Baptist church at Omaha. Beside his pastoral work he will assist the congregation in the erection of a new church to take the place of the present one. Little Engberg went to Ames last week for a short visit at the home of her sister. Hulma Johnson was a passenger for Boyer last Monday for a short stay in that burg. Several farmers have finished corn picking, while a great many have two to three weeks' work yet. The yield is ahead of what was expected, while the quality is the best for years. Kiron has a splendid opening for a good harness shop and shoe repairing shop. The right fellow would find a good location and plenty of business. Well, it does beat all when voters, having both time and opportunity to vote, will not do so. Such happened in Kiron and close by. If those fellows were not privileged to vote there would be heard a tremendous kicking. From now on Kiron will be represented weekly in the Review columns with the doings of our people. Peter Jacobsen Schleswig it between train hours Monday forenoon. Student Victor Lindblad came home last Friday from his college work at Rock Island, called by the death and funeral of his sister. The circular sent out, apparently from democratic headquarters, the day previous to election about the Kuehnle affair, caused indignation among Mr. Kuehnle's friends here. The nefarious scheme in view, no doubt, was to injure his election. What surprised many was to find out who some of the fellows back of it were. It was as dirty a piece of work as ever has been sprung. E. E. Clauson and family and Mrs. O. E. Clauson spent Monday at Denison. While E. E. looked after business matters the women folks visited acquaintances. The funeral of Helga Lindblad, daughter of Mrs. A. P. Lindblad, north of town, who died at the home of her sister in Fort Dodge, occurred last Sunday. Services were conducted at the home and at the Bethel church, Rev. J. A. Christianson conducting the services. The funeral was attended by a large number. The church was filled with friends and acquaintances of the deceased and family. Miss Helga was 28 years old at the time of her death and her entire life was one of sickness and suffering. She left for Fort Dodge some two weeks ago to have an operation performed, thinking it would relieve her sufferings, and while it did not relieve her sufferings so as to enjoy health on earth, it relieved her permanently from all earthly sufferings and trials. She leaves an aged mother, eight sisters and two brothers to mourn her death, all of whom were present at her funeral except one sister in Canada, who could not be present. Burial was made in the Bethel cemetery. Archie Norelius left Monday of last week with a car of stock and farming machinery for Colorado, where he intends to farm. He had high hopes of success and prosperity in that country and his many friends hope that his hopes may materialize. For Sale. Big type Poland China boars, of March and April farrow. Does Not Stimulate Ayer's Sarsaparilla does not stimulate. It does not make you feel better one day, then as bad as ever the next. It is not a strong drink. No reaction after you stop using it. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic and alternative. We wish you would ask your doctor about this. He knows. Trust him. Do as he says.
