ATTENTION HORSE BREEDERS

I wish herewith to announce to the horse breeders of Crawford County the list of horses I have for this season. For the benefit of the Farmers I have the best horses this season I have ever put before the public. I have selected the very best Horses that money will buy--and for the benefit of Crawford County farmers I invite you to come and look at them before buying. You will find the best boned Percheron in the county, and it will pay you to look them over. I also have the Royal Belgium and one Shire --the best one that stands on four legs today. Come and see my horses as I know they will suit you.

Yours Respectfully,
P. J. EGGERS.

Percheron Stallion Pourguoi, Jr. No. 45054

Is of a rich color of a good horse, a seal brown, coming seven years old May 10. He is the heaviest boned Percheron I ever owned, and he measures 14 inches below the hock joint. He is of medium height is thin in flesh, and weighs 1900 pounds; if fat he would weigh 2200. His sire weighed 2400 pounds. Now if you are looking for a draft horse to breed your mare to and raise marketable horses come and look at him, as I know he is just what you are looking for. I believe he is the best Percheron in Iowa today--has more quality than any horse I ever owned. He will stand at Laub's barn until August 1st.

Terms: \$15.00 to insure a colt to stand and suck.

Max de Waere, Belgium Stallion (4741) 595

Max de Waere is one of the best draft stallions of his breed in America. Wilson & Streams of Creston, Iowa, selected and bought this horse for their own use, but through much persuasion and a good price they finally decided to sell him to me and I got him almost direct from Belgium. Max de Waere is a Strawberry Roan, one of the richest colors among horses; coming 3 years old June 10th. He is a good, thick drafty fellow, a hard horse to compete with for size and quality for his age. He weighs at the present time 2100 pounds. If you want to see one of the finest draft stallions and breed to a good horse, come and see him. Max de Waere will make the season of 1911 at Laub's barn in Denison until August 1st. Terms \$15.00 to insure a colt to stand and suck.

Hanap Black Percheron No. 59147, 74950

Coming 4 years old June 5th, weighing at the present time 1900 pounds, and thin in flesh; if he was matured would weigh 2150. He is one of the thick kind, a shiny black, a splendid walker, good muscles and a fine set of legs. He is a perfect Percheron. You will like him when you see him. He will make the season of 1911 at the following places: Monday and Tuesday at Herman Boeck's, East Boyer; Tuesday night at home; Wednesday night and Thursday at Will Staller's in Washington Township. Thursday night and until Friday noon at Henry Koll's, Denison Township; Saturday at Laub barn; Sunday at home. Terms: \$15.00 to insure colt to stand and suck. WM. FRITZ, Groom.

Shire Stallion Honest John No. 6373

Dapple Bay, a very fine individual, a good four cornered fellow. One of the best draft stallions in the county. He is extra heavy boned and weighs a ton. A sure breeder. He is a money maker for me and will make money for you. If you will come and look him over you will say so yourself. Look this horse up. He will make the season of 1911 at the following places: Monday and Tuesday at Ed Champion's, Paradise township; Tuesday night until Wednesday noon at Detlef Johanson's, Hanover township; the balance of the week will be mentioned in the next issue. Terms: \$15.00 to insure a colt to stand and suck. CHRIS LENSAR, Groom.

The places of standing of all horses will be mentioned in the next issue and on the bills that will be printed. The state certificates will be printed on the bills.
